PART 8

The Serial of Divine Actions of Lord Tirumala Sri Venkateswara in order to establish his "HARINAAMA KSHETRA" in Telangana as another TIRUPATHI.

- Pullagurla Sai Reddy (Govinda Dasu)

Direction: Lord Tirumala Sri Venkateswara decided to arrange his "HARINAAMA KSHETRA" near our Garden well in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the Replica of Tirumala Temple upto two compound walls (Silver Door). He assured me that He will stay here permanently in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Sankeertana by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting imparting the training from April 2000, thro' his dreams, He disclosed the actual matter in April 2022. In addition to this, He ordered

me to get the divine feelings published which were blessed by him in order to make the devotees as partners in this programme from April 2023. So, the present publishing of 8th part of Divine Acts is as a part of it published. **(February 2003-June 2003).**

RESOLUTION OF NAMO VENKATESAYA CHARIOT

Date: 17.02.2003 : Today I got up at 3 AM and started thinking about the service of Lord. I have to offer 7 crores of Japa Books every year in which 70,000 persons minimum should take part. I have to pray Lord to bless them and fulfill their wishes, but this time, I got 70,300 Japa Books printed. One can write 1200 Namam (Names of Lord) some are writing more than one book. So, what I observed was though the number of Japams increasing more than 7 crores, the number of devotees is decreasing less than 70,000. I prayed Lord very, humbly. I begged Lord to find out some solution with tearful eyes. Immediately an idea store in my mind with the blessings of lord. I thought to get made a chariot and take it to tirupati and to other places atleast 11 days before every Japa offering time. I got an idea to make the devotee to chant the name of Lord Sree Venkateswara and after praying for fulfilling their demands, make them all to write Mahaa mantra of Lord on a paper, putting them in a chariot and reach

Tirupathi. A beautiful idea appeared in this way to cover 70,000 devotees to make them to get blessings of Lord. Later I planned how the chariot could be decorated. I also thought to prepare the Brass model of “Sree Venkateswara Divya Mahaa Mantra Sthupa Tirupathi” with the name ‘Namo Venkatesaya’ very beautifully and grandly.

On the other hand, so many days passed viewing the divine actions of Tirumala Sree Venkateswara I (distressed) to witness his divine actions once again. Once I had dreamt that I entered the Tirumala temple to have his darshan but after crossing Maha Dwaaram (Great threshold) I went another side. As a result, I did not have darshan of Lord. I got disappointed after praying him to bless us with his Darshan, today definitely. But I did not get his darshan. In spite of that he was providing me the inspiration required to my service as and when it was needed. Finally, I convinced myself saying that ‘Lord has the responsibility of running this entire creation. He has many accomplishments. He will bless me when he finds time by himself. So, I should not press and trouble him. I apologized him and to my surprise I got the feeling that Lord has excused me immediately.

I did not get satisfaction only with the offering of Japa books, I thought of commencing a variety of services to Lord along with this. After giving holy bath with the holy waters of sacred rivers, I wished to celebrate Kalyanams (wedding ceremonies) of Lord. Making hundreds of Pairs (wife’s & Husbands) to participate in them so as to enable them to get blessings of Lord I also thought of taking Lord to many places, providing an opportunity to public to have darshan of Lord and get them blessed. I wanted to attend every programme personally. One way, I desired to play the role of EO, TTD and to service him gloriously that no one celebrated so far earlier as I accomplish them. The more number of devotees attend, the more my capacity will be judged. In other words, I must leave no stone unturned to increase the number of devotees to be

blessed by Lord. But I thought, It is beyond my capacity to do so. Then I prayed Lord to provide me more strength and ability to attend all these services in a befitting manner.

One more important thing I would like to mention here. The Lord permitted me at the time of blessing with his service to do business only for the maintenance of my family, But unfortunately, I have forgotten this point totally and made a number of efforts to develop my business, with this Lord, without my knowledge made me to get loss financially from February 2003.

