English Version
PART 12

The Serial of Divine Actions of Lord Tirumala Sri Venkateswara in order to establish his "HARINAAMA KSHETRA" in Telangana alike another TIRUPATHI.

Servant of Sri Venkateswara

- Govinda Dasu (Pullagurla Sai Reddy)

Direction: Lord Tirumala Sri Venkateswara decided to arrange his "HARINAAMA KSHETRA" near our "Gardenwell" in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the replica of Tirumala Temple upto two compound walls (Silver Doors). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting the training from April 2000, thro' his dreams, He disclosed the actual matter in April 2022. In addition to this, He ordered me to get

the divine feelings published which were blessed by him in order to make the devotees as partners in this programme from April 2023. The publishing of present part-12 is as the part of it only (April 2004-August 2004).

SHOWING LAND FOR HOUSE

God only provides a house for the Parents, Family members and Relatives of every creature. It is essential for every human being a home to live there in since he spends most of his time in home only. The more it is comfortable, the more He will be happy. Though God only provides home to every person, 'He', provided it in a "Special Procedure" to me. He has shown me a land where I would construct a house before seven months. I thought it was an irrelevant divine action since I was lacking capability to understand it. It was as under:

This Divine action (Leela) was shown in between November-December 2003. I did not write it in my Diary with a great doubt whether it is true or false. It is still there in my mind. But a faith, that nothing will take place without HIS (God's) will and pleasure, makes me more stronger. Moreover a belief appears in my mind that what all I witnessed in my dream, will become real as the time rolls on. That is the reason, why I mentioned this on 27.04.2004?

About Home: Though I am in Business field of Real Estate as a Builder, I have no own house in

Hyderabad till date. I am staying in a flat belongs to my relations, who reside in U.S. It becomes inconvenient to us whenever they visit India. Moreover, for some reason, my wife had a strong desire to possess our own residence. I am also being pressed in this regard; Now I am aged about 44 years, but homeless. So, a desire appeared in my mind to construct a beautiful house. Accordingly, we searched for a beautiful Land for constructing a home. But, of late, there is a great hike in the rate of Land in Hyderabad. We cannot afford to buy Land in good colonies. We have our own office in Vidyanagar where Sree Venkateswara Maha Mantra Peetham was also existing. So, I thought to continue my office in the same locality and have a residence nearer to it. Also I had a desire to have good neighbours, but how it will be fulfilled? I started thinking accordingly it should be as per my financial condition and nearer to my office. It is also essential to have enough space to keep my 'NAMO VENKATESAAYA' chariot there. I prayed Lord to provide me a house suitable to my needs. I also requested God just to provide me a plot only so that I can construct a home, suitable to my needs. We searched very seriously for a plot. Some plots we did not like and some were not suitable to my financial condition. Finally, I got tired. Today I decided anyhow, I have to fulfill my wish by hook or crook. I started praying him from 6.30 PM. I prayed for 45 mts. continuously. 'O' Lord! Sree Venkateswara! I am neither greedy nor my desire is irrelevant. Every person needs a Shelter. I am now 44 years old. So far, I have no shelter to live therein". I prayed to bless me with a home where I can live peacefully with my family members. 'O' God! I am your servant. The Servant asks Master only to fulfill his desires. I finally, prayed in the same way as a kid demands for a Lollipop again and again. Thus, I prayed totally for 45 mts., from bottom of my heart pitifully. I said – "O Lord! Sree Venkateswara! You are God! You can do anything and everything. "Please provide me a home by tomorrow". The tears started rolling on my cheeks. I never give up your feet until my wish is fulfilled. I don't know why my

zeal has doubled. Then, in no time a feeling appeared in my mind that I will not quite this place unless you fulfill my wish. I requested to provide me with a home if He loves me. A feeling struck in my mind that "Is it necessary to Lord to give up the Law of creation"? Then I immediately went back. I finally said – 'As you cannot provide me a home by tomorrow. Please show me the plot atleast where I can construct a home because I want to satisfy myself. I desired it since I can purchase it quickly. I prayed for showing it today night.

