# DIVINE DIRECTION OF TIRUMALA SRI VENKATESWARA

English Version  
PART 11

The Serial of Divine Actions of Lord Tirumala Sri Venkateswara in order to establish his "HARINAAMA KSHETRA" in Telangana alike another TIRUPATHI.

- Govinda Dasu (Pullagurla Sai Reddy)

**Direction:** Lord Tirumala Sri Venkateswara decided to arrange his "HARINAAMA KSHETRA" near our Garden well in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the replica of Tirumala Temple upto two compound walls (Silver Door). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting the training from April 2000, thro' his dreams, He disclosed the actual matter in April 2022. In addition to this, He ordered me to get the divine feelings published which were blessed by him in order to make

the devotees as partners in this programme from April 2023. The publishing of present part-11 is as a part of it only (February 2004-March 2004).

The works of "Namo Venkatesaaya" Chariot are going on very nicely by the grace of Tirumala Sree Venkateswara. As a part of Divine act of Lord, Sri Sateesh Nayak, owner of Petrol Bunk near SVS. Which is on the way to office from my residence. He donated two shops to us at free of cost. This place, which is in between our Residence and office is very much convenient for taking care of Chariot works every day. Lord Sree Venkateswara extended his helping hand in every step of making this chariot. I am presenting here some Divine Actions shown by Lord pertaining to Chariot.

## DIVINE ACTIONS OF LORD IN PREPARING CHARIOT OF NAMO VENKATESAAYA

I thought of using small small chits (papers) after writing "Mahamantra" of Swami on them in Chariot. One day an idea struck into my mind to name these paper chits as "SAMARPAN KRATU". A good feeling also appeared pertaining to dedication system of it. According to this, every devotee will be provided this 'Kratu' (paper). The Devotee, who every receives this, wishes his demand in his mind itself and then writes the Mahamantra of Lord on this KRATU (Book). Later, with total dedication, once again after saluting Lord,

expressing his unflinching devotion, offers in the Sankus (conches). Along with this system, I wished to address our people, moving with chariot as 'Servants of Lord and to provide yellow colour dress code to them.

We are constructing a model of Sree Venkateswara Divya Mahaamantra Sthupa already constructed at Tirupathi beautifully. The four sides of it must be same in every aspect and Lord should be in every side. Sriman Selva Kumar suggested that both Conche and Disc (Sankh and Chakra) should be arranged at every side so as to enable Devotees to put Mahamantra conveniently. I had a doubt can we arrange the Chakra for this purpose. I, then at once prayed Lord to guide me. Then Lord made me to view a beautiful dream as under :-