CONSTITUTION OF SREE VENKATESWARA SEVA SAMITHI

As decided earlier, I got registered the Sree Venkateswara Seva Samithi trust on 28.02.2003 with the help of my Auditor Sriman Janardhan Rao. This trust was constituted with myself, my wife Surekha and my mother Pullagurla Rukkamma as Members. Our Auditor informed us that some more services can also be arranged under this Trust along with Sree Venkateswara Mahaa Mantra Peetham in the days to come. We got it registered on 09.03.2003 with the No. 66/2003.

I decided to pay Income tax every year under this Trust. I got a dream today:-

DREAM: In this, myself and my wife, we both went to a temple to have a darshan of Lord Sree Venkateswara. As the timings of darshan over, Nobody was there in temple, but I decided not to leave the temple without seeing God. With total enthusiasm to see Lord, I all alone entered the Sanctum Sanctorium but I could not find God in side. I went upside where I found an old building which was having steps of stone. With total enthusiasm and anxiety, I walked and climbed them very fast but invain. I could not find him in upstairs also. I got disappointed and turned back. This was the dream. I understood that it indicates my anxiety to witness Lord.

It is true that I am a Devotee servant of Lord Sree Venkateswara; but in some occasions, I used to be stubborn and argue that my word should be final, but never told this to him directly on account of my fear. I never dared to tell him but used to feel a lot. But Sree Venkateswara used to smell my desire and bless me accordingly. Then my joy had new no bounds. So many times Lord blessed me like this. One incident took place recently which resembles it.

PUNISHMENT FOR NOT TRUSTING HIM (LORD)

Date: 15.11.2002: Since Karthika Ekadashi, I am distributing free Japa Books to devotees and making them to write 7 crores Japa. I took a resolution that I do this Every year for 16 years. To make this known to all, I have sent my Resolution and Two Japa books to some more persons including E.O. TTD. I wished to dedicate 7 crores Japa books in a special procedure. One way I thought to see how the mercy of Lord will be in this service. But how? I have to offer this 7 crores Japa to Lord of Seven Hills within 7 months. And the date of offering should come from Lord only. Lord Himself has to order me to offer these all. This feeling strongly got filled in my mind. But I did not inform him. Just, I thought it would be nice if it happens in this way. Once I told about this to Dr. Konda Reddy that this first offering of 7 crores of Japa should take place in between 15.11.2002 to 15.06.2003. Only then I get satisfaction and feel that Lord is happy with my service. The distribution of Japa books was very satisfactory from my side. We distributed 69,400 Japa books upto 15.03.2003. We have to distribute 900 more Japa books. I had faith that I will distribute but only 5,000 books we received after they were completely written. As getting completed Japa books is not in my hands I prayed Lord very seriously. I begged him to help me. I prayed him to send me Japa books which were completed. I, in another temple in Tirumalagiri prayed him and requested to return the filled in books. Many questions like how to adore Swami, whom to invite

and what to speak on that occasion etc. appeared in my mind. Expecting answers for all the Questions, I used to get worried whether I can. I collected other books already written and can I offer 7 crores of Japa books within 7 months. This fear started, that I may be defeated, I used to get trembling. Then Swami (The Lord) as per my mental condition has shown me a beautiful Divine Action (Leela) as under:

16.03.2003: A dream: I saw a very big open land. There was a long wall at the end of it. There was a stage with 2 feet height and 30' X 20' size. In the middle of this stage, there was a door in the middle of wall with two wings. If anybody goes out. He has to go thro' this door only that means at the back of wall also there was a big ground (30' X 20'). Nobody can go out if this door is closed.

