Servant of Sri Venkateswara

- Govinda Dasu (Pullagurla Sai Reddy)

Direction: Lord Tirumala Sri Venkateswara decided to arrange his "HARINAAMA KSHETRA" near our "Gardenwell" in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the replica of Tirumala Temple upto two compound walls (Silver Doors). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran (chanting) by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting the training from April 2000, thro' his dreams, He disclosed the actual matter in April 2022. In addition to this, He ordered me to get the divine feelings published which

were blessed by him in order to make the devotees as partners in this programme from April 2023. The publishing of present part-12 is as the part of it only (August 2004-November 2004).

STARTING CHARIOT IN HYDERABAD

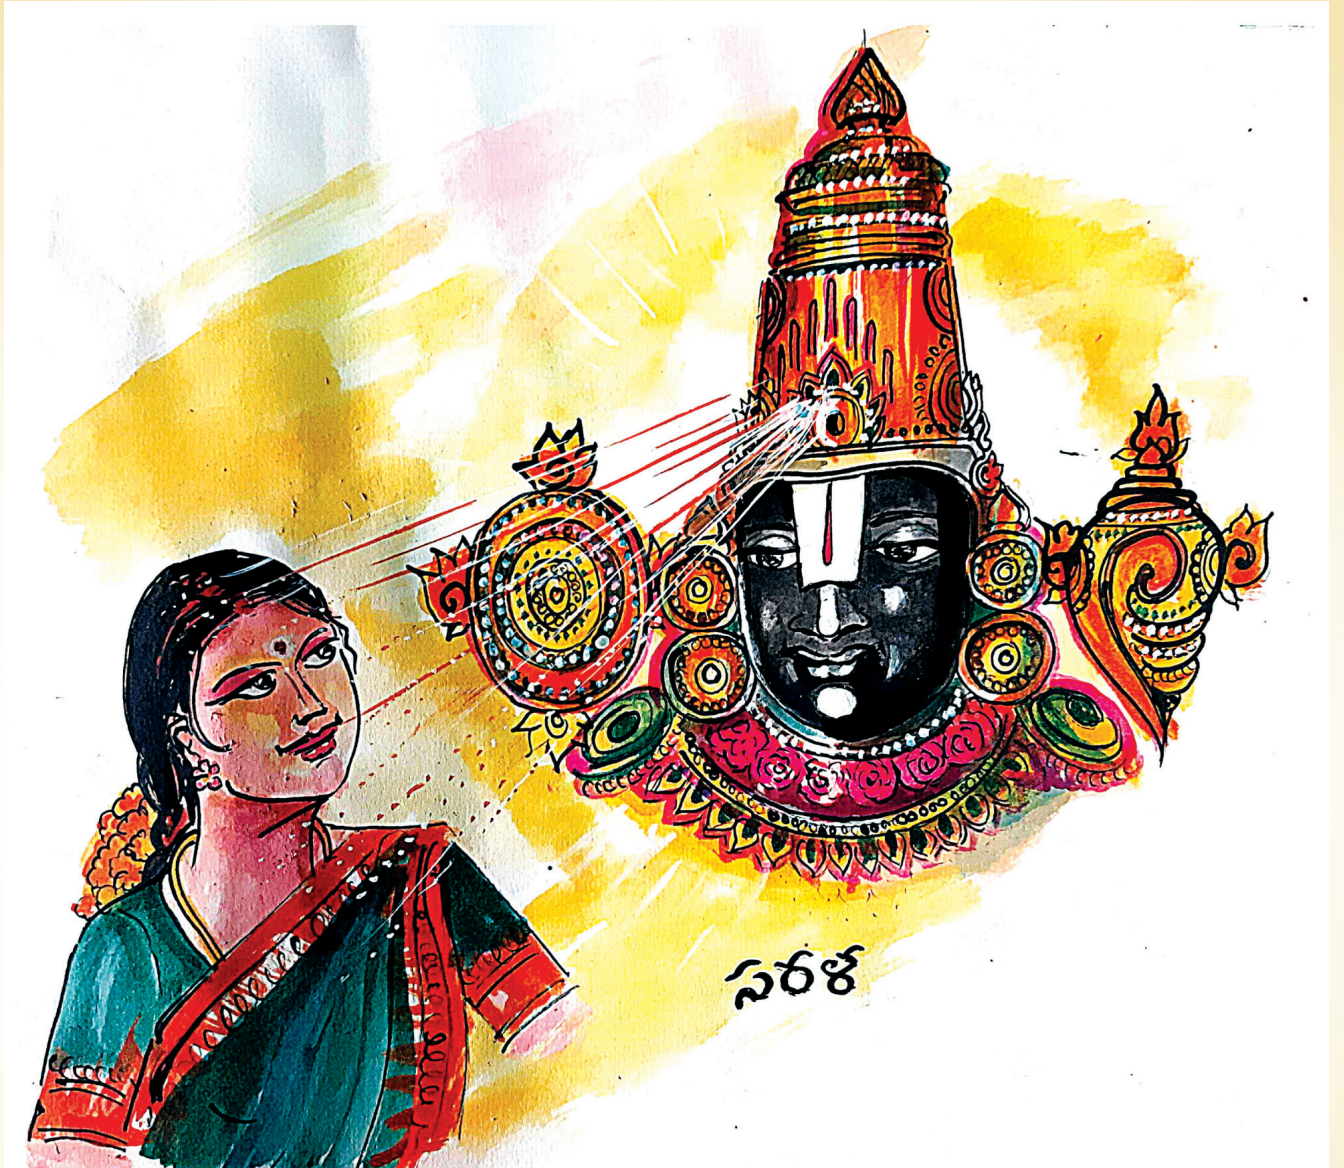

Getting Service Name as Govinda Ramanuja Dass

It was Gokulashtami on 07.9.2004. We have to offer 7 crores of Japa (books) second time to Tirumala Sree Venkateswara Swami that day. We, with the blessings of Lord Sree Venkateswara, prepared a divine chariot by name "Namo Venkatesaaya" and also organized inaugural function at Tirupathi for admitting 70,000 devotees minimum as partners in 7 crores of Japa to be offered every year. We decided to commence this in TTD premises, Himayatnagar, Hyderabad at 10.00 AM on 25.08.2004. As a great Monk inaugurated this Chariot in Hyderabad I had a wish to get the first Kratu dedicated by State Chief Secretary. Accordingly Sri Sri Sri Vratadhar Narayana Ramanuja Jeeyar Swamiji and the then Chief Secretary Sri Mohan Kanda were invited. Also the then Tourism Minister Smt. Gita Reddy, Manchireddy Kishan Reddy, Sri Mutha Gopal also were invited. Since it was not possible to conduct in TTD premises, the Meeting only was arranged in TTD office premises. Many Devotees and Press Media