Dream: I got a dream that night as expected. I saw nothing in that dream i.e., No cities, No houses and No human beings were found including Roads and Plots. Only I found a forest area which was totally undeveloped and filled with Trees and Plants. All of them were in a row. The height of trees in some places were 30 to 40 feet. It was very comfortable for Sheep and Goats for grazing. There was a footpath also of where a number of trees grown up along with it. I felt when I was going thro' them as if they were also running. Finally I witnessed a special place where very big plants were grown up. The leaves of those are dropping water drops one after another. A branch of a tree was falling on the ground and was shaking slowly as a result of which water drops were falling on the ground. I felt as if this is only the plot shown to me. That's all. My dream got disturbed.

I started analyzing this dream next day morning. Is this the land where I am going to reside? Is this situated in Hyderabad or elsewhere? Am I constructing a house here only? Probably I may construct a house here in my old age or even I don't know whether this dream I got co-incidently. I thought God replied me in the same angle since I troubled Lord Yesterday. So, I did not write this with some confusion.

After few days, when I was searching for suitable place in areas alike Boinpally, Synikpuri, Alwal, Banjara Hills etc., I visited particularly those places where there were any trees and plants. Once, one Mr. Upender Rao, visited my house on whom Lord influences. I told

him about this. Then He said – “It was true that Lord has shown that place. He advised me to offer Rs.1,116/- to Lord if I want that plot. Accordingly, I donated that amount to Lord on 25.03.2004 in Tirupathi.

I saw a plot in Habsiguda on 20.03.2004 which was liked by me. I examined the same plot in the month of April 2004 very keenly. Since it was towards North 350-450 yards. I thought of not taking it thinking that 250 yards may go waste; But Lord has shown this divine action as if He indicated me to take it.

Dream: I was standing in a house. There were two open plots of others adjacent to it which were long in both North and South sides. A couple came from a 15’ road having “Lane affect” (Veedhipotu). They were in white robes. The Male in that pair was little short

having pious mark (Namam) on his forehead. He was holding a box. His wife, who was in proper height and less black complexion compared to him, in black saree, came behind him.

He, while standing outside of that plot, asked me ‘would you like to dispose this plot?’ I said – ‘I don’t know’ – My dream got disturbed. I went to Habsiguda on a personal work. Unexpectedly, with the involvement of Mediator, I visited this plot again. I talked to the persons concerned of that plot. Then I realized that this plot in Vayavya side is with “15 feet lane affect” I returned back as I failed in bargaining. Later, I talked to plot owner and bargained once again on 26.04.04 for the same rate what I expressed earlier. This was 755 yards and 250 yards of which was crooked. Finally, I thought of purchasing this.

Thus I was planning to purchase a plot soon and to construct a house there. Even I had a plan to take Housing Loan also. Then Lord has blessed me with following divine action:

Date: 28.04.04 : I visited a Housing Finance Company Officially. I was newly appointed at that time. I was sitting on a chair was directed. They already know that I am having vast and good experience in this field. Meanwhile, some one handed over a file to me. They asked me to clear it immediately as it was kept in pending since long time. I, after referring that file, have shown my name i.e., P. Sai Reddy, 9848157932, address, including my cell number. I, it seems, applied for housing loan before I joined the company, for some or other reason, it was kept in abeyance. Now it is going to be cleared. It is a dream. In other words, the time to construct the house is approaching. I did not purchase the plot till date and started praying Lord to bless me with a plot seriously.