I was on the stage in between doors, holding both the wings of door. Just in front of me at about 100 feet away, there were nearly 300 people. Probably by that time itself I might have committed some mistake in 'His' case. The people stood before the stage were totally annoyed with me. They would like to beat me, some of them were holding wooden riffles and some after looking at me started pelting stones, tomatoes even shooting me with riffles. Though I had no fear that I may die because of bullets but I was afraid of Bullet's wounds. I with fear, started shouting. "You see, Don't beat me. Don't hurt me. I trusted Lord. It doesn't look nice. My language was in Telangana slang. I was shutting the doors half so that the stones do not hit me. I was protecting myself from stones. Though they were not hitting me, but I understood that this mob got annoyed and it wanted firmly to punish me by any way. Meanwhile one person was approaching me secretly by hiding himself. I noticed it and I went inside and shut the doors with fear. Then I understood that those doors were doors of my house only situated in Chinnagunda village. I shut the doors and bolted lightly. But later, I felt that it was not safe. Immediately I brought a widen log which was in the wall behind doors (It was of course, wooden

log of our house only). As it was very strong and hard, I thought that they won't come inside the room. Then I laid down on the cot on which cloths were spread. I took a long breath. This was the dream.

I had no trust on Lord. I had this dream just to say that you must trust me totally. I offered hundreds of crores of salutations to him. I felt ashamed for not having complete trust on him. I decided to trust him totally.

05.04.2003: Only 11,000 Japa books were received till today even then because of earlier divine action, this time I did not feel. Now I have taken two important decisions:

1. Providing fortune of service to devotees:

(1) What all the Japa books we receive till last date, we have to dedicate them only thinking that they

are 07 crores of Japa books. But in Tirupathi, to entire Japas for both what we received or not received, we have to pray for all together and offer them to Lord.

(2) I framed some Rules to devotees at the beginning of 7 crores of Japa books and especially to practitioners (sadhakas) in ensuing second time offering.

Every devotee, who wishes to serve the Lord, was also asked by me to pledge as I pledged “to distribute Japa books as much as he can”. There is no time limit also. It is upto them to decide the years. Thus I firmly decided to extend this to others also how I am doing service of Lord and to extend this to others also who are interested. Likewise I tried a lot to see that all should be blessed by God and get his mercy.

ACCEPTING ME AS HIS SERVANT

In this way, I distressed any like to have a Darshan of Lord, serve him and everyone also should get blessed. Probably Lord Sree Venkateswara observed my anguish. He thought of blessing me. This is more precious in many faultless pearls what God gave me. Even one in crores or Even Kings and Emperors do not get such fortune. Only with this mercy, my life became meaningful. I felt that there is no other fortunate person other than me in this entire creation. You can understand the greatness of this fortune since I was blessed with another Divine Act.

The Divine Act was as under:-

I was on South India Tour from 25.04.2003 to 11.05.2003 with my friends and family. We were visiting Kerala, Kanyakumari, Suchindram, Rameswaram, Madurai, Trichi, Srirangam, Kumbhakonam, Navagrahas etc. On 07.05.2003, I had a dream in which Lord has shown his Mohini form.

Date 07.05.2003 A Dream: It was a village where there was a “Stone bench” [where the Village elders meet in council (Rachha Banda)]. It is a convention (custom) that almost every decision used to be taken here only. At least 10 persons always sit

there only. Even today, there are approximately 10 villagers are sitting and discussing something. I too was one among them. It happened to be my village only. Meanwhile a beautiful young lady was seen descending from sky stylishly.

The complexion of her Body was in gold colour. She appeared as a divine spinster whose colour was neither totally gold nor bright white. It was the combination of both very beautifully. Her height was nearly 5’-8” and her physique was quite perfect. She was in yellow colour sarry and with green colour blouse. She is getting down from sky in various postures and gestures. Her aim was to entertain us with her postures. She it seems wanted to make us joyful. Meanwhile I heard that someone was telling that Lord is coming in the form of Mohini. All who gathered there were talking to each other’s seeing her that Lord is coming in the form of Mohini. As soon as she came down all stood up and started saluting her. They are getting suffocated or stifled. Treating her as goddess begging her to save them, where as my situation at that time was quite different.

