DIVINE DIRECTION OF TIRUMALA SRI VENKATESWARA

English Version
PART 14

The Serial of Divine Actions of Lord Tirumala Sri Venkateswara in order to establish his "HARINAAMA KSHETRA" in Telangana alike another TIRUPATHI.

Servant of Sri Venkateshwara
- Govinda Dasu (Pullagurla Sai Reddy)

Mandate: Lord Tirumala Sri Venkateswara decided to establish his "HARINAAMA KSHETRA" near our "Gardenwell" in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct the replica of Tirumala Temple upto two compound walls (Silver Doors). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran (chanting) by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting the training from April 2000, thro' my dreams, He disclosed the actual matter in April 2022. In addition to this, He ordered me to get the divine feelings published which were

blessed by him in order to make the devotees as partners in this programme from April 2023. The publishing of present one i.e., part-14 is just a part of **Dec 2004 to Feb 2005**.

In this part, Lord Sree Venkateswara hinted me that he will rob my entire property and I should not do more business. In spite of that, He directed me to follow His directions only. But I couldn't follow this in those days. Also He blessed me with wonderful wisdom.

ASKING ME TO FOLLOW AS HE (SWAMI) DIRECTS

Lord Sree Venkateswara used to follow all the four procedures i.e. SAAMA, DAANA, Bhedha and Danda. As a part of them, he used my physical illness also. He used to make me sick and change my attitude. Such an incident once took place. I have Diabetic in my life problem since August 1999 but it was under control. But in the year 2004, my Sugar Level rised. I was worried whether we can prepare Chariot Namo Venkatesaaya upto that 2nd Japa dedication to which my Miyapur property added fuel to fire. It caused a high rise in my sugar level. I got scarred. Though the dosage was increased as advised by our Doctor, it was invain. Finally, I prayed Lord Sree Venkateswara stating that "please decrease it since there is no better Doctor

than you and I am your devotee. So please cure my illness". At once, Lord Sree Venkateswara had shown the below Divine Act:

THE DREAM ON 11.12.2004:

In this dream, I approached my Diabetic Doctor with anxiety. I requested him to treat my sugar level. He tested me and said it is quite normal, No problem. Also he said, if you follow the advice of Doctor then nothing to worry, but if you do as you like then problem arises. That's all, only this much was the dream.

I could not follow the meaning of this, I worked hard a lot and got prepared the Chariot Namo Venkatesaaya in time. Also I even completed the 2nd Japa offer work successfully to the satisfaction of Lord. I thought that there is no drawback in my attempt; but I did not identify it I forgot the order of Lord Sree Venkateswara to start a Monthly Magazine previously. Probably to make me to recollect this, He made me sick. For this only, He has shown this Divine Act (Leela). This is the fourth Divine Act shown by Lord with regard to Magazine, but I failed to understand the meaning of this Divine Act.

DECISION OF DISTRIBUTING JAPA BOOK AT FREE OF COST

We started distribution of Japa books under the aegis of Sree Venkateswara Mahaa Mantra Peetham in the name of Tirumala Sree Venkateswara on Karthik Ekadasi i.e. from 15.11.2002 with an aim of offering 7 crores of Japa offering. Also it is decided to distribute 70,000 Japa books every year pertaining to 7 crores of Japa books on 08.02.2003 totally upto 16 years. For the first time, we distributed all Japa books at free of cost, but from second time, out of 70,000 books, 35,000 books @ 5/- each. The response of Devotees, on account of this, decreased. Many devotees used to take books, saying that they will give money later. As at any cost, we have to distribute 70,000 Japa books, I used to give books though they

say we pay after wards. I used to feel bad to send the devotees with empty hands i.e. without giving books. Anyhow, as a second time, offering 7 crores of Japa took place. We followed the same procedure even third time. As a result, We distributed books in very less quantity until 1.1.05. We got a doubt how to distribute 70,000 books totally. On the other side, I was unhappy to collect money for a Japa book. So, I decided to distribute all Japa books every year upto 2018 at free of cost until my wish is fulfilled and also to get more satisfaction. I prayed Lord Sree Venkateswara on 01.01.2005 to bless with necessary strength required for this. Then Lord had blessed me as under:

Dream on 02.01.2005:

It was a very nice dream. I approached palmists, Who predict future. I found two gentlemen in that house in white dress i.e. white shirt and Dhothi. On seeing my palm, they told a lot about me. Meanwhile their dress changed into safferin cloths. They said that some Divine power entered into my body. They told me that some powers entered your body today morning. Also they cautioned me to observe celibacy seriously and avoid sexual life to the possible extent. That's all, my dream got disturbed. In other words, they suggested me to attend the service of Lord very strictly and devotionally.

SWAMI INFORMED ME THAT HE WILL VISIT MY HOUSE AND HAVE LUNCH

Lord Tirumala Sree Venkateswara blessed a few matchless pearls in my life. This Divine Act also is a matchless pearl. He gave me with a great analysis in which His total aim was existing. He has shown the favourable result to attain it which He blessed me this service for an aim; Unfortunately I could not understand this. It was as under:

After listening to my Prayer, Lord Sree Venkateswara blessed me with a plot in Kakatiyanagar in Habshiguda.