attended. Sri Sri Sri Jeeyar Swami attended and started the Chariot. As I expected, Sriman Mohan Kanda, IAS dedicated first kratu, wishing that State should be peaceful and happy. Later, Gita Reddy Manchi Reddy Kishan Reddy and My Late Mother Pullagurla Rukkamma, after writing kratu 3 sides and dedicated. I honoured them all. The Devotees dedicated them to God. Jeeyar Swamiji liked this programme any like. Whenever I conduct any Meeting of Lord then only Lord occupies my mind. I did not remember anything other than this. Here also happened same thing. Many mistakes took place since it was my first meeting. Hearing this, Jeeyar Swamiji said – “Don’t worry. Your decision is very great and appreciable. You will get more power. Also He said, It is a new concept. It has become possible because of mercy of God. Praising me a lot Jeeyar Swami gave me a name of servant that is “GOVINDARAMANUJADASS”. Also He assured me that he will be within my reach and guide me properly.

From here my Chariot “Namo Venkatesaya procession” started in Hyderabad we took it to main places of Hyderabad. People gazed it, with a lot of surprise. Many devotees used to come to Chariot with curiosity followed by total devotion. Later, as guided by us, they used to adore solute and offer samarpan kratu (books). Their joy knew no bounds when Lord visited their residences by himself. We used to conduct the procession for 9 hrs minimum i.e. 8.30 AM to 1.30 PM and 5.00 PM to 9.30 PM daily. Here one more divine action was exhibited by Lord. This Chariot went to every street almost from 25.08.04 to 30.08.04, morning and evening in Hyderabad regularly. During this period we used to listen the Venkatesa Mantra i.e. OM (...) “Namo Venkatesaaya” in our office in a very low volume from chanting machine. A number of people heard this and they were taken aback.

CHANGING SUREKHA

It was first time for me to conduct the Chariot procession. I have spent last (9) nine months in getting the Chariot prepared.

Thus, I did not concentrate this time on the devotees who invite the Chariot. On the other side, Krishna Pushkarams were going on. I expected that people from different corners of India will come to Vijayawada. We decided to stay in Vijayawada only and make the Pushkara devotees to write the name of Lord. As decided, the chariot was inaugurated by Sri Sri Sri Sidhheswarananda Bharathi Swamiji of