Land issue:

On the other hand, the problem of my land became more serious and problematic. The Anti social elements troubling me any like. Firstly they said they make plots in Govt. land and leave my land. Since no one came forward to purchase it as it belongs to Government, they were trying seriously to enter into my own plot, keeping their boards and arranging fencings. As I was struggling with this land issue, I could not write many feelings of Lord from 01.05.2004 to 25.06.2004 which I experienced. Especially I failed to understand the meaning of many feelings which I got recently; but after getting some eligibility I understood which were as under:

There was a well called POLKAM BAAVI in our village which belongs to us. The Villagers used to take bath daily in the morning near this well. It was convenient even to children also. During Rainy seasons, it gets filled in with water and comes to the water level of our neighbours field.

Dream of 06.05.2004: I witnessed our Polkam well in this dream filled with water. There is a power (current) room on its grass. I found a big stone by the side of this room. I, along with our village elders, was standing there. I was telling those people that the Sivalinga should be erected on that stone only and hitting it spontaneously & slowly with my palm. My idea behind this suggestion was the Road Users can have a look if it is arranged here. That's all. My dream got disturbed. I woke up but I failed to follow the inner meaning of it.

WASTING MONEY

Land Issue: Those Illegal and Anti Social Elements disposed the plots of Miyapur Land earlier only. Again purchasing same for lower prices, they started threatening us saying that Land belongs to them. An idea struck in my mind to purchase those plots. I, though an agreement was made in between those wicked persons and owners of Land wished to purchase them thro' me.

Dream on 08.05.2004: One Mr. Babu Rao (A known person), once got information that, a plot for which he already made agreement, was already disposed to some others, though He knows that the Sale Deed was sold to two more people. Then I tried to purchase from him on the advice of our Advocate. That's all. There ended my dream. After making the Agreement with old date, I arranged validation of it. I purchased such plots and thus spent money unnecessarily. In other words, I wasted money.

Shown that this land issue will become serious and suggested the procedures and "Do"s and Don'ts also for the procession of chariot:

Those Anti social elements and illegal persons told me categorically that they will dispose the plots in the land of Government leaving my plot: But no one came forward to purchase it. Those wicked and bad people tried to come to my land again. Observing this, I filed a suit in Court against them. The Court ordered for "status quo". Even they also field a case against me

in a small court. Even they were also asked to follow status quo. We do not know about each other's order; but Lord Sree Venkateswara has shown two dreams while suggesting me to go ahead boldly but problems may be cropped up in the days to come. One dream is related to Land issue and the other one is related to Chariot.

Date 11.05.2004 Dream: In this dream, I saw myself in my own village Chinnagundavalli. I went to our Garden well by foot. After spending some time near the well, I was coming thro' short cut way land of Golla Rajaiah. In fact, this land is kushki land, but it appeared as a Tari field. I found there was 6" deep water. I am staying in Hyderabad, of late. I thought that this field was prepared for Paddy Planting. I am staying in Hyderabad recently. I thought that this field was made TARI FIELD. Thinking that there is little water, I stepped into it and walked for four-five steps. Meanwhile a big

flow of water reached me, going right side from left side. The water came more than knee deep level. After noticing the dangerous situation, I returned back to my original place. A big water flow was flowing before me. The flow increased with in short period. It was resembling the water flow which flows when a tank over flows. I, with a smile, started thinking how to escape from this situation. Meanwhile a white Ambassador Car, came from my back side started parallelly to the bank with full confidence thro' that flood water. A feeling, on seeing it appeared in my mind that Go ahead like this Car. Don't get panic. Nothing will happen". Later the dream got disturbed. It was the first dream of this day.

The Second dream of Today:

A procession of Devotees of Goddess was going on. 50-60 devotees, wearing yellow coloured shirts and trousers, with a cella are in that procession. I was told

that they belong to a group of particular organization. All are very enthusiastic and following a new chariot. I approached them and said that my divine chariot of Lord Sree Venkateswara will be more beautiful. I just peeped into their chariot. But to my surprise, I did not find goddess there, But I witnessed an umbrella and a spring on foot rest only which were kept ready to install Goddess. Then My Dream got disturbed.