The House construction of a house was going on. Mentally I used to feel a lot that house belongs to Sree Venkateswara and I was just a tenant in it. Also I had a strong desire to invite Lord Sree Venkateswara on the eve of Gruha Pravasham function, wash his feet, adore him and serve lunch to him. I prayed to visit the function literally, (but not in dream) and accept my hospitality. Lord, for this, had blessed me as under:

DREAM ON 06.01.2005:

Oflate, I had many dreams but I forgot them since I was in tension because of property issues. Today I witnessed two dreams. In the first one, I saw Sri Sri Sri Vijayendra Saraswathi Swamiji, In-charge of Kanchi Peetham and also another young Monk. He, I was told that has become monk just now only (At that time Sri

Jayendra Saraswathi Swamiji was behind bars). I could not understand the meaning of this dream.

ANOTHER DREAM:

I got information about Anant Sri Vibhushith Sri Sri Sri Tridandi Sri Ramachandra Ramanuja Jeeyar Swamiji stayed in the residence of a known person along with his disciples. The owner of that house was close to me. I was going to his residence just to invite Sri Sri Sri Jeeyar Swamiji to attend my Gruhapravesham function followed by lunch. One has to follow certain rules when we go to Jeeyar Swami. We have to honour him with a garland, we have to touch his feet and behave with most respect. It was 10.30 AM at that time. I thought of enquiring when we have to invite Swami for lunch and when I have to approach him for this. The

moment I entered the Room where Swamiji was sitting. He was busy with some Adoration in a front side hall. He looked at me and I too witnessed his face. Later He started adoration hiding his face. The remaining disciples were busy in their regular works. All had auspicious marks on their foreheads and shoulders. On seeing me they informed Swamiji about my arrival. Meanwhile Sri Sri Sri Jeeyar Swamy (in the tone of Sri Sri Sri Ramachandra Ramanuja Swami) said - "What? Shall I take my lunch so early? Is adoration going on?" I said, "No, No, Swami" I came just to enquire when I have to come to invite you. Since, Swamiji, was visiting my home, a close disciple of Swamiji will also accompany him just to take care of all arrangements in my home. We returned back to our home. The wonder was it was not my home which is being constructed by me at Hyderabad. It was the residence of my younger uncle situated in Appannapally where I born. It was near Dubbaka 7 km away from our village. I and that close associate of Swamiji went directly into kitchen. There near the Dining table, I found very big size photos of Goddess Laxmi and Sree Venkateswara (18"X30" size). There were wooden planks in front of them where persons sit and have their lunch In other words, arrangements were made to sit in front of Photos Laxmi and Lord Sree Venkateswara. Likewise, we observed all arrangements. Finally the time has come. Meanwhile a new Swamiji also visited for having Lunch who was equivalent to Sri Sri Sri Ramachandra Ramanuja Jeeyar. He came in the place of Sri Sri Sri Ramachandra Jeeyar on seeing him we all came out of kitchen, entered the outside hall and offered Garlands to him. Those garlands were made in my office only. Later we invited them to the kitchen and requested to be seated. He then directly went to well nearby, washed his legs and hands. Firstly He wanted to sit before Goddess Laxmi but later He occupied the place just in front of Lord Sree Venkateswara, we were delighted and ready to serve him Lunch. This was the first incident in dream.

Later, the scene changed in the dream, I, along with other persons, was sitting in the hall where arrangements were made for cultural programmes. The scholars were addressing the gathering and the children were ready to present the cultural activities. There were some Brahmin kids also among them. There ended my dream.

I, at that time, understood it like this. I invited my Swami Sree Venkateswara for lunch but instead, I thought, Sri Sri Sri Ramachandra Jeeyar was sent to attend my function. But the real meaning was - "He assured me that He will visit when a house will be constructed beside Harinamakshetra in our village. This is a Divine Act that indicates me that the idea of Lord will be fulfilled. A wonderful Divine Act which was also shown to me that the aim of my life will be achieved. Also He indicated that some spiritual programmes also will be conducted during this Gruha Pravesham function.

I have analyzed the above dream more as under: I used to adore Lord Sree Venkateswara only was mine and He only supreme God. (only one form) I used to believe that all Gods and Goddesses were parts of him only. It is more than enough if we adore only Sree Venkateswara which provides us with the virtue what we get by chanting or worshipping all Gods. Thus, I used to adore only "One Form". Ofcourse, some refuse this and say that we won't get favourable result if we won't worship Lord Srimannarayana along with his consort Goddess Laxmidevi. I don't accept this. Srimannarayana or Sri Venkateswara is the total form of God, complete God and most powerful one. It is just for sake fun (Leela) only He transformed into various forms of Lord but there is only one form basically. That is only "Srimannaarayana". Suppose if we assure me that there are two powers in this creation then the quote 'Eako Narayan' - the vedic quote becomes meaningless. To human being, the feeling is important but not adoring a number of Gods. A real Sadhaka needs only this adoration of **only one form** but not many. All the forms in this creation have come from that form only. It is

obviously required to have a powerful knowledge followed by Saadhana (Practice).