Kurtaalam Peetham in the evening on 31.08.2004. He blessed us also. Later, we made the people gathered there to write the name. A wonderful response we got. Our Chariot used to participate in the procession that takes Lord upto Krishna River by TTD at 6.00 PM daily. TTD priests used to sit on our Chariot. It was even got telecasted by Doordarshan. There used to be heavy rush near our chariot upto 9.30 PM. I was very much pleased with this kind of service of my Lord. I used to forget everything including my home and wife. Here, Lord Sree Venkateswara shown a funny, wonderful and memorable divine action. We have conducted 'Namo Venkatesaaya' Chariot procession

service for 16 years i.e. from 2004 to 2019. This Divine Action worked as backbone for this entire period of Chariot procession. It was as under:

I came to Vijayawada along with Chariot Namo Venkatesaaya from home for Chariot procession on 31.08.2004. From that day when I came from Hyderabad, I used to think how to increase the number of devotees to participate in this procession and how this procession would be fruitful. Once, when I was busy in procession of TTD, i.e. on 31.08.2004 in the evening gave ring to my wife and asked her to view the programme on TV as it may be telecasted. Later, I did not make a call to her for 3 days because of my continuous services. I totally forgot the earthly matters including wife and children.

But, my wife Surekha felt bed because of my separation. She thought that I have forgotten her totally. Also she opined that she was all alone and I am selfish. She felt bad that I did not enquire their well-being. She thought that “only one time, after leaving home, He contacted us and that is for just to inform us that our programme is being telecasted but not to enquire about our welfare. She came to one decision that I have no soft corner at all in my heart towards her. She developed a sort of negative feeling on me. She lamented a lot thinking that I am living with her because I need a Lady to attend his and domestic needs. That’s all. But no affection towards her. She could not sleep for 2 nights she even did not take food. But she used to get up at 4.00 AM and adore God after bath. This also she used to attend for time pass only with no concentration on worship. Later, she used to sit all alone, weeping a lot. After observing that any call or every call she gets, was not mine, she used to suffer a lot. I, here, totally involved myself in the service of Lord, for getting home, wife and children.

On 02.09.2004, at 7.30 PM I got a phone call from Surekha. After asking me did you remember me? She started weeping. Blaming me that I cheated here, she got annoyed a lot. To pacify her, I called

affectionately but in vain. She did not stop lamenting. Her feeling was I am overlooking and neglecting. That’s the reason why she felt bad. At last, I pacified her with some lies. I assured her to speak to her 4-5 times every day. On the other hand, she was unable to sleep. Unable to manage the situation, I prayed my Lord, O Lord! Kindly remove the pain on my wife. Please provide the same joy to her what you are giving me in your service. I did not know what you will do and how you will do. Kindly see that she should not feel worry about me and should not interrupt me, otherwise I can not to do this chariot procession peacefully and joyfully. I was with total confidence that Sree Venkateswara will consider my prayer and do the needful definitely.

Yes, my Lord heard my heartfelt prayer. A wonder was shown by him. With that my wife got delighted more. Whenever I call her, she used to recollect that one Mr. Sai Reddy was husband. So deeply she forgot me. Very sound sleep she used to get. Her desire pertaining to my wish to service Lord increased a lot in her mind. The divine action was so great and powerful which was as under:

Dream on 02.09.2004:

Lord Sree Venkateswara appeared that night in the dream of Surekha with his most attractive face including Conch and Disc. He in that dream shown the above i.e. Face and weapons very clearly. During that scene, He shown an illusion (MAAYA) on her. On seeing his face with very thick black complexion, The devotion got increased. Her joy knew no bounds. She forgotten me also. In other words, she lost my identity totally. She had a strong desire to serve the Lord Sree Venkateswara. Later, she had sound sleep. Thus a total change occurred in her or In other words, I can say, ‘He’ has shown this kind divine of action with an intention to provide her with his Darshan.

He is Unparalleled God with matchless divinity. She never contacted me after this incident. She used to receive my phone joyfully. Never she shouted or got

annoyed as earlier. When she visited Tirupathi on 06.09.2004 to offer Japa, (books filled in with Mahamantra) she said this and felt glad. Then I offered thousands of crores of Salutations to my Lord. Since then i.e. from 2004 to 2009 during every chariot procession, she used to get inexplicable joy. Never she interrupted me. This change has become useful in managing the chariot procession in the days to come.

OFFERING 7 CRORES OF JAPA 2ND TIME

Date: 06.09.2004: we offered 7 crores of Japa today evening in the Chariot Namo Venkatesaaya near lotus feet Mandapa situated in Alipiri of Tirupathi. We brought the feet of Lord Sree Venkateswara for adoration, gave them holy bath with the permission of TTD uniting both Sri Vishnu Sahastra Naama with unique Mantra of Lord Sree Venkateswara we recited it. We prayed to fulfill the wishes of those particularly

who wrote Japam. No sooner the worship completed than there was a heavy down pour continuously for 2-3 hours which we thought is an evidence of accepting this Japam. Here He has shown one more wonder. The Lord Sree Venkateswara shown his “form” alike the dream on 21.12.2003 on Paadaala Mandapam. It was just alike holy bath of Lord on Tirumala. I dedicated this Japam (books) to these lotus feet of Lord only and adored to his lotus feet. I was very much delighted since this form witnessed by me only. (This divine action is being witnessed by us at Paadaala Mandapam on occasion of Japa dedication, every year) I opined that lord has accepted this Japa and adoration by himself.