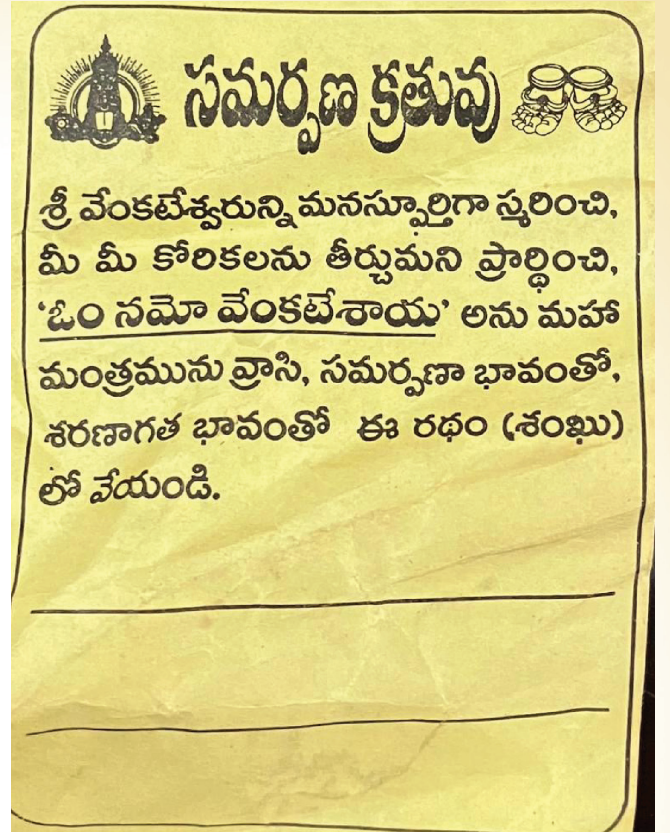

### SHOWING A DECORATED CONCHE SHELL

**Date: 29.02.2004:** I have witnessed a Conche in my dream which was decorated with pearls nicely. All the pearls were shining brightly. They were all in two rows. These pearl garlands were in Conchs and were hanging from both ends towards down. That's all. My dream got disturbed. I informed this to my wife Surekha next day. She also has informed me that she has noticed a Conche hanging on the ear of Sriman Upendra Rao ear with pearls. Finally we decided to use Conches on either side of Chariot of Namu Venkatesaya decorated with pearls. It is also decided to arrange and fix some lids on Conches so that we can put Samarpana Kratus in them. One way it resembles Post Box.

Later, I started thinking how to take Chariot upto Tirupathi. I was in this dilemma (Ambiguity) whether to fix it on a Lorry and or to a Tralley. I saw a stationary water trolley in front of my Apartment which attracted me a lot. Immediately I wished to take it as a model and prepare my Chariot. I found another type of dream today.

### Showing a Tralley

**Date 20-03-07:** I viewed two Iron Rods in a 'Y' shape jointly arranged in a trolley of 7' X 7' size

front side in a dream today night. I thought Lord ordered me to follow it. If it is arranged like this, one can see from front side also. We also decided to adore or break coconuts from front side only.

Thus, My Lord directed me in every step of making work of Chariot very nicely. One way, I was only an instrument. He just provided me with a golden opportunity to serve him. For this, I offer crores of salutations to my Lord.

**Land Dispute:** The Land dispute pertaining to my Miapur Land became serious. These wretched people telling that they will not touch my Land, but they illegally occupied the Land of my neighbor Land owner. Finally, we both made a mutual agreement. Accordingly, my neighbor Land owner agreed to pay some amount. Taking this amount, plots are to be purchased and their registration should be cancelled. Since I purchased from them, they should give in writing that they will not step into my land. Accordingly my neighbor land owners paid some amount to them.

ॐ

They with that money, purchased plots and without cancelling them, they want to take GPA and again they wish to dispose them. Moreover, they are planning to earn money again. Also, though they told me that they will not grab my land and accordingly they prepare an Agreement also, now they started threatening me. I got scared because of them. On 17.03.2004, they gave me a copy of an Agreement and assured that we can follow this. In fact, that was prepared totally in favour of them. I did not accept it. It pinched me a Lot. I did not purchase this land by cheating others. I kept it as our protected property which was only one I had. I

have great attachment to it. So, I felt sad thinking that I may loose it. These goondas are very wicked and tactful.

I suspected that they may grab my property. I prayed Lord again and again to protect it, but invain. Lord is not considering me. A Meeting took place with those wretched persons once again. They comprehended that I am all alone and with no support. They categorically said that “we will not give you any kind of NOC. You do as you wish. We will occupy your land illegally. It is ours”. I told them boldly that it is the land sold by you only. I file a cheating case against you”. It was of no use though I shouted on them. I returned home with no other option. My mind was blank. I did not betray to my Lord. Then why He is making me to suffer like this? I thought it might be the result of sins committed in my previous birth.

I prayed Lord at 7.30 PM to pardon me and save me from this mental torture. I was totally upset. I begged Lord to bless me with mental peace and happiness. I cried also for some time and surrendered to him totally. I, very obstinately, prayed to make me free from fear. Also I prayed to not to deceive me but I very clearly said, “what all you give me it should not be the remuneration for the service what all the service I did. I demand as an ordinary devotee and servant. I am getting cheated. To me nobody is there other than you. I surrender myself to you. So please protect me”. I fell on his feet and cried a lot. Finally, I said, “you are God. You can do anything and everything. Please bless me with mental peace”. I begged him again – ‘O’ Lord! I have contentment a little. Since you know more than me about this dispute, please don’t try to satisfy me with small things like small sweets i.e. chocolates. I need great pleasure. It is so much that you have to question me – ‘Are you satisfied? For which I should reply “yes. I am satisfied”. I begged very pitibly to bless me with

happiness till then. At that time my heart got melt. I bent upon my knees before him begging to bless me with happiness.