I was quite alert when I came to know that my Lord is arriving in the form off Mohini but was silent. I, without treating her as my Goddess, started thinking that I am just his servant, not even devotee. I was in attention position and waiting for the instruction of Lord. Meanwhile, Lord who touched the Land, started walking and went directly to my home. He sat on the pial (raised platform or terrace serving as a seat in front of a house). His legs were hanging down. Including me, everyone near pial, followed Lord and came to my house. Lord sat on pial in the form of Mohini. All including me were in front entrance of our house 10 to 15 feet away from her. All were looking at Lord. Making better use of this opportunity, everyone sitting there, was trying to get blessed by Lord. But I sat quietly without making obeisance (bowing down) and caring their advice. Finally, I was going towards Lord step by step.

I could not hear their shoutings, when I put steps one by one towards Lord. Even I could not see them. My mind was totally concentrated on Lord. Then, Lord sat on pial in such a position that his Legs were moving up and down. He put his Legs down and doing like this. I approached him with just only two steps. That's all. To my surprise, I could not see Lord but his Legs only were visible. I further moved two more feet. Now I could not see even his cloth under his knees. I

witnessed only two Legs that too only lower portion of Legs. The Lord was shaking his tow golden coloured Legs up and down. He was shaking them as if he was calling me. I then approached him and sat near the feet and started pressing his Legs with my hands. One way, Lord gave me an opportunity to press his legs. Then my feeling was "you all are devotees!. Come!. Serve Lord!. Fulfill your wishes. I am the servant of Lord". A feeling appeared in my mind that pressing the legs of Lord is my duty! My dream got disturbed.

Thus Lord Sree Venkateswara blessed me with the service of pressing his Lotus feet in a wonderful way. My life came purposeful, I dedicated my another life also for this fortune. The reason why he has shown his “MOHINI” form probably was, I, though see his attractive form of Mohini, without getting attracted towards it, I must be able to attend my duty as a servant properly.

SEEING MY FATHER AS GOD

We were busy in pilgrimage in Tamilnadu. We visited a number of Siva Temples. I imagined Lord Shiva in every temple as my Lord Sree Venkateswara. I bowed, prostrated. I will be more happy when I pray – “SIVA ROOPAAYA SREE VENKATESWARAAYA NAMAHA”. We visited Nageswara Jyothirlinga and

Late Pullagurla Venkata Reddy

some other Siva temples on 07.05.2003. I saw an amazing scene today in my dream.

08.05.2003: The Dream: There is a Pooja Room. A small portion (room) in house reserved exclusively for God] in my house towards Niruthi corner in Chinnagundavalli village. There is a platform 6" height 6'x10" size in front of it. There is a one door. On it where my father used to keep his important papers, and also there He used to keep the God's photos. He used to adore them daily before Lunch. His height was 5'x1". He was lean and in black complexion. His cheeks were thin. I lost him in December 1990. But in this dream, I found him in the same place keeping his legs

towards God's Room, looking at Main door, lying one side.

The pose of my father was resembling Lord Siva whom I saw as a small boy in callendar lying one side with a look in a special angle. My father too was lying and looking at. But at that time, though he resembles my Late father, He was totally different in physical form. His height was 6.0 feet, Cheeks were fleshy and eyeballs were in big size. As he did not shave since may days the beard grown up half inch. His good physique attracted me. The movement I opened the main door and entered, I found him in that posture. Moreover he was gazing at me. Seeing him in that posture, I thought in dream itself that he was appearing as Lord Shiva only. That's all was my dream.

Lord Shiva appeared in the form of my father to me in my home. I saluted crores of times but I could not understand the meaning of this dream. I saw my Later father in the place of God. Probably, it gives a message to me that "obey your father's order as of Lord in future".