Date: 07.09.2004: Today is Gokulashtami. As suggested by TTD, we decided to offer 7 crores of Japa on every Gokulaashtami. TTD conducts Gokulashtami in their Diary form grandly. Because of

blessings of Lord Sree Venkateswara, all TTD officers participate in this offering programme of 'Japa' along with E.O. after their programme is completed. The pillar of Sree Venkateswara Divine Maha Mantra was decorated with flowers. We have conducted rituals offering (Yajna) of Sree Venkateswara Mahamantra in the morning. Later uniting Vishnu Sahasranaamam with Sree Venkateswara Mahaa Mantra, we conducted adoration. EO Sriman Ajay Kallam arrived at 1' O clock PM along with officers. After conducting poornaahuthi of Yajnam offered 7 crores of Japa 2nd time to Lord. We prayed for the well being of those all who wrote Japa. After words He commenced 7 crores of Japa third time. While addressing, EO Sri Ajay Kallam appreciated me stating that I am doing such a great and famous work what Peetadhipathi Swamiji's cannot do. Afterwards, the devotees offered a few Japa books with great devotion on Sree Venkateswara Divyaa Mahaa mantra Sthupham.

Lord Sree Venkateswara blessed me with another divine action. We kept Japa books upto 4' height and of 5' X6' size by the side of pillar at the time

of Japa offering. I was under illusion as if Lord stood on it in his very huge form. I saw the feet of equal size of this heap and also the shaking edge of Dhothi of Swami very clearly. I felt as if every Japa book was under the feet of Lord Sree Venkateswara. I worshipped only those feet.

Thus, the 2nd offering of Japa in first Chariot procession satisfied us a lot and we accordingly made more than 70,000 devotees as partners. I am totally satisfied Right from the day, I started Chariot procession my trust my surrender and feeling of service towards him increased day by day. These feelings reached peak stage on last day when Japas were offered. At that time nothing was visible to my eyes except God. Later, we visited Lord on 08.09.2004 on hills and prayed him to accept our Japa and service. The next day we returned Hyderabad in wee hours. Afterwards, we started distribution of seven crores Japa books during our third time service.

About House:

I prayed Lord Sree Venkateswara to bless me with a plot in Hyderabad. Previously, He has shown a

plot width of 755 yards in plot no. 9/3 M-block of Kakateyanagar, Habishguda, Hyderabad. It was adjacent to the wall of Osmania University. The wonder of wonders is, it is the same plot what Lord Sree Venkateswara shown me in the dream in November-December 2003. When I passed to this plot through university from my office by unofficial route, to my surprise, I found same big trees, foot paths and sea shore trees (saruku) etc., what I witnessed in that dream. The sarcar thorn (Tumma) trees in university were resembling same trees, seen in my dream but in dream itself I assured that these are different. This plot belongs to Sriman GVG Krishna Moorthy. He has recently retired as Chief Election Commissioner of our Nation. He asked me to come to Delhi and pay total cost of plot at a time. He also said that his wife will come to Hyderabad and get it registered. I got prepared for it. I thought better to take all precautions at the time of preparing agreement since I am paying amount completely one month in advance. I informed the same to our Adolate Sampath Kumar who assured me that he will prepare and give the agreement next day. I requested him to formulate it carefully with devotion treating as a service of Lord. I visited him next day as he said. Here the Lord Sree Venkateswara shown me another wonder:

11.09.2004: The Dream:

It is our Advocate Mr. Sampath's i.e. dream. Later, Smt Radha Murthy wife of Shri G.V.G. Krishna Murthy came to Hyderabad and registered the plot. I, in total 755 yards plot, got registered 647 yards on my name and the remaining 108 yards got registered for Chariot Namu Venkateshaaya's shead on the name of Sri Venkateswara Seva Samithi.

Afterwards, we decided to construct a shed to Chariot and a good house for us in this plot. Swami used his divine actions here also. Let us see them afterwards. I have prepared plans for many Bunglaows since 14 years as a builder. Generally, I used to get my favourable plan with one or two efforts; But it didn't

happened like that in our house matter. Our Architect Sriman Sivaleelanand prepared many good plans which did not attract me. Finally he drawn my own plan and gave me, Infact Architect's plan was far better than my plan but my conscious did not permit. Finally we proceeded further as per my plan only.