Here Lord Sree Venkateswara strengthened my feeling of “oneness” i.e. only one form of God. He categorically said that the “procedure what I follow is correct”. In this dream though I invited only one, God but the arrangements were made for both Sri Maha Laxmi and Lord Sree Venkateswara Even Swamiji also came all alone and tried to sit on the place allotted to Sri Maha Lakshmi. Later, He occupied the seat arranged in the place allotted to Lord Sree Venkateswara. The meaning of this is “the complete one of Sree Venkateswara, the Sree Venkateswara along with Sri Maha Lakshmi visits my house and accepts my hospitality”. In a divine act of this part, Lord Sree Venkateswara made it clear that He himself is complete and only one and root of all divine powers.

Till now, I authored six books and the first one “Divine Feeling” was completed. In this, excluding many feelings of inner part, I narrated 105 feelings of dreams. Now onwards, I am describing the points in second book. Even this book also got drenched (wet) totally and on account of this, it became impossible to read some points. I am now explaining the points understood by me which were legible.

HATREDNESS OF MY FATHER

Lord Sree Venkateswara used many ways and means to change my mind. Even He used my father also who expired in 1990 for this purpose. He used to show him to me when I wished to see him or when I was in sad mood or when I pray. He used to show the form of my father, 20 years before his death, similarly I prayed in 2005 also. Then Lord has

sent my father to me. One more important thing I am describing here. The behavior of my father was as per my feelings towards Lord Sree Venkateswara. I was not aware of this in the beginning but in 2020, I understood my all feelings as ordered by Lord. Even now also, He behaved with me with anger as explained below:

Dream on 5th Jan:

As the Paper on which this Divine Act was written, got wet and the letters were illegible; but the substance is as under: "I prayed because I saw him long back. My father appeared in white dress which he wore 20 years before his death; But he went away crossing me with a feelings as if he got afraid with me. That's all. It was my dream. I felt that he is sad and He doesn't like to view me. I couldn't understood why my father was annoyed with me and why is worried. I kept quite thinking that a person like him who came to see, me why he is going away from me; But the real substance was 1) I got annoyed that Lord is not protecting me with regard to my property issues. 2) Even my father got annoyed since I did not start a monthly magazine though Lord ordered me. That's why He is angry.

STATEMENT OF SREE VENKATESWARA AS HE IS ONLY BASICALLY SRIMANNARAYANA

No one knows when and what Divine Act will be shown by Tirumala Sree Venkateswara; But He used to make me to get feelings according to his wish and pray him accordingly. Generally, the then situation used to be favourable to those feelings. He used to preach me with “Double meaning words” also. Some of them He used to suggest me for just blessing me.

I have no Master. I entered into spiritual field because of influence of Divine Acts of Tirumala Sree Venkateswara only. To me Master, God and my owner is also Sree Venkateswara only. As a matter of fact, I used to treat Lord Sree Venkateswara the main cause

of this entire creation. I used to feel that He is only the source of Sri Ram, Sri Krishna, Laxmi Devi and even to Srimannarayana. Many people think that Srimannarayana is the main source of this entire creation, but I don't believe. So strong faith I had on Lord Sree Venkateswara. Now today in this dream, He explained who is 'He' actually in the main source. He informed me that He himself is the Srimannarayana and He only gave birth to Brahma etc., and He only provides energy to them on daily basis. This knowledge is given by him. He also said that at present, He is in the form of Sree Venkateswara. The Divine Act is as under:

On 05.07.2002, since it was my birth day, I used to give holy bath to Lord. On one occasion, Lord himself said to me that, I only Lord Shiva so you adore me. Since Lord himself told me, I, after giving holy bath to Sree Venkateswara, also used to go holy bath to Lord Shiva also. Like this, this only bath, I used to feel as if I touched my Lord and give him holy bath. I used to enjoy a lot at that time. Since it gives me joy, I never lost the opportunity to attend this holy bath process. I used to give holy bath with water, Milk, Honey, sandal etc; to my utmost satisfaction. Afterwords, I used to adore with good Flowers and offer Honey to God.

I lost my Father Late Pullagurla Venkat Reddy on 22.12.1990 i.e. on Suddha Panchami in Pushyamaasam. I made it practice to organize the death day as per Telugu calendar in my own village Chinnagunda Velli. This year (2005) the Death day falls on 14.01.2005 i.e. on Friday. So, on 13.01.2005 i.e. one day in advance, I left for Chinna Gundavelli for my father's ceremony. Since the ceremony takes place on Friday, I have to be in my village on that day. Unfortunately as there were no proper facilities, it is not possible to offer holy bath to Lord Sree Venkateswara. So, it is not possible to perform it on 14.01.2005. I begged Lord again and again. "O Lord! I failed to perform holy bath to you. I even did not get this joy. Please forgive me. If you excuse me and bless me with Joy, then provide me with a dream to undress