LORD INFORMED THE JAPA OFFERING DATE

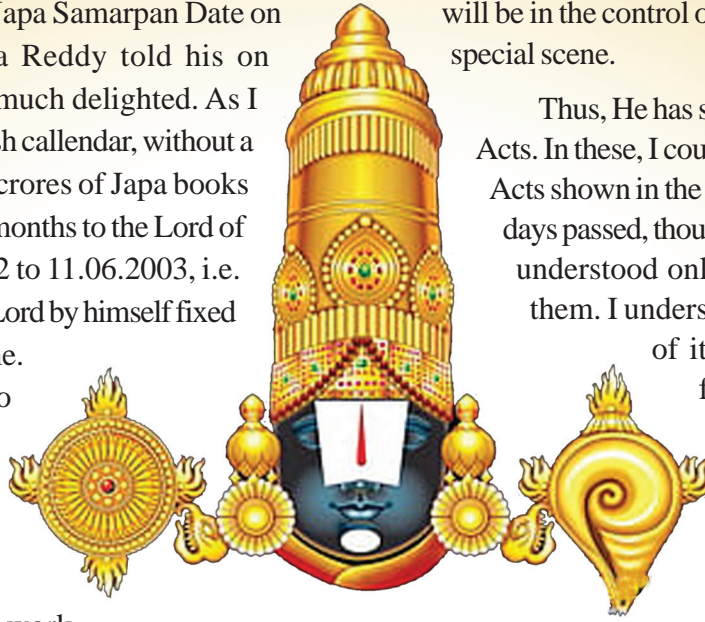

Today is a memorable and joyful day in my life. My Lord understood my inner feelings and discharged them. My Joy knew no bounds. I prayed in my mind that the offering of first 7crores JAPA to Lord should take place within 7 months and the last date of it also should be informed by Lord only to me. But, I never told it openly to him but Lord Sree Venkateswara fixed the date and informed me directly.

The Details: - Previously, I have sent 2 Japa books enclosing my resolution also to TTDEO Sriman Ajay Kallam. He observed them carefully and got delighted. Moreover, He only completed two Japa books with his own hand. Once Dr. Konda Reddy approached him on some work. Then he found those books on his table. Also Sri Konda Reddy told him about me completely. Then immediately EO told Dr.

Konda Reddy to fix the Japa Samarpan Date on 11.06.2003. Dr. Konda Reddy told his on 10.05.2003. I was very much delighted. As I wished only, as per English callendar, without a single day difference, 7 crores of Japa books offering is going on in 7 months to the Lord of 7 Hills. From 15.11.2002 to 11.06.2003, i.e. exactly 7 months that too Lord by himself fixed that date and informed me. Then my Joy knew no bounds.

Then I thought of inviting a Swamiji for that Japa samarpana occasion. At that time, a work belongs to me was going on in Gandhinagar. One day when I was returning home from my work, I saw the founder of Sri Bhashyakara Siddhanta peetham Sri Sri Ramachandra Ramanuja Jeyar Swami on the way along with his all disciples. He was begging Alms for conducting Sri Mahaa Lakshmi sacrifice (Yajnam). I, followed him and went to his hermitage which was nearby. I, after explaining, requested him to visit Tirupathi for offering 1st 7 crores of Japa offering. Swamiji readily accepted.

will be in the control of Lord. Only we view that special scene.

Thus, He has shown four types of Divine Acts. In these, I could not follow many Divine Acts shown in the form of dreams. But as the days passed, though eligibility grown up, but understood only a few. It is one among them. I understood the correct meaning of it when I am writing this feeling. It is as under :

Date 03.06.2003: The Dream: I had been to a pilgrim city like Tirupathi. In fact, I am supposed to go to and attend some

work; but I stayed in my Room only. I went out in the evening. I found there a variety of buildings. Later I thought of having Darshan of Lord, it means I imagined that city is Tirupathi only; But Dr.Konda Reddy was not available there to help me in getting Darshan. So, I had difficulty to get Darshan on the same day evening.

Then, a Known Person came to me and took me saying that – ‘Follow me! I will help you to have Darshan of Lord’.