Land Issue: Oflate, this issue is in Police Station. I did not take care of my land issue all these days since I was busy in Japa offering. I preferred service of Lord only. Now I started again trying for it.

Dream on 04th October:

I approached one gentleman in this dream to do justice in my Miyapur land issue. That Gentleman was sitting in an ancient building like a judge, who solves problems, holding a button in his hand. He was in little dark complexion. There was a wooden wall behind him. I couldn't explain him properly, but before that He said that I know about them very well. They are big cheaters. Immediately He asked me to wait and see on some issue exactly how it happened in the dream.

Later, I went to police station again after 2 days. Then this person arrested those antisocial elements and sent them behind the bars.

APPROVING THE SELECTED PROCEDURE

About Service: I am distributing 70 thousand Japa books every year and making devotees to write 7 crores of Japa books. But we offered only what all the books received till the date of Japa offering and adored them at Tirupathi. Also thinking that books, not received were also received, were offered to Lord after worshipping them. The following dream proved that the selected procedure was liked by Sree Venkateswara Swami:

Dream on 07.11.2004:

I visited the Ashram of HH Sri Sri Sri Vidya Nrusimha Bharathi Swami of Pushpagiri Peetham situated in Begumpet. Swamiji was inside the room. I

entered front room where I met Incharge, peetham Shri Govindagiriji. He asked me what my name was and what am I?. Swamiji came out when I was telling my name.

I bowed to him and introduced myself as a humble devotee of Lord Sree Venkateswara and I offer every year 7 crores of Japa books to Lord and I distribute 70 thousands of Japa books every year. Also I said that I treat the figure of books whatever I receive as if I received 7 crores of Japa books. He said Okay. That's all. My dream was ended. Like this, I opined that Lord approved the procedure and the way what I selected.

I used to chant the name of Lord every minute and beg him to protect me and my property issues. Also I felt that God is omnipotent and He exists in every country in this entire globe.

Date: 08.11.2004 The Dream:

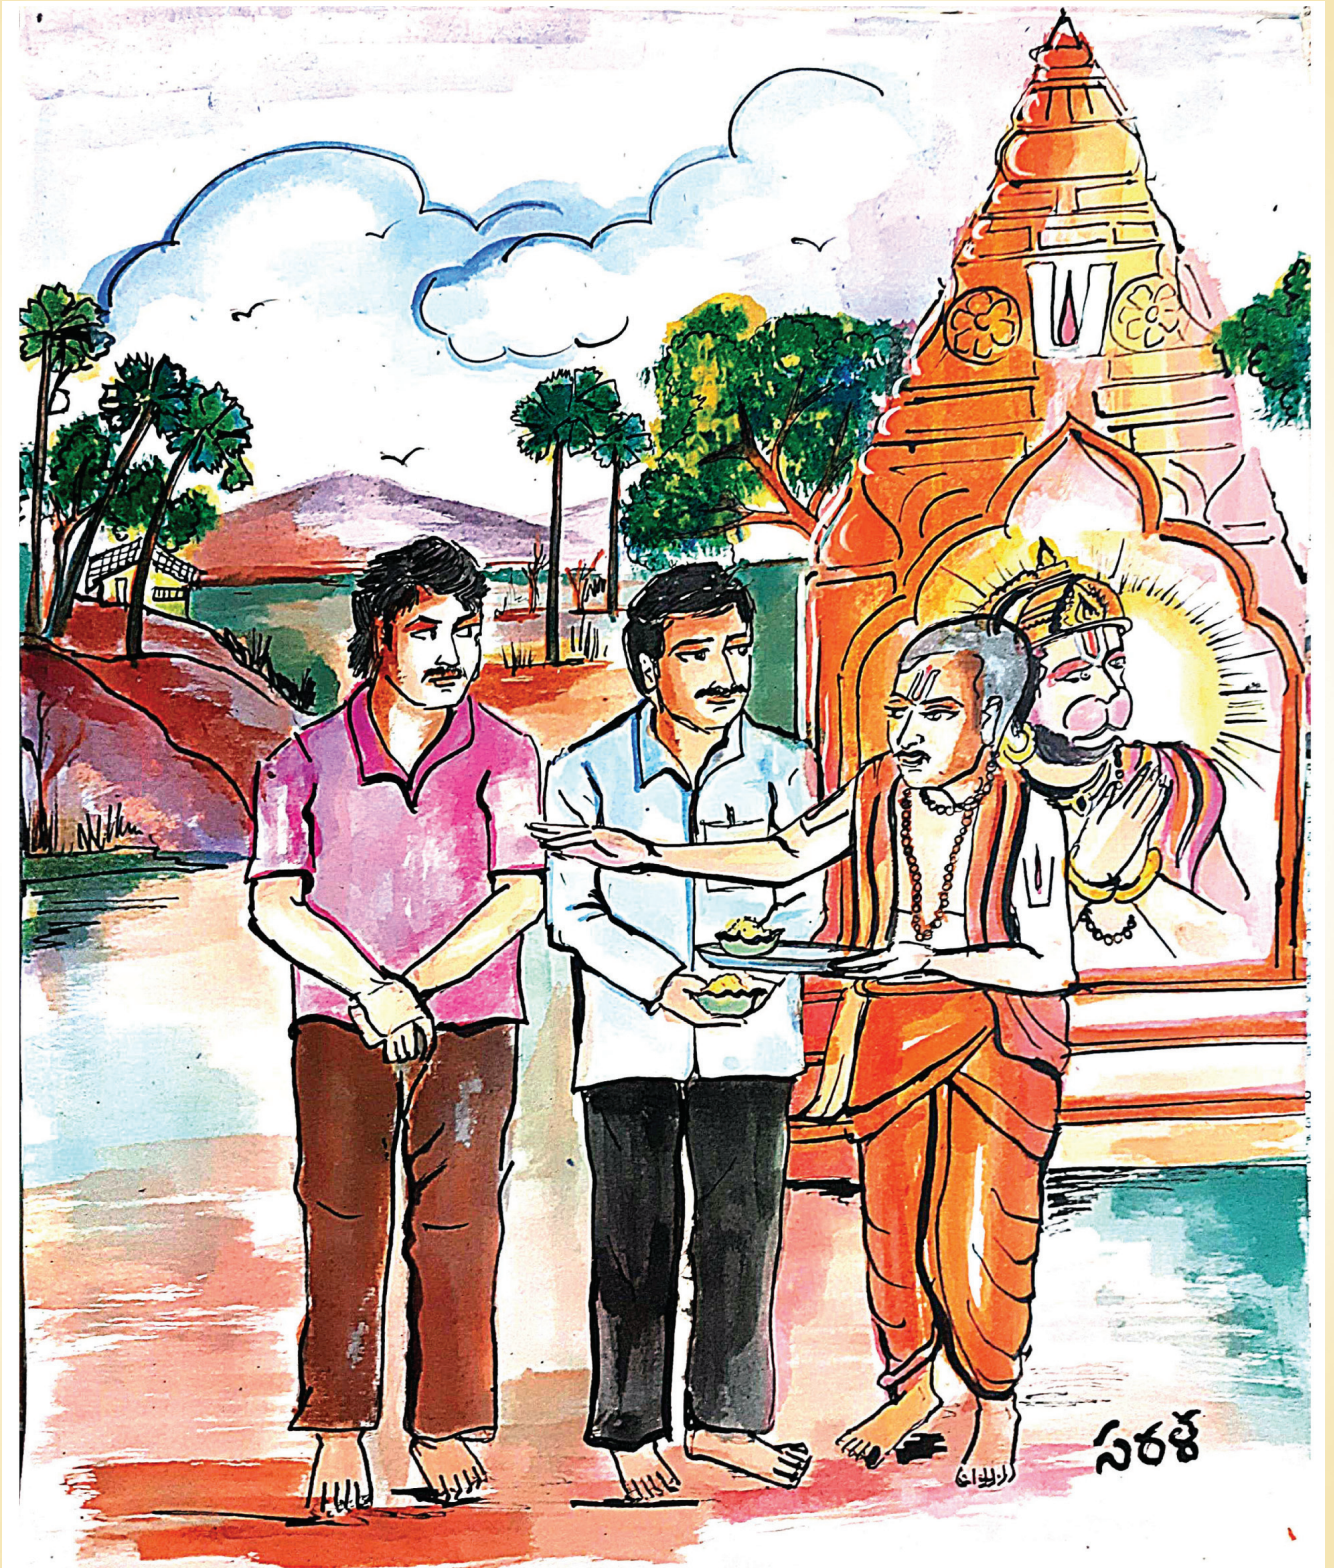

I couldn't read of since it got drenched wet in the water. In other words, it was illegible. I am narrating it here to the extent possible.

I visited Afghanistan and found the buildings and Roads of that country. I along with two more persons, passing thro' a Market by car. Meanwhile one person asked me to stop the car since I don't have the driving license and the license issued in India is not valid here. He guided me to go through a nearby lane as police many arrest me. Accordingly we were passing thro' that lane where I found a temple of Lord Sri Krishna. I saw a priest there with pious Mark (Thiru Naamam) on his forehead. We got down from the Car and stepped into temple. Meanwhile, He went to his residence situated adjacent to the temple. We, in this process, visited small temples of Lord Krishna, Bala Rama and Subhadra situated in the same temple. Also I viewed the pictures of Lord arranged on the wall. That's all. My dream got disturbed. I do not know the meaning of this dream but I thought that I am blessed. I have experienced a number of divine feelings and I have

noted them in a special book; but I never read them again. The impact of those feelings was only for few days. Later I used to forget. And again I used to pray for new divine actions of Lord. Accordingly, the Lord Sree Venkateswara used to bless me with them. Likewise, my life used to get rolled.