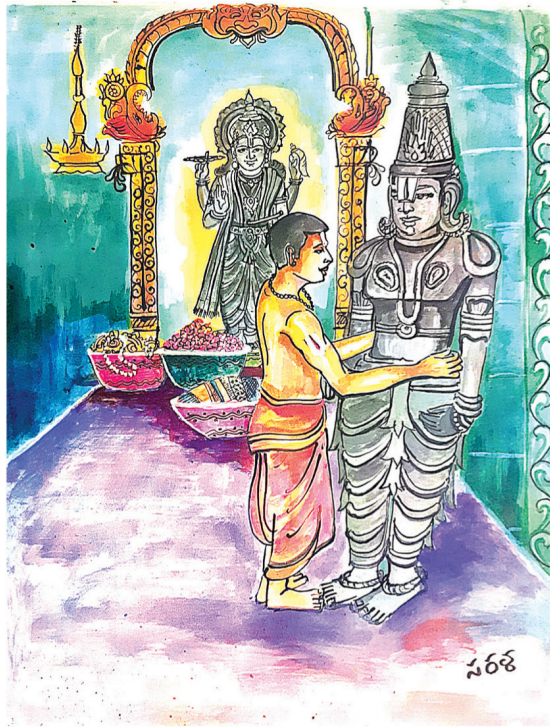

you and give you holy bath. As his "form" without dress gives me happiness a lot, I prayed like that.

My Lord heard my heartfelt prayer carefully. Out of mercy, He provided me with a dream on 21.01.2005 with his holybath and a little knowledge using the "double meaning words". In those days, our office was situated in Vidyanagar, on VST road. Near RTC cross road, there was a Hanuman temple, belonged to Sri Sringeri Shankar Matt. Also there was a temple of Lord Sree Venkateswara installed 2-3 years back in it. Since it was within my reach, I used to visit many a time and had good intimacy with the priest Sriman Gopalakrishnamacharyulu garu.

Dream on 21.01.2005:

I was approaching RTC cross road via Indira Park, Hyderabad on some work. I found the temple of Sri Panchamukh Hanuman Temple which belonged to Sri Sringeri Shankara Matt. The temple was well decorated as it happened an auspicious day. Garlands, Mango Leaves and Banana trees were arranged. I entered the temple to have a darshan of Lord. As such, if we enter the temple, firstly you will look at temple of Sree Venkateswara and the idol of Swami of 4 feet. To my surprise, I found there not the original idol of that temple but image of Lord Sree Venkateswara of Tirumala only.

Lord was very serious with the height of "6 feet" well decorated with white pearls and various ornaments. The total body was covered with ornaments only except face and cheeks. I forgot myself the very moment when I viewed him. Immediately I saluted him. Opposite to Lord, I found the priest Sriman Gopala Krishnamacharya who welcomed me with a smile. Another point is, the inner Room where Lord is installed also is of not this temple. Both the Door frame and Threshold (Kulasekharappadi) are of Tirumala Temple only. Inner temple was different which was very specious. There was an another entrance to enter that inner temple exclusively for priests. Meanwhile the dream changed.

This Priest, removed all necklaces of pearls, golden ornaments, cloths, etc, of Lord kept them separately. Meanwhile one wonder took place. Finally, this priest removed the outer dress of Lord and kept aside. This cover was just in the form of Sree Venkateswara alike a hard plastic one. In one way, we can say that He removed this Sree Venkateswara only with both of his hands totally and kept aside. This sheathing was almost 6½" height and under this, there was an idol with the height of just 2' to 2½'. As a matter of fact only this is the original form (statue) of He just bend a little backwards and also in slope. He was with Conch and Disc. There was a Lotus along with its fiber, length of 5 inches from his navel. The other part after 4 inches was cut, so as to enable to dress the idol. There was a small hole in the middle of this Lotus fiber (Mrunaal) Both the inner idol and the plastic sheathing cover were in very dark colour. On seeing it, immediately a feeling appeared in my mind - "I am originally Lord Srimannarayana only but I am in the form of Sree Venkateswara. The Lotus fiber came out of Navel is the source of Gods, Brahma etc. from the hole of this

fiber (Mrunaal) the required day-wise energy will be supplied to them by me".

Mean while 5-6 Brahmins entered from special entrance into inner temple where lord exists along with silver plates which were filled with various material required for holy bath i.e. flowers, Curds, Honey, Sandal, Water, Sugar etc., By that time, the number of devotees visited the temple to witness the holy bath increased more and more. Finally the programme of holy bath completed successfully it seems. I couldn't see it properly. At the same time another miracle took place. A black Shivalinga of 2 feet height and 3 feet Diameter appeared in the place of Lord Sree Venkateswara. This was also given holy bath with water, Honey, Curds and Sugar. The devotees touched Sivalinga whom I objected. But they said nothing will happen by touching it. Then I said, in Tirupathi no one is allowed to touch. The water, Milk, Honey, Sandal and Sugar were added and arranged holy bath while applying with hands. I astonished to see using Sugar for giving holy bath to Lord Siva for the first time. The Brahmins who came exclusively from inside the temple

have performed the programme of holy bath to Lord Sree Venkateswara, but to Lord Siva, the Devotees and Brahmins performed it together. I became just a Spectator. That's all. My dream got disturbed.