It was a ground. We entered it thro’ a Gate. There I found two Brahmins in black complexion with ‘Auspicious Marks’ on their foreheads. They were chanting Sankalpa Mantras for 5-6 devotees. One of them who was stout and in black complexion, told me that “I will get Darshan for you”. Then He poured some water in my hand and read Sankalpa. Later I gave him. Rs.100/- towards Dakshina. Then He answered “Sorry! It is not sufficient. Give some more for this short cut darshan”. He asked for more money. I gave him one more hundred Rs.100/-. Then He assured me and asked me to wait for having darshan. That’s all. This was the dream. I could not understand the meaning of it at that time.

I understood it Later as under: “Lord has provided me the service of 111 crores Japa samarpana

Taking Resolution to attain Lord:

Our Lord used to show four types of divine actions to us which are as under:

- a) **In the form of Dream:** We have to analyse the Divine Actions, which are inform of Dreams and follow the correct meaning.
- b) **Feelings of Inner heart:** The divine actions in the form of inner heart are very clearly understandable.
- c) **Feelings along with Dream:** In this form, one side the dream goes on and on the other side voice of disembodied voice to be heard or inner feelings appear.
- d) **Now fourth type of Divine Act:** This is very special. Though we are in conscious stage, but our mind

aiming to attain Lord Sree Venkateswara only. In that I was ready to offer first 7 crores of Japa. I thought that these vaishnavete Pandits only made me to chant 'Sankalpa' that "you definitely get Lord after few days". I also understood that the idea of this is it should definitely fill in the service what Lord blessed me. Lord blessed me this Divine Act with very analytically.

Japa Samarpana (offering Japa Books) of first 7 crores and Acquiring Dasa Name i.e. 'GOVINDA DASU'

The arrangements of offering of "seven crores Japa samarpana" to my Lord Tirumala Sri Sree Venkateswara are on full swing. We decided to offer this under direct supervision of Sri Sri Sri Tridanindi Sri Ramachandra Jeeyar Swami after performing sacrifice (Yajna) of Sree Venkateswara Mahaa Mantra on 14.06.2003 i.e. Saturday on full Moon Day. TTD EO Ajay Kallam is also attending. After this programme, we wanted to start seven crores Japa sankalpa second time there only. The first 7 crores Japa will be offered to the feet of Lord at Alipiri on 13.06.2003 in the

evening time. For this we got necessary permission letter also from TTD. The first 7 crore of Japa samarpana programme organized as a part of total 16 years. Programme proposed for Lord.

We offered this Japa near feet of Lord at Alipiri on Tirumala Hill at 6.30 PM on 13.06.2003. For this programme, arrangements were made by TTD in a befitting manner. The PAADAALA MANDAPAM was decorated with flowers very attractively. Their staff only played key role in this programme. Dr. Konda Reddy has taken special care for this. We, then gave holy bath to the feet of Lord and adored. While linking with Sree Venkateswara Maha Mantra, we did Vishnu Sahastra Nama Parayana. Later, we requested Lord to accept 7 crores of Japa books and bless every devotee who ever write Japa. Finally we gave Haarathi and surprisingly there was heavy down pour for 30 mts. Continuously there.

Date 14.06.2003: Sree Venkateswara Mahaa Mantra Homam and Puja (worship) started at 8.00 AM

in TD Dairy form in Tirupathi. This entire programme was conducted in the direct aegis of Sri Sri Sri Ramachandra Jeeyar. Sriman Yateendra Ramanacharya has organized sacrifice (Yajna). Both Puja and Yajnam were conducted very systematically and to the entire satisfaction of all. TTD co-operated well in this regard. The devotees attended Sri Vishnu Sahara Nama Parayanam connecting it with Sree Venkateswara Mahaamantram. The entire Yajnam and worship were organized well. I felt that the Lord is blessing me. The EO TTD Sri Ajay Kallam attended this programme at 11.50 AM in the same dress after completing ABHISHEKAM since 3 days to Tirumala Lord, attended our programme. While coming, He brought 3 written books along with him. Later Jeeyar Swamiji also came who took poornaahuthi plate into his hands and made us to touch it. Later, He sprinkled the holy water on Japa Books. Afterwards, I gave all the 'books' to EO who in turn handed over to Swamiji. Swamiji put them all in the Pillar (Sthupa) of Sree Venkateswara Mahaa Mantra' – we all including all devotees, put 'books' in it.