GOD BLESSED ME HIS SERVICE ALONG WITH THE SERVICE OF DEVOTEES

About Service: We get service of Lord for only two months period in a year in the programme of Japa Samarpana (offer of Japa books). For the remaining period, I have appointed one person in my office for distribution of Japa books. An account of this, I had less work to be attended in person. But I couldn't control myself without getting engaged for ten months and away from service of Lord Sree Venkateswara. My blood used to flow fast in my nerves to serve the Lord. The desire of serving Lord in me used to increase uncontrollably alike the desire of Sambarasura for battle. I used to pray many ways Lord to fulfil this desire. I prayed him to provide me with an opportunity to serve him along with his devotees. As a matter of fact, to fulfill this desire, Lord Sree Venkateswara already ordered me by that time itself to run a Monthly Magazine 'Namo Venkatesaaya'. Somehow, I did not like it. I don't remember this magazine. Never I had an idea to run a Magazine. Since Lord had ordered, I even submitted police declaration also so as to enable myself to start the Magazine by 15.11.2004. In other words, I have taken all types of permissions required to run a magazine. I was supposed to commence it from January 2005 but I kept quite since I had no interest. In those days, I used to pray Shri Prasannaanjaneya Swami of Tirumalagiri for relief from any kind of hard ship. I visited that temple even only 15.11.2004 also. I prayed him to provide me with an opportunity to serve Lord Sree Venkateswara along with his devotees. I prayed to play the role of a mediator in between me and Lord Sree Venkateswara. I circumbulated 11 times.

I also prayed Lord Shiva whose idol was just behind him. Tears rolled down when I was praying. I got full excited. I prayed with zeal to get the service of

Lord by any way. At the end of the day. Lord blessed me in this way. My Joy knew no bounds thinking it as an another best pearl in this life.

Dream on 16.11.2004:

I visited a city nearby since my work got completed. I thought of doing some part time job since I was sitting idle in rest of time. I started searching a suitable Job. So, I observing on seeing on either side, moved ahead on road. Meanwhile a Mason met me. I was an engineer and He was a Mason. We planned for doing some job and earn money. We were going together on the damber road. We observed palaces on either side of road which belong to rich people. We crossed those houses and reach a lonely place which resembles a forest. At the same time, I saw a temple of Hanuman with a pointed Gopuram.

I saw an idol of Sri Anjaneya (Hanuman) with folded hands (only bust size) (As shown in above picture). I found a priest before that temple in **saffern** dress. There was a small hillock a little distance away from this temple. That priest called me and asked – “there is a water tank above hillock. Will you do it?” I said ‘Yes’. I told him politely that as I am jobless, I thought of doing some money but why to sit idle? So, I decided to work” Meanwhile He brought prasadam and gave me. He said that water tank is an hillock beside this hillock. Please go there and clean it. He told me that this temple gets water from that tank only which serves not only to temple but to pilgrims also. Meanwhile some more devotees came there and asked us to move and started taking his advice pertaining to some Muhurtham. I just had the prasadam given by him. The wonder is it was nothing but Tirupathi Prasadam only. The Prasadam usually to be distributed by TTD during people on meetings only is now given by this priest. Also He gave me a plastic stick along with prasadam. I consumed this Prasad in some occasions at Tirupathi. I thought itself that this is the prasadam of Tirupathi.

Afterwards, to attend a personal work, I climbed the Hill and went to Tirumala. To my surprise, I couldn’t find water tank there. There was a footway and it leads to temple which was away from that place.

When I enquired “where was the water tank”? Someone said “it is little farway and situated near another temple which is on the way that leads to Sree Venkateswara temple on the Hill. I asked them whose temple it was. They replied it was Lord Sree Venkateswara’s temple. I thanked them and continued my walking. All of a sudden I found that temple of Lord Sree Venkateswara from that distance only. The temple was as bright as Lord Sun. I just imagined the Lord Sree Venkateswara of that temple from here only. I imagined as if I found his golden dress black face, Crown, and other golden ornaments. This is not my imagination; I witnessed actually and forgot my entity. The strange thing is that way was nothing but the foot way only that leads to Lord’s temple. There were numerous small temples affiliated to Sree Venkateswara temple. The devotees informed me. My dream got disturbed.