In my view, “total happiness” means solving this Land dispute forever. Though the same feeling was in my mind at that time, I just said “utmost happiness”. I said, “I am happy only when my Land issue is settled, otherwise” not; But Lord Sreevenkateswara is very intelligent. He satisfied me by using double meaning words. So much He satisfied me that I only replied by myself to his question ‘Are you happy’. ‘Yes, I am happy, I am satisfied. It is a wonderful divine action. So far no devotee got blessed in this way. I thought that, the statement – “VENKATESA SAMO DEVONA BHUTOH NA BHAVISHYATHI”. (No God was there equallent to Lord Sreevenkateswara in the past and may not be in future). I questioned myself, “Will God bless anyone with so much mercy”. The Divine Action was as under:

### **PLEASED ME SHOWING DANCE OF A LADY**

After praying with utmost humility in my office, I went home with same pain. I did not express the pain to anyone. I just slept away, chanting the name of Lord.

I woke up at 1.30 AM. I felt bad as Lord did not give me any kind of message. I turned other side and slept away. Then I dreamt a nice dream. It was one of the best dreams that ever I dreamt.

**Date 04.03.2021 – The Dream:** Lord satisfied me as I desired. He blessed me with utmost happiness and also the occasion to enjoy it. The details:

I was 43 years old in the year 2004. By that time, I was with my family i.e. wife and children. My height was 5’ and 2½’. Though My complexion was black, to my surprise I was in the young age of with good height (5’-7”) and with medium fair complexion. My face was very bright and my weight was equal to my height. In other words, both are in equal proportion. My soul was kept in a strong body of good looking person. Because of miracle of Lord Sree Venkateswara, my soul occupied the body of a new person. I was well dressed, neatly combed and very attractive to everyone. Just for one minute, I gazed at my total shape of my body as an outsider and enjoyed. Later I observed that my soul is in a stranger’s body. In a nutshell, Lord Sree Venkateswara provided me another beautiful life in which he has shown me complexion, shape, height etc

నరక

in this new life. Of course, the mind belongs to me only but I was experiencing how I am and what feelings I am getting in person. The only difference was my appearance got changed.

At that time, I was in love with a beautiful girl and wished to get her married but I never spoke to her till now. Never I expressed my love and she also appeared as if she too was loving me. She too did not talk to me. Her family known to me it seems. And even we had far relation with each others also. But, we both were in fear to inform about our love to her to family members thinking that they may misunderstand us. We both had speechless and silent love in between us which reached high level.

One day, I was passing thro' the lane in hot son where she was living. I was dam tired and became

weak with unknown pain. My fatigue was inexplicable. Then started searching a convenient place to get relaxed. I found a small road left side to the road thro' which I was passing. It was 30' width approximately where there were only 3 houses situated. The first one was unknown to me, the second one was a Dance Institute. There was a Pail in front of that institute and the third house belongs to the girl whom I was loving. It was facing towards the road. There was portico. The main door of house of that girl was closed. I observed that there was a window just by the side of the gate entry of that house of which was only opened. The residents of that house can see very clearly the by passers who ever pass thro' that road thro' that window but those persons cannot see the residents.

The adjacent house of that Girl's house was a very big Dance institute Hall of which the measurements

were 30' X 30' breadth. The Girls do dance here. There is a collapsible Gate attached to this Dance Hall. The Gate was closed. But since it is a collapsible Gate, People from outside can see the dance very clearly. There was a small pial by the side of collapsible gate. It was so small that only one can sit. This pial was in front of the house of that Girl. There was a portico before here house of which the shadow of portico at that time falls on this small pial.

When I was searching for getting relaxed, I found this small pial. I was in pain. Moreover, I was so tired that I went there and sat on that pial unintentionally. Since the gate entry of that girl was closed at that time. I thought that nobody looked at me.