On account of Adoration, as desired by me, every devotee including EO did special prayer and requested God very humbly to bless one and all and fulfill their wishes.

Afterwards, a Meeting was held in front of Sri Krishna Temple situated nearby. Dr.Konda Reddy, EO Sri Ajay Kallam and Sri Sri Sri Tridandi Sri Rama Chandra Jeeyar addressed the gathering and gave their invaluable message. All appreciated and honored me with shawl. Sri Sri Sri Jeeyar, in his Pravachanam changed my name as 'GOVINDA DASU' requested all to address me with that name. He also said that Name of God is greater than God and Sai Reddy, who is making all to write it is much appreciable. Then, Devasthanam staff distributed Prasadam to all devotees.

After addressing the Sabha, as a second time, Swamiji, EO Sriman Ajay Kallam, and a few officials started Japa of 7 crores. Then we distributed books to every devotee.

Even here also, Lord Sree Venkateswara had shown his Divine Action. We put all books approximately in 6'x5" size heap and worshipped. On this occasion, Lord kept his Lotus feet on this whole heap and stood in huge form. I could see only his two feet and the edge of his cloth (Dhovathi) covering them both. I had an illusion that a huge form equivalent to this was in space. In this way, I very happily adored his feet. Besides, I had a feeling that the main form (idol) itself stood before me when the Japa books were kept on 'Paadala Mandapam' and they are being worshipped. I got more excitement and more delighted. Like this the offering of first 7 crores programme went on well in pleasant atmosphere. Besides Lord Sree Venkateswara blessed and introduced me with the name "Govind Dasu, a name of the servant. All this was covered in every News paper in Tirupathi next day morning.

Later, I went to Tirumala i.e. on 15.06.2003 and had Darshan of Lord I prayed to accept my service and pardon me for my mistake if any. As suggested by TTD officials, this offering programme was fixed on Gokulashtami every year. we got enough time to prepare the chariot of 'Namo Venkatesaya' – after 15 months gap for second Japa offering. Again, we have taken up the Book Distribution programme second time in Hyderabad from Sravana Nakshatra from 18.06.2003 in Hyderabad. This time, the Devotees, were being encouraged to take up the Resolutions as much as they can do. The service of Lord will be continued.

AN ANALYSIS:

The Lord is blessing us in a special procedure. Whatever he blessed, It came to reality in the future. After blessing me with his invaluable service to his feet, He made the entire world to know my new name as 'Govinda Dasu'. Probably with this Divine Action only.

At the time of offering 7 crores of Japa to Lord, it has become a practice in TTD to issue a proceedings. Along with this, the feet of Lord were also given to me. It has become a habit to give his feet in the dream as if saying to me that “you can do whatever you want to do. Similarly, He gave me an idea to attain him. So “I obtain definitely and arrange Harinama Kshetra” such confidence was given by him to me.

MY CONDITION: The decision to arrange ‘Namo Venkatesaya’ chariot was taken by me. Also a Trust by name “Sree Venkateswara seva samithi” was also constituted. I was told by Lord to have total trust on him. I extended the service of Lord by giving

resolutions to Devotees alike me. He accepted me as his ‘Feet Servant’ and also my decision of attaining Lord. I got the name as “Govinda Dasu”.

BLESSINGS OF BHAGAVATAS:

These Divine Actions are being published as instructed by Lord Sri Venkateswara Tirumala only just to get your blessings and also to make you a part of the decision of Swami at least. So, I request one and all to chant the Name of Lord without the disparities of Caste, Colour and Creed and bless me so that my decision is fulfilled.