Thus, Lord Sree Venkateswara pleased me showing the holy bath as desired by me for both Lord Sree Venkateswara and his another form Lord Siva. Especially 'He' enriched my wisdom thro' this divine act. A feeling appeared in my mind because of him that if he removes the sheath of Sree Venkateswara he becomes Srimannarayana and Lord Brahma appeared from his navel and he only provides the day wise energy daily to them thro' that hole. In spite of this much knowledge provided to me by Lord, I did not change my opinion that Sree Venkateswara is only the original form. I cannot get joy in other forms. I prayed to bless me so that I adore him with this feeling only.

I have analyzed this divine act also in this way. Sree Venkateswara is an originally complete God and origin of all powers i.e. Srimannarayan. Including Sri Mahalakshmi, all Gods born from him only. In other words, He is the source of all Gods. So, chanting name of Srimannarayana means (Monotheism) chanting names of all other forms. If we pray Srimannarayana we get same virtue what we get by praying all forms (of Gods). It is not necessary to pray many Gods (Polytheism). Monotheism benefits the exercitant (saadhak) a lot. In the past, Dhruva, Markandeya, Anjaneya, Prahlada, Pandavas, Hathiram Baavaji and Tarigonda Vengamamba etc., are those devotees who became successful with Monotheism (by adoring one form of God).

The Devotees, standing for three (3) days in Que, have the darshan of Lord with contentment after darshan, they get their desire fulfilled. We have to keep in mind that the God of Tirumala is “one form” which contains all “forms”.

ADVICE TO PUT THE AUSPICIOUS MARK ON HOUSE THRESHOLD

About Home: Our Home construction works in Kakateyanagar, habshiguda are going on. An idea Struck in my mind to put Conch and Disc (Sankha and Chakra) instead Ganesha above the Gateway (Mukhdwar) I shared my feeling with Swami (Lord) and asked to order me. He has shown the below Divine Act:

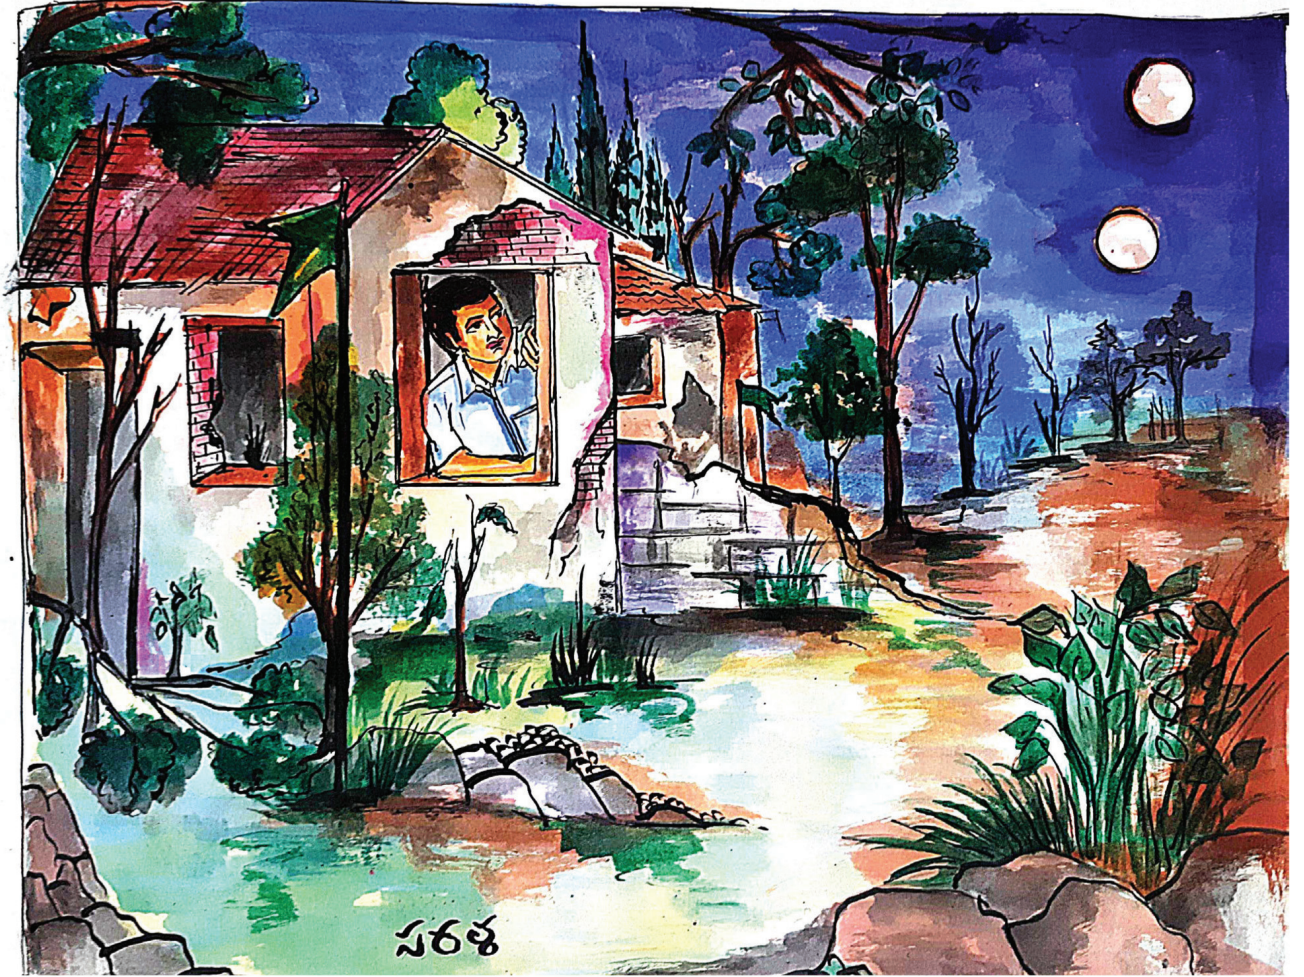

25.01.2005: The Dream:

I saw a Gate in this dream on which a balcony was also seen. Lord Krishna was standing there. He was playing on flute. He kept one foot on another foot. He was singing some song. It was a cement Jally and Krishna was in its middle. There was also Jally on either side. It is a very old picture. There was mixture of three colours i.e. Blue, Yellow and Red in him. That's all. On seeing this, I imagined that Lord has accepted my wish. Then I kept an auspicious mark (Naamam) in the middle part of gateway of our home and drawn both Conch and Disc on either side.

One cannot understand all the Divine Acts of Lord. I couldn't follow the below Divine Act:

DREAM ON 08.02.2005:

Today is Tuesday. Also it happened New Moon Day and Sravan star. I was in a forest. Probably it was behind our house in the centre part of Osmania University. I found a house in dilapidated condition. Nobody was living it. So it appeared as a dilapidated or abandoned house. The thieves robbed its windows and Door frames. There were 3 or 4 rooms in it and three Muslim flags were tied on it. I entered into a room of that house. I just moved forward and came out thro' a door with no frame. I then causally looked up. Then I found Moon in close up scene very clearly in shining red colour. I looked again more above to that level. To my surprise, I found another Moon very closely in close up. Like this, two Moons were found with brightness. I thought in my dream itself whether it is good or bad.

My dream got disturbed. Thinking that Lord himself only is my protector, I prayed Sree Venkateswara whole heartedly. I could not understand the meaning of this. Please let me know if anyone of you know it.

WHAT ALL GOD BLESSES WILL BE SWEET

About business: My financial position turned from bad to worst the day when I started Sree Venkateswara Mahaa Mantra Peetham. I lost a lot in my business. The houses constructed were not sold even after waiting for many days, only after praying seriously and only when 'He' like, it, the houses (under Real Estate business) were sold. In a nutshell, my business was put to loss and on the contrary my prayer went to peak. The persons who entered into this field earned profits but in spite of my good knowledge and intelligence, I

failed in it. It influenced me a lot and I left no stone unturned to come out of this crisis. On seeing my efforts, Lord blessed me with a beautiful analytical Divine Act; but unfortunately, I couldn't follow it at that time;

Dream on 10.02.2005:

I, in this dream, visited a very big river like sea, where people go for holy bath. There I found a few devotees, enjoying holy bath and some were going home after bath. I, then jumped into the sea and started swimming. To my surprise, the water was not salty like any other sea water. It was very sweet and tasty. What is this? Is this not sea? "If it is sea then". Why this is not like any other sea water. I put some more water my mouth but this time it was salty like sea water. Another point to be noted it here that though many people are taking

bath, the water was very fresh and neat. I wished to have a Darshan of Lord after bath. That's all. Everything disappeared. I woke up from my sleep.

I couldn't understand the real meaning of this dream at that time. But I realized it today. Whatever Lord Sree Venkateswara blesses it is sweet. I thought it's all depends on our mental status when we take it. If we receive or enjoy it with ego then it become bitter / saulty. I was not satisfied with the little business what He blessed me; rather I tried to make it double. Thro' this Divine Act, He taught me a lesson that too much of anything is good for nothing or it becomes bitter.

SWAMI KNOWS EVERYTHING

About Service: Never I spent Ten days continuously without viewing the Divine Acts of Lord. Every minute, Every day I used to demand some or other thing and wait for answer. I used to lament when he delays to reply me. Again I used to continue my efforts. At that time we engaged ourselves in making devotees to write 7 crores of JAPA in third step. Whom to invite as a Guest for Japa offering? It was a million dollar question to me. I started waiting for a green signal from Lord Sree Venkateswara. Also I used feel a lot that he has forgotten me; But Lord opened my eyes (taught me lesson) showing the below divine act.

Dream on 04.02.2005:

This time my dream was quite abnormal and strange also. It was a rare and wonderful incident. I witnessed both Sri Sri Sri Srimannarayana Chinna Jeeyar Swamiji and Sri Ajay Kallam, E.O. TTD. There were some files in his hand and I was climbing some steps along with some devotees. This was the first scene in the dream (Today Sri Ajay Kallam handed over his E.O. chair to Sri APVN Sharma ji).