An unknown pain was chasing me. I was so sad. Unable to bear the pain, I hold my head and sat down on the pial. 15 beautiful girls aged in between 19 to 22 years were dancing in that Dance Institute. I just witnessed sitting on the pial with sad face. Never the dance of these Girls couldn't give me relief from pain. It cannot make me happy. So I changed the direction of my sight and became moody.

The Lady, inside the home observed this all through the window. She very keenly noticed my sad mood, my observation of Dancing and turning face on other side without interest. She came very nearer to window started peeping to have a close look at me. I too suddenly looked at her since the window doors made noise. I had a clear picture of her when the window was fully opened but I did not care her. I turned my eyes towards ground and sat in lowliness and humility. She has observed this and thought that I am worried. She tried to come to me to console me and started peeping. Also she expected that I too will look at her. Accordingly she made some noise to draw my attention, but I did not notice her since I am in humiliation. She, after noticing this, came one step forward. She came out from her home and went to Dance Hall, just crossing me. She opened the gate of it and entered the hall. She was very beautiful and aged

about 21-22 years. She was in very fair complexion and attractive. While going to Dance Hall she welcomed me into hall. I involuntarily followed her. Meanwhile the girls, dancing till then, stopped dancing and left the place. They went away as if they deliberately gave some privacy. I just stood one side in the hall. This lady also stood in the same hall just 15 feet away from me. She was in Punjabi dress with chunni, which was tied properly so that it will not slip.

Later, she started dancing Bharatanatyam. It was really wonderful of which the aim was only to please me. Before that, I saw 15 ladies of same age were dancing. Unfortunately no one's dance lured me, pleased me except this lady. She was presenting various postures in dance. Her every step appeared as if it was just only to please me. This entire dance also was only to entertain me only.

I started gazing at her slowly and enjoyed a lot. My mental agony started disappearing slowly. This lady was continuing her dance, observing me every minute how I was enjoying her dance. She was dancing to please me only. I never saw such a wonderful dance in my life. It was resembling the dance of damsel. (Mythological heavenly nymph). Her dance attracts anyone. So great it was. She was dancing without getting tired. Her aim was just to please me only. She was gazing at me in her every posture. Finally she came nearer to me and fell upon me. She has falling on my left side as if it was also a posture and lying on back by the side of me. She was bending like a Rubber doll. I just gave my left hand support to her. She affectionately looked at me opening her eyes widely. My joy knew no bounds.

Meanwhile, a miracle took place. She expressed her love towards me in her signs. I was more delighted. I unintentionally asked her – “will you marry me? She joyfully expressed her acceptance which added more joy to me. Immediately she questioned – ‘Are you happy?’ I replied at once – ‘Yes. Very happy’. Immediately she answered – “We will meet after

Wedlock Ceremony” and left. The moment when she asked – “Are you happy”?, I recollected Lord Sree Venkateswara in the dream itself. I remembered my yesterday’s prayer. Till the words came out from my mouth that “I am happy”, the desire of “satisfying me” came to my mind in dream only. That’s all, my dream got disturbed.

I was taken a back when I recollected this dream next day morning. I prayed Lord to solve my Land issue and bless me with happiness. But I never asked “this type of happiness”. No doubt, I asked him for great happiness. I, begged him to solve my problem permanently but not temporarily. But unaware of the then situation and Language and unable to get the proper words, I also prayed to bless me with great happiness till I say “enough, enough”. At that time, “enough! I am pleased” means, “the problem is fully solved”. But at that time, I found only such words, I uttered as above though I had some other feeling in my mind. But surprisingly Lord Sree Venkateswara provided double meaning to my wish and fulfilled my desire in a different way. I told my wife about the dream next day morning.

Since I was with family i.e. wife and children, He fulfilled my desire by giving me another life to lead a righteous life. One gets complete satisfaction only once in his full life. Sree Venkateswara provided me all the four incidents at a time i.e. a lady who liked from bottom of her heart, when she accepted to marry me, when I touched and I looked at her. Also, He made a proverb i.e. “VENKATESASAMO DEVONA BHUTOH NA BHAVISHYATHI” a fact. Is it true that the Super Soul loves a devotee so much? What can I offer to Lord for this?