The inner meaning of my first dream was “you may face very big problems in future but you don’t get scarred and go ahead with no fear. The problems will not touch you. If you go ahead without getting afraid then you will be succeeded in your attempts”. Myself and my wife thought that we may face some big problem within a couple of days.

Inner Meaning of Second Dream: Lord Sree Venkateswara created a feeling in our minds that the devotees (Persons) who accompany the chariot have to wear yellow colour dress and also they should bear a badge – ‘Servant of Sri Venkateswara Mahaa Mantra Peetham’ and should always be active and enthusiastic. Thus He suggested a few procedures for conducting procession.

Land Issue: As expected, those Anti-Social Elements and Illegal persons occupied my land on 16.05.2004. Approximately 60-70 persons cut 550 Teak plants which were grown up in my plot upto 30 feet. Those cut plants and trees were shifted to other places by their Tractors. They poured Acid near the roots of Teak trees so that they will not be grown again. I was out of station that day. I contacted police on hearing this news. But they did not respond me. Finally, I made one of my office staff to file a complaint in a nearby police station. They were so tactful and smart that they, showing the trees cut area, occupied one acre, Land and arranged fencing. It was painful a lot. They made us panic. Also on that day, they arrested our watchman in his room. They torched him a lot. That day the police came and completed panchnama and also filed a case against them.

This unprecedented and unexpected incident shook me any like. I kept my land with Swami safely, but He did not protect it. This incident lessened my trust on Sree Venkateswara. Even I started disbelieving the divine actions of him. I, even abused him that ‘It’s all happened so serious because of you only. I did not contact them on account of trust on you. Those wicked persons were ready to take at least some amount from me what they demanded, But, I with total trust on you paid a deaf ear to them. Now the matter became from bad to worst”. I felt bad, thinking that Sree Venkateswara only is the reason for this entire episode.

Indicated that our residence will be in kakatiyanagar

I got hurt because of the property disputes in such situation. I got scarred also anticipating some unprecedented danger. In such situation, Lord made me to view some more dreams, about our home and the name of colony where I construct the house were two among them. Also He indicated that worships and Vedic Homam will be conducted in it. He has shown me Namu Venkatesaaya Chariot and said that highly reputed and renowned persons will honour this. I now explain about these all 4 divine actions in brief :

About Residence: I was waiting with thousand eyes to know where Lord will bless me with a plot for constructing a house. Thro’ this act, He has shown me that my residence will be in Kakateeyanagar, Hyderabad.

Dream on 15.05.2004: I viewed a very comfortable house in a god colony. Gruhapravesham (Entering Home Function) or some other function was going on in that house. There were many Priests, Brahmins, Pandits, Bhajan Singers etc. in a large number. That house, it seems, belongs to us only. I understood that the name of that colony is Kakateeyanagar. A Swamiji alike Jeeyar Swami visited and absorbed that arrangements are being done in a separate room for him. We, it seems, handed over this house to this great Monk (Yateendra) totally to adoration for two days.

I took food prepared by those priests for them only and ate it. Everybody was busy there and the entire house was noisy.

Through this dream, the Lord indicated me that I am going to construct a house in a colony by name Kakateyanagar and great personalities and Swamijis visit my house and many auspicious functions will be conducted there in.

INDICATION OF HIGH PROFILED PERSONS INTRODUCTION

Dream on 26.05.2004:

About Chariot: I viewed a very big Hall where Adoration was going on and I was in Pooja dress sitting one side. Smt. Sonia Gandhiji was sitting by my side. She was talking to me as if she knows me since long time. My wife Surekha, was sitting by her side. Meanwhile, the Priests called me. I stood up and went to them. That's all. My dream got disturbed.

Another dream I dreamt as under: 24.06.2004: A Meeting was going on. Our Ex.PM Late Shri Atal Bihari Vajpayi was talking to me closely. I saw his face from very close. I while, chitchatting, told about offering of my 7 crores of Japa to Lord Sree Venkateswara every year. I invited him to Tirupathi to my offering function of Japas (books) with a request to offer Japa books, but he did not reply.