In the second scene, I viewed Sri Sri Sri Chinna Jeeyar Swami in his Ashram. Some function was going on there. A number of devotees gathered there and Swamiji was continueing his Anugraha Bhashanam

(spiritual discourse) I waited very eagerly to hear about our Japa offering and unique programme with a lot of enthusiasm but invain. He did not speak a single word about this. After concluding his discourse, he started moving towards his hermitage. In between, I approached him explained that as a third step, I am offering 7 crores of Japa to Lord Sree Venkateswara and distributing Japa books to all. Then, Swamiji replied with a smile - "I am aware of it. I know everything about what your contemplating. You are offering 7 crores of Japa third time. Am I right?" Then only I realized that Swamiji deliberately did not speak about me in the meeting. That's all, My dream got disturbed.

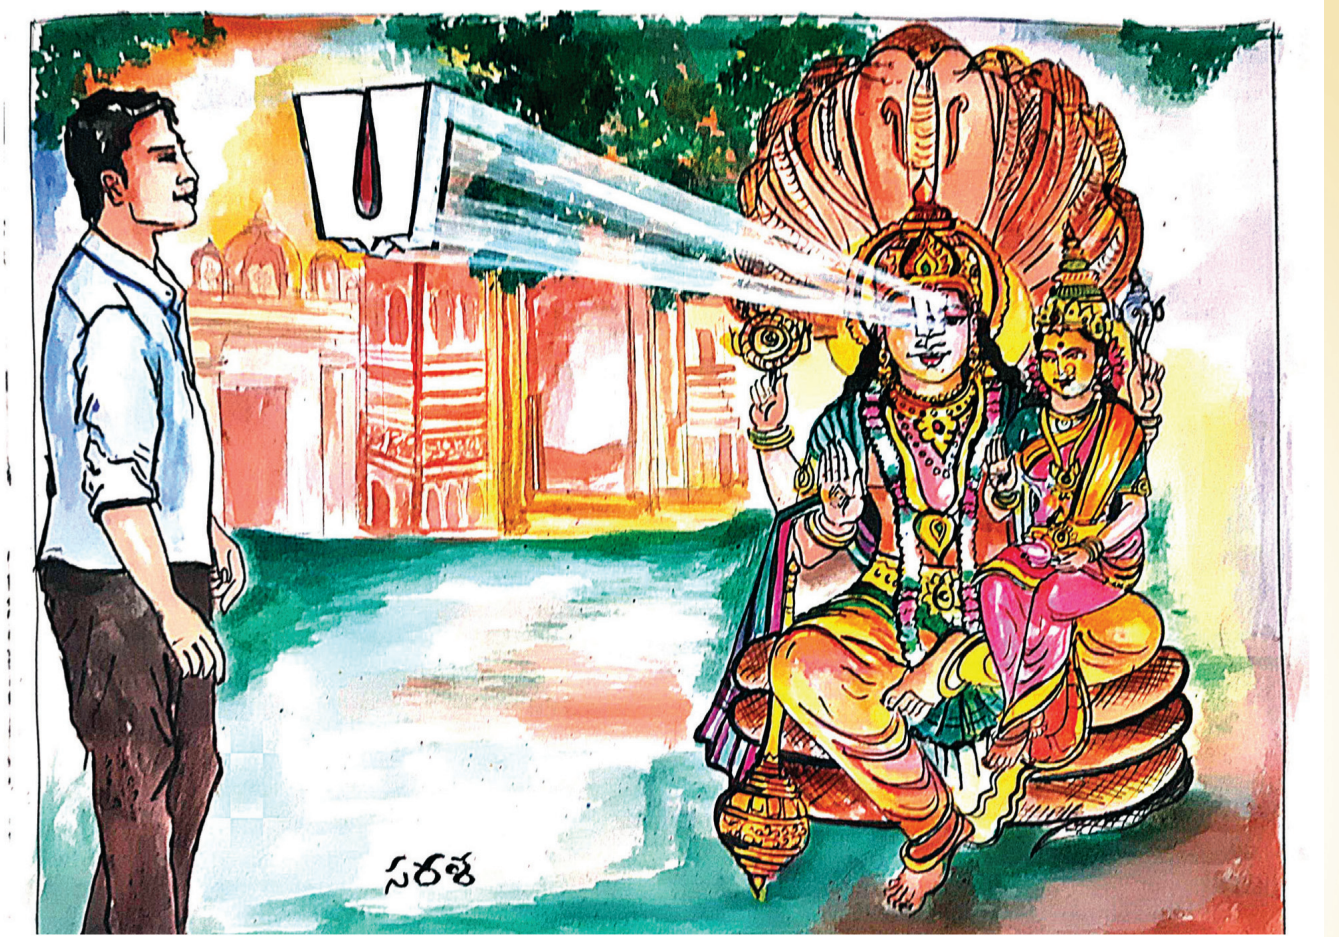

I clearly, understood the inner meaning of my dreams that, Lord didn't forget me though he didn't give me timely reply or kept quite. I also realized that everything about me, and about my every minute He knows.