The next day morning I jumped joyfully as my Joy knew no bounds. I wanted to scream since God by himself fulfilled my wish. At that time I thought that even God appears and says directly to me that “I will bless you with salvation or I give you the post alike prime Minister of this country, I would have rejected it and say that No, ‘O’ my Lord! I want the same life of this Pullagurla Sai Reddy only”. My desire to serve Lord along with his devotees is so strong. Later, I analyzed this dream. I was entrusted with the work of cleaning water tank existed nearer the temple of Sree Venkateswara. The water of that tank is serving temple of Lord as well as requirement of devotees. It means the service which I will attend, serves the Lord and also his devotees. I felt that He, knowing my wishes, going to bless me; But I started looking for that day when I do serve with thousand eyes. Another point here is though I had some amount, I tried to earn some more money since I cannot sit Idle. It means, though I have Japa offering service earlier to this, I am not satisfied with it and I wish to have another service. Lord shown me so nice dream to me.

In fact, Lord blessed me the above mentioned service thro' the Magazine Nammo Venkatesaaya; But I could not follow it at that time. I used to express my inability since I cannot manage it. So I used to tell him to engage another person who can handle it efficiently. This is the second divine action shown by Lord with regard to Magazine.

About Home : Lord has blessed me with the plot shown by him previously. I prepared plan as desired by me and today i.e. on 22.11.2004, Kartik Ekadashi, at 5.15 AM we did BHUMI PUJA. There were two Bhumi Pujas in this actually. One was for my home and the other one was for our 'Nammo Venkatesaaya' Chariot shed. Lord has shown wonderful and beautiful divine actions even in this adoration.

Divine Action on 22.11.2004:

As a part of Bhumi Puja, (Adoration of Land) the Pandits, made me to put leave of Mango tree in four water filled tumblers. Also we prepared "PANCHAMRUTHAM" (Mixture of Milk, Curd, Honey, Ghee and Fruits). They asked me to put in two more tumblers. At the time of pouring this water, I experienced as if I am washing the feet of my Lord Sree Venkateswara directly with my own lands. I felt that I was directly touching him and pouring water. I saw his feet only thro' out the programme. On the other hand, my wife witnessed crown of only the Lord. I witnessed his feet and my wife witnessed his crown. We prayed to bless us to serve him more and more our utmost satisfaction.

Recently, I had number of dreams but all are out of memory. I cannot recollect them now. Every dream was related to adoration etc., I did not recognize them since I was totally engaged in my property issue. I thought that when time comes, Lord Sree Venkateswara only will inform me.

GIVING MANTRA

About Magazine: On 25.08.20204: The words uttered by Sri Sri Sri Vratadhar Jeeyar on the occasion of inauguration of Chariot procession in Hyderabad, turned into reality. In other words, Lord made Swamiji to provide me with more power and Mantra. This Divine Action was exactly as my desire that the name of my Lord Shri Sree Venkateswara should reach one and all and all should get benefited.

Dream on 30.11.2004: I was in a forest in this dream which was occupied by Trees, Plants, small Anthills and open lands. I was standing nearer to them. Meanwhile my friends or some well wishers brought Sri Sri Sri Vratadhar Jeeyar Swami there who visited me to give me Mantra. He gave me Mantra of which the scene which was invisible to me. As soon as I got preaching immediately I felt as if I woke up from sleep. Also I observed the total atmosphere was changed. I was listening to the words of my friends very clearly whom I could not see. It was a new place to me. It means, my mental condition was totally different though I was there only physically. I was going somewhere to search the God. What is this? What happened to me? Why this change within this short period? Lord only brought me to this new place. I was just thinking that I do not know

thro' which road I have to pass. I started thinking like this. After some time, I found a small pond which was surrounded by sand just digged out. I proceeded further where I found a well. I climbed it. Afterwards, I was wondering in that forest. Meanwhile someone called me" come to our home"; But I firmly decided not to go because I have another task, another responsibility given by God. I have to preach all. I have to serve Lord Sree Venkateswara. That's all, my dream got sheltered.

Today, Lord Sree Venkateswara gave me strong will in this divine action to publicize his name and glory in entire country. I thought this as a 3rd divine action shown by Lord Sree Venkateswara to start a Magazine.

My Condition:

I got unlimited Joy in the first Chariot procession. My Surekha got blessed. I was named as "Govinda Ramanuja Dass". Lord has provided me an opportunity to him and his Devotees together. I received an order to publicize the glory and greatness of Lord Sree Venkateswara.

BLESSINGS OF BHAGAVATAS:

We are publishing these Divine Actions as decided and directed by Lord just only for taking your blessings and to make you as our Partners at least in the form of blessings. Therefore, I appeal every devotee who ever goes thro' these Divine Actions, to pray Lord, forgetting the differences of Age, Cast, Color, Sex, Creed and bless me to make my sincere efforts fruitful and successful.