I could not follow the meaning of this dream in a proper way on that day. I thought that Sree Venkateswara loves me so much That’s why He has shown me like that; But the real meaning was as under. I will not protect your property but I will satisfy you till you are totally pleased”. What can I give to my Lord for this great fortune, blessed by him?

The next day, I got a phone call from the Mediator. As I expected, He said “**He will make an agreement stating that He will not enter into my Land**”. At that time I was very much delighted. I overwhelmed with joy thinking that Lord is listening to my every word and he is extending his co-operation to me.

This Mediator gave an agreement stating that He did not dispose any type of plot in my Land and the entire Land belongs to me; But He said “The Govt. Land, existing toward North-South side of this Land, will be disposed again after making plots with the same documents”. He requested me to not to reveal anybody that, that was the Land of Govt. I was pleased with his assurance that he will not occupy my Land. But I did not guess even in my wild dreams that the real dispute starts then only, and the quarrel which was only in the form of words till now, will take the shape of actions and situation turns from bad to worst. I could not follow the Divine Actions of Sree Venkateswara. Now, Sree Venkateswara blessed my wife Surekha in the dispute of property. It was as under:-

### **ANXIOUSNESS OF LORD**

I had no peace of mind on account of Land disputes, Agreements, Conditions etc., since few days. I was scared. We did not approach any other God other than Lord Sree Venkateswara to solve these problems. We totally surrendered to him with no other option. Lord also was paying attention on our prayer and creates a feeling in us that he is more anxious to help more than we expect. He satisfied us by creating a feelings that “I am very much eager to see you”. In those days, we used to stay in 4<sup>th</sup> floor of an apartment situated in Durgabai Deshmukh Colony. Surekha used to go for morning strolling to Osmania University.

**Divine Action :** One day Surekha started to go for morning walking and got down from apartment at 5.40 am. She opened the gate and was about to go outside the Apartment. Meanwhile, she all of a sudden experienced that something ‘illusion’ influenced and

affected her. Immediately she went into 'Trance'. She felt something is happening to her, so she stayed back there only.

An Invisible Power took her to Tirumala in no time. She described the dream later that she was entering the temple directly thro' Mahaa Dwaram. In hurry, She was following "Q" very fast. She had a strong desire to have Darshan of Lord, since we are in fear. But, on account of heavy rush, she could not move fast in the Que. Slowly she crossed that Golden Threshold of Lord and approached Manimaya Mandapam, means upto the holy place where "Garuda" and "Jayavijayaas" were are existing.

Surekha stepped towards up side to reach that place. Lo, a wonder took place which was unbelievable to her. Her Joy knew no bounds. Actually Lord of Tirumala Sree Venkateswara exists inside the Anandanilayam always. After crossing Jaya Vijayaas (Security Gaurds) one has to go to 'Mayda' ("house" without more than one floor or storey) and cross two more portions (Aras) to have the darshan of Lord; But only this time, Lord came out from inside. He, it seems came to jaya Vijayaas and stood by the side of "huge bells". The idea of Lord to come out side was not to give more strain and stress to Surekha and avoid the delay also. Then she may make better use of this opportunity and have his darshan to her utmost satisfaction. Later this illusion like dream got disturbed. It means it became normal; But thinking that some abnormality took place, she stopped her Morning walk and returned back to home. I saluted Lord Sree Venkateswara after knowing this incident many a time. I was glad to make my wife to be surmounted or got over. Later I explained the inner meaning of this dream as for as my knowledge gone. I said – "Nothing to get scarred. We are in anguish for him". It is nothing but his blessing to get us surmounted. To give us relief from that anguish Lord himself came us. It is an evidence for the mercy that he is showing on us. A strong faith developed in my mind that our problem will be solved positively at the earliest.

My wife vowed to offer her Diamond Tops to Lord previously when the land dispute started. The dispute, in recent times became complicated. Again she vowed that she will offer everything (Niluvu Dopidi = a type of offering in which everything on o's person is taken off and offered to the deity) to Lord.