I asked him again after some time. Then he said, 'Sorry not possible'. Therefore, my dream got disturbed. Probably, He has shown this dream to me that I will try for great personalities to attend the function and thereby I get into touch with renowned people. Only this much I understood. Another Dream I dreamt after this.

Dream: I, it seems, visited a remote village along with my family. We were searching for a suitable lodging with boarding facility. We sat on a road. Finally we visited a holy place. My dream got disturbed after this. Lord Sree Venkateswara indicated the Rules to be followed during our chariot procession that probably

we will visit some remote areas during our Nammo Venkatesaaya Chariot procession, we search for good accommodation and also we will have to stay even on footpath.

I did not allow even a single mistake being committed in making the Nammo Venkatesaaya Chariot though my mind got spoiled with many disputes in my property issue. I used to examine and observe every inch of part of the chariot during its making. I used to go 4 times daily to the working spot and observe very keenly the work. One day I got a phone call from my watchman during my inspection of chariot work that those Anti-social elements forcibly and illegally entered into my land abused me and were keeping their Board. He asked to come immediately to my plot. There were many occasions when I did not go to my plot leaving making (preparing) works of chariot 'Nammo Venkatesaaya' in the middle. I felt that Lord tested me to see that whether I prefer Chariot work or Land issue. As such, the Chariot was made wonderfully and beautifully. We made it very attractive. We planned to finish the making much earlier and take a procession from Tirupathi and arrange offering of Japas (small books)-2, It means to complete it before Gokulashtami date i.e. 07.09.2004 and take it for procession for atleast 11 days; Bus unfortunately the workers did not co-operate us. They troubled us a lot. I prayed Lord every minute again again to bless me so that I will able to complete the works of this Chariot in time and also I prayed to solve my land issue. I, in the beginning, thought many a time probably Lord is showing these divine actions (Leelas) in order to remove the despair from my mind and fill it with pleasure, But in later period, I understood its actual meaning. In these divine actions, He has shown the process and some procedures also. Also He indicated a wonderful Rule as under:

A Dream on 20.07.2004: I, in this dream, as an unknown devotee, took the Chariot of Lord in

streets. Some persons, who viewed me in the middle of 'X' roads identified me. Especially later Nedurumalli Janardhan Reddy, our Ex-CM has identified me. He took me to his residence and treated me very well. His hospitality was appreciable. After words we visited a temple together. Of course, the 'Que' there was very long. A priest with an auspicious make (Bottu) on his forehead, was keeping the SATAGOPAM on the heads of devotees and blessing them. In the underground room of that temple (alike Paathala Vinaayaka) there was a SHIVLINGA on which there was a COBRA with its opened hood. I it seems visited it long back. This time I did not go inside since there were more devotees. Just I imagined Lord and bowed my head with devotion; But I did not leave the chariot. There ends my dream.

Probably Lord Sree Venkateswara indicated me to take the procession of chariot to Roads, 'X' Roads, Temples and to the houses of known persons. Also He ordered me to conduct the procession of Chariot as an unknown devotee with no ego. He categorically said not to feel pride when great persons, renowned persons invite and respect you.

By the mercy of Lord, the works of Chariot NAMO VENKATESAAYA came to an end which were impossible earlier. A feeling that it is "only just training" you have to take up the construction works of very big project in future, appeared many a time in my mind.

THE PROCEDURES TO BE FOLLOWED AS INDICATED BY LORD TO THOSE WHO PARTICIPATE IN PROCESSION OF CHARIOT:

1) The devotees who come nearer to Chariot will have to be offered, Leaf, Flower, Fruit and Water, circumbulate, to keep head on the feet of Lord and pray. After words get the samarpan kratu (small books for writing Maha Mantra), pray for fulfilling the desires in mind itself. Then after writing the Maha Mantra, one has to offer it in the Conches arranged on Chariot with feeling of total surrendering thinking that “No other God to protect me other than you”.