DARSHAN OF LORD SHIVA WITH AUSPICIOUS MARKS (TIRUNAAMAM)

I am an Ordinary and Simple person but because of Mercy of Lord Sree Venkateswara, I became a blessed one. I used Swami taking it granted for my personal benefit in that direction which was giving me pleasure a lot. Probably, as for as my knowledge goes, I am only the person who used God in entire creation abundantly. He also used to fulfill my desire. Once I had a wish to have a darshan of Lord Shiva. Then I prayed Lord immediately - 'O' Lord! Please bless me with TIRUNAAMAM (Auspicious Mark of Vaishnavates on their foreheads) Lord has immediately blessed me which was as under. It is an another most matchless pearl in my life.

Date:11.02.2005:

I, at 11.45 AM today visited Sri Prasannanjaneya's temple situated in Tirumalgi. I used to visit that temple when ever my heart becomes heavy with problems for want of peace since it was within my reach. Today, I visited temple stood infront of Sri Anjaneya bowed and prayed.

I circumbulated Lord Shiva also, whose temple was just behind this temple for five (05) times and prayed. Though I had feeling that I am praying Parama Shiva, my inner heart used to think about Lord Sree Venkateswara only. I used to enjoy when I pray SIVARUPAAYA SRI VENKATESWARAAYA NAMO NAMAHA only. I don't know why today a desire appeared in my mind to have a darshan of Lord Shiva after prayer which slowly started overflowing. I saw Lord Shiva in the form of LINGA. Now I wished to see him in human form. This desire, resulted into hair raising situation and tears rolled down on my cheeks. Immediately I felt that even Lord also approved my humble request. I stood in the same position with no moments for 5 minutes. Meanwhile an idea struck in my mind alike lighting. Though I wished to see my Lord Shiva only to my satisfaction; but I thought. It would be better if this pleasure becomes double what I get.

Immediately I started prayer - 'O' Lord! I have a very strong desire to see you just to my satisfaction only. So, appear before me with the Auspicious mark on forehead (TIRUNAAMAM) alike Sree Venkateswara in the same size. In other words, I prayed Lord Shiva to give me Darshan with the same size auspicious mark (Bottu / Swaroopam / Tirunamam) on his forehead.

Lord Shiva paid a deaf ear to my humble request to give me darshan next day. Again I prayed and begged a lot to give darshan at least today. Then He blessed me. That Divine Act was as under:

Dream on 13.02.2005:

There is Shiva temple at Tirupathi called Kapileswaram / Kapila Theertham where Lord Shiva's temple is situated. Lord Shiva will be worshipped here. As soon as we enter the gate way of temple, we can see Sri Laxminarayana left side. Both Sri Laxmi and

Narayana sit on a Serpent Sesha. Mother Laxmi sits on the lap of Lord Narayana. Alike Sree Venkateswara. There is 'auspicious mark' (Naamam) on their forehead. Lord Srimannarayana is called as "Kshetra Paalaka" (Guard of that temple area). I saw the similar form - Lord Sri Mahaa Vishnu, keeping Laxmi Maatha on his thigh. There was auspicious mark from his nose upto end of forehead and that too was on the eyes. There were a number of Golden ornaments. Later, I found only his 'Naamam' (Auspicious Mark) in closeup which started growing slowly and finally came to me. Again after few minutes its size started decreasing and went to Lord and rested on his face. For example, in a movie, to kill someone, a thief carries a knife, will be shown clearly in general and his shining knife which in close up in particular. Similarly, only his 'TIRUNAAMAM' was shown after showing him. The aim of the Lord to make it clear that He is with Tirunaamam. After wards, He appeared as Sri Laxminaarayana as usual. In my dream itself, I imagined on seeing them that these are resembling Lakshminaarayana of Kapilatheertham.

I visited a temple of Lord Sri Venkateswara after this incident. There was heavy crowd of devotees since some celebrations were going on. Also there were many Brahmin Priests and Scholars, who are making arrangements for chariot procession. On seeing me, they invited and arranged adoration in temple. Later I came into streets where many people gathered to witness the Chariot of Lord. There were many small idols also in that temple. There ended my dream.

Lord Shiva, thus, appeared before me with Tirunaamam (Auspicious mark alike Lord Sree

Venkateswara) as I desired. It means, He gets converted as Naraayana if 'He' is with Tirunaamam. In other works, Sri Venkateswara is Srimannarayana and Parama Shiva also is Srimannarayana. Both are same and Srimannarayana exists in their root. I saluted my Lord who blessed me with such a most wonderful and precious knowledge in order to fulfill my desire. It is another most matchless pearl in my life.

MY CONDITION:

Lord Sree Venkateswara told me to obey him. Accordingly I decided to distribute Japa books to all at free of cost. Lord Sree Venkateswara said that he will visit my home and have Lunch. My father told me not to trouble Lord Sree Venkateswara and Sree Venkateshwara is none other than but Srimannarayana only basically. He also advised me to have contentment with what all blessed by Lord, Leaving all more efforts. He categorically said that Shiva is also Srimannarayana only.