I, after knowing this, gave a few sound advices. I told her that it is not good to offer after the problem is solved but whatever we would like to offer, must be offered before the wish is fulfilled and pray him. In other words, instead of waiting until our Land dispute is solved let us offer to him immediately. Afterwards it is left to his will and pleasure. "Ball will be in his court". In addition to this, I prayed to bless me with a good house construction land and in turn offer an amount of Rs. 1,116/- due to you. Our total family prepared mentally to leave for Tirupathi in order to offer these three vows.

My self, my wife and two children reached Tirumala on 2004-03-25. Today we viewed Lord, we are in problems. Moreover, since we did not see Lord since many days, my eyes became tearful. The tears started rolling on my cheeks. Then I saw Lord and got enthralled even the grief burst forth. I implored that "we belong to you and protect us". I only offered the Diamond tops of my wife along with Rs.1,116/- in Hundi. My wife donated her sacred thread (Mangal Sutra) and golden chain in Hundi we totally placed the responsibility of protecting us on Lord. We prayed him soulfully. After tying TAALI (Mangal Sutra – sacred thread with a small gold locket attached) to a turmeric thread, I tied it around the neck of my wife. This offering took place in extreme wretchedness. We prayed in humility that we totally belong to him, we are very weak and surrounded by serious problems. we totally submitted three issues: 1) The chariot of Namo Venkatesaya should be prepared very fast and also very beautifully. 2) Our Land Dispute should be settled. 3) A plot, suitable for house construction should be bestowed. We prayed on 26.05.03 i.e. on Friday morning we once

again had the darshan of Swami's "Naja Padas" (original feet). After performing special kalyanam we once again had the darshan of Lord.

At the end of the day, we reached Tirupathi Railway Station to go to Hyderabad. We were waiting for the train Naraayanaadri. Meanwhile my wife got a doubt. She asked me with suspicion that "Has Lord accepted our offerings"? I replied "Yes. Why not? We offered with extreme devotion. So, we will accept them definitely". In the meantime, Narayanadri Train arrived. It started when we boarded it. Unintentionally my eyes turned towards TV arranged in Railway Station. Then I was taken aback, to witness a wonderful scene there. Sri Venkateswara Divya Maha Mantra Sthupa programme is being telecasted. Moreover, there I found myself only offering Japa in that Sthupa (Pillar). Then, I immediately drawn the attention of my family members on it. All of us had witnessed it. By that time itself, the train started moving. So we witnessed the scene in various TVs arranged in station in different places to some extent. We saw, after myself my wife was dropping Japas followed by droppings by Devotees. They were also circumambulating around it. Later the train crossed Renigunta Junction also. Then once again my wife expressed another doubt. "It would be very nice if Lord accepts our humble "offerings".

I said – "He will accept definitely". She said – "Better He would accept them". Like this, we repeated our statements two - three times. Meanwhile my body became heavy and sound sleep engulfed me. It was probably 8.00 or 7.50 PM. Lord had blessed us in this way.

## LORD ACCEPTED OUR GIFTS

**Date 26.03.04: The Dream:** I had a dream in that sound sleep. I found myself moving in a Queue towards Lord's Sanctum Sanctorum in the middle of all devotees to have his darshan. I looked at him as if Nija Paada darshan (original feet) after holy bath of Lord on Friday. I like to see his lotus feet very much. So, he has shown me that divine form. Meanwhile I got disturbed. I woke up again. The weight of my body got decreased. It means, "Lord has accepted our gifts". Later, a confidence developed in us that He will definitely fulfill our wishes.

### My condition:

Lord gave a very good suggestion in preparing the Namu Venkatesaaya Chariot. He assured me that He will make me pleased till I get satisfied in life. He said He is only more anxious and worried with regard to our problems. He blessed Surekha and created a feeling that he will definitely accept our Vows and fulfill our desires.

## BLESSINGS OF BHAGAVATAS:

These Divine Actions are being published as instructed by Lord Sree Venkateswara of Tirumala only just to get your blessings and also to make you a part of the decision of Swami at least. So, I request one and all to chant the Name of Lord without the disparities of Caste, Colour and Creed and bless me so that my decision will be fulfilled.