2) I have to conduct this procession without ego and publicity etc., Never get overwhelmed by the appreciations of great personalities.

3) Take shelter on footpath only when you go to distant places with Chariot. Never waste a single minute

4) The persons who follow Chariot should wear yellow dress code and also should wear a badge stating that :

“He is the servant of Sri Venkateswara Maha Mantra Peetham. These rules are imposed. I too, using this chariot wanted to serve Lord to my utmost satisfaction. I wish to take the, chariot to many places so as to enable these persons to have Darshan clearly who live there. I decided to visit every devotee to possible extent who ever invited. Thro’ this, I planned to provide the service opportunity to many devotees to take that chariot in their colonies with responsibility.

We have taken a DCM Lorry for hire after preparing the Namu Venkatesaaya Chariot. We fixed a Chariot of 7X7 size on chassis behind Lorry. Also we arranged a Bhajan Mandap with 7X7 size before it. We arranged various forms of 4 Yugas of Lord in three sides before it. On the below part of chariot, also we arranged them. A priest was asked to sit front side of chariot to conduct adoration forever. Only breaking coconuts and performing worship will be done front side.

The devotees can view God from four sides. Also they can perform Adoration and Aarthi by

themselves. We arranged Pens also near feet of Lord to write Maha Mantra on KRATU (small book) we arranged a boards also on either side of chariot to receive ‘KRATU’ and to write Maha Mantra on them it and offer it in conches (Sankhs) with total devotion we arranged electric lights around the chariot, sound system, one Generator including a beautiful umbrella on chariot. Thus, the chariot was ready completely.

INAUGURATION PROGRAMME OF NAMO VENKATESAAYA IN TIRUPATHI

It had been decided to get the chariot inaugurated by the then EO TTD Sriman Ajay Kallam in front of TTD Dhyana Mandir, Tirumala on 11.08.2004. Accordingly we started on 09.08.2004 i.e. one day before only in Hyderabad and reached Tirupathi on 10.08.2004 morning. But I came to know that Security officer, Tirumala refused to permit us to take our chariot to Tirumala Hills at 2.00 PM on

10.08.2004. For this, Even EO TTD expressed his inability. He told us to arrange the programme of Chariot Inauguration in Sree Venkateswara Dairy form itself; but I felt bad because I had a strong desire to circumbulate in bus route around the temple after this chariot was inaugurated. It pinched me a lot for not getting this opportunity. I was helpless. I prayed him a lot. Both of my legs and hands were shaken. I thought I lost everything. A few days back, I was sad thinking that the chariot may not get ready in time. It resulted into rise in sugar level of my body. Finally, after finishing chariot's works when it was brought to Tirupathi, they did not allow me to take it to Tirumala. I left it to God's mercy.

I, even have approached a few known officers of TTD but invain. They too expressed their helplessness. Recently Dr.K. Haranath Reddy got appointed in the place of Dr. Konda Reddy as he retired in his post as Director. Even He too expressed his

Inability and Helplessness. Finally with only one hope, I contacted EO in his office. Even He also said "Sorry, the decision of our Security officer is final. I cannot do anything". I was sitting in opposite chair in EO's chamber. He was looking at me. There was a big photo of Lord Sree Venkateswara on the wall at the back of EO's seat. Then looking at Him and saluting Him, I talked to EO.

I requested EO to permit me since we prepared this chariot by working 9 months day and night. My eyes filled with tears. I thought of crying loudly. Finally after seeing the tears in my eyes, EO sympathically said – "Don't worry. Let me see what I can do". I asked him, when Lorries of Private Hotels are allowed, what is the problem to permit my chariot? We worked hard 9-10 months to make this chariot". I finally told him, 'Sir! Please allow me to take it in Bus Route around Lord Sree Venkateswara". He agreed

for this subject to condition that it should be taken only in Bus Route. Also He directed to organize the inaugural function near Alipiri Paadal a Mandapam. As I requested, EO agreed to attend the function at Paadaala Mandapam, Alipiri and inaugurate the chariot. He took my cell phone number to confirm his arrival. Then I saluted him and left that place.

I prayed Lord with a lot of enthusiasm as they did not allow the chariot to Tirumala. It made me as if I lost everything of mine. My entire body became strengthless. I lamented as my entire hard work went to dust.

Meanwhile, EO. TTD himself contacted me over phone and gave me two permissions. i.e. first are to take my chariot around the temple of Lord Sree Venkateswara temple and the other one is for conducting inaugural function near Alipiri Paadaala Mandapam.

He assured me that he will attended the function personally. Then I became normal. I saluted Lord hundred crore times. My wife also on hearing this, felt glad. She told me that on that day i.e. on 09.8.2004

when journey started from Hyderabad, she prayed Lord to fulfill our desire. Thus, Lord Tirumala Sree Venkateswara allowed this Chariot only upto his Lotus feet (from that day onwards it has become a practice to reach Paadaala Mandapam from Hyderabad along with Chariot).

In the morning, by 8.00 AM on 11.08.2004, we brought the chariot to Lord's Paadaala Mandapam grandly. TTD only decorated the chariot with flowers. After breaking 4 Coconuts near the four forms of God, Sriman Selva Kumar, the Architect opened the eyes of four forms of Lords at 9.30 AM. EO, TTD arrived at 11.00 AM and just uttered the words on seeing chariot "Excellent it is".

EO Sri Ajay Kallam inaugurated four faces of Gods. All the Samarpan Kratus (books) were offered in conches in four sides. Hon'ble EO felt glad. He appreciated that "it is very nice and appreciable. You are doing a great and pious task what all the great Peethadhipathi Swamiji's cannot do".

Every official of TTD visited that place, appreciated. They have named it as “Golden chariot of Lord”.

They also said it is a new incident in the world of Devotion of Lord Sree Venkateswara. I then, prayed Lord to bless every devotee whoever comes and prays here.

A Photograph in which I was along with EO, TTD along with entire mater got published in all News papers on 12.08.2004. It was described as Publicity Chariot of Lord. After Inaugural function, we took the chariot to Tirumala by bus route. By that itself, some Bhajan Mandals who reached there, were waiting for us. We along with them, circumbulated (Pradakshina) around the temple of Lord Sree Venkateswara. Later, after Darshan of Swami, we returned back to Tirupathi by evening.

I have described this as a day to be written with “golden letters in my life”. Also I quoted. “It was a milestone in service of Lord Sree Venkateswara. This chariot only gave me satisfaction a lot in service of Lord in my life. This service only has fulfilled my wish to get tired physically, mentally and financially also in service Lord in this life. Only this service blessed me with a fortune to take Lord Sree Venkateswara of Tirumala to Telangana, Andhra, Karnataka, Chennai, etc., for 25 days every year. This great service only provided me with an opportunity to go to Door to Door of numerous devotees, to their lanes also. I used to feel some uneasiness, some sort of anxiety from the moment when I got the idea of commencing this procession of chariot till completing it in 25 days and take prasadam. The more I felt tension and worry, Lord used to bless me with more pleasure at the end.

My Condition: I was told by Lord Sree Venkateswara that He will bless me with a residence in Kakateyanagar of Habshiguda and also to not to take the Land issues seriously. He formulated procedures etc., for procession of chariot. The Inaugural function of Namu Venkatesaaya chariot went on peacefully and successfully.

BLESSINGS OF BHAGAVATAS:

We are publishing these Divine Actions as decided and directed by Lord just only for taking your blessings and to make you as our partners atleast in the form of blessings. Therefore, I appeal every devotee who ever goes thro' these divine actions, to pray Lord, forgetting the differences of Age, Cast, Color, Sex, Creed and bless me to make my sincere efforts fruitful and successful.
