# DIVINE DIRECTION OF TIRUMALA SRI VENKATESWARA

English Version  
PART 18

The Serial of Divine Acts of Lord Tirumala Sri Venkateswara in order to establish his "HARINAAMA KSHETRA" in Telangana alike another TIRUPATHI.

Servant of Sri Venkateshwara  
- Govinda Dasu (Pullagurla Sai Reddy)

**Direction:** Lord Tirumala Sri Venkateswara decided to arrange his "HARINAAMA KSHETRA" near our "Gardenwell" in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the replica of Tirumala Temple upto two compound walls (Silver Doors). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran (chanting) by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting the training from April 2000, thro' my dreams, He disclosed the actual matter in April 2022. In

addition to this, He ordered me to get the divine feelings published which were blessed by him in order to make the devotees as partners in this programme from April 2023. The publishing of present part-18 is its part only (January 2006 - September 2006).

This part of my life appears outside as worst period; Because Lord took steps as if he is grabbing my entire property. My every effort failed during this period and one way I even faced a situation that I may discontinue my business. I had a suspicion that it is all happening because I couldn't launch the Magazine Namu VENKATESAAYA. At the same time, I was blessed with many rare achievements.

I developed a sort of detachment also with Lord Sree Venkateswara because I got cheated in my Miyapur property issue and 'He' didn't stop it. How he will save those who participated in 7 crores of Japa every year when he failed to save a devotee like me? What answer I have to give them if they ask me same question?" Most of my devotion, dedication and trust on him got destroyed. In otherwords, I lost my hopes on him. Finally, I thought it is now left to him whether he will save me or sink me in the ocean of problems; But I thought it shouldn't affect his service. It should be continued, But, I couldn't concentrate my mind totally

on service. My will power "to do more serve (to serve him more and more) lost seriousness.

### **Taking Non-Veg. Food**

Before Six (06) months to start the service of Lord, I completely transformed into a pure vegetarian. With total dedication, adhering to strict rules and as a person, faces an excitement from society, I started living. Now I started thinking that "Is it necessary now and why I shouldn't take Non-veg. food? I prayed Lord that day - 'O' Lord! I am going to start eating Non-veg. food, but I won't touch it if you object me or order me in today's dream, or else I eat it" Nothing He told that day in my dream. So, I decided to eat non-veg. food. Now let me see what he suggests, Lord has shown a divine act to me to prevent this:

At that time, I was wondering to buy Lands nearby Yadagirigutta with the amount what I received out of disposing of my Miyapur Land. I went to a hotel and deliberately had Non-veg. food. Later I came out from Hotel, not even crossed the compound. All of a sudden, some uneasiness in my stomach started. Also I experienced some guddiness. Even I vomited also. Afterwards, I never touched Non-veg. food. Showing me such a divine act, Lord made me pure veg., and not to touch Non-veg. in my life.

**Dream on 07.01.2006:** I found myself in the meeting of my colony people in today's dream I was discussing about Guest who will inaugurate the Chariot procession this time. That's all. Only this much I viewed in dream. It means though it is not time for procession of chariot, and myself was busy in other activities I in every context, used to think about Lord and his service.

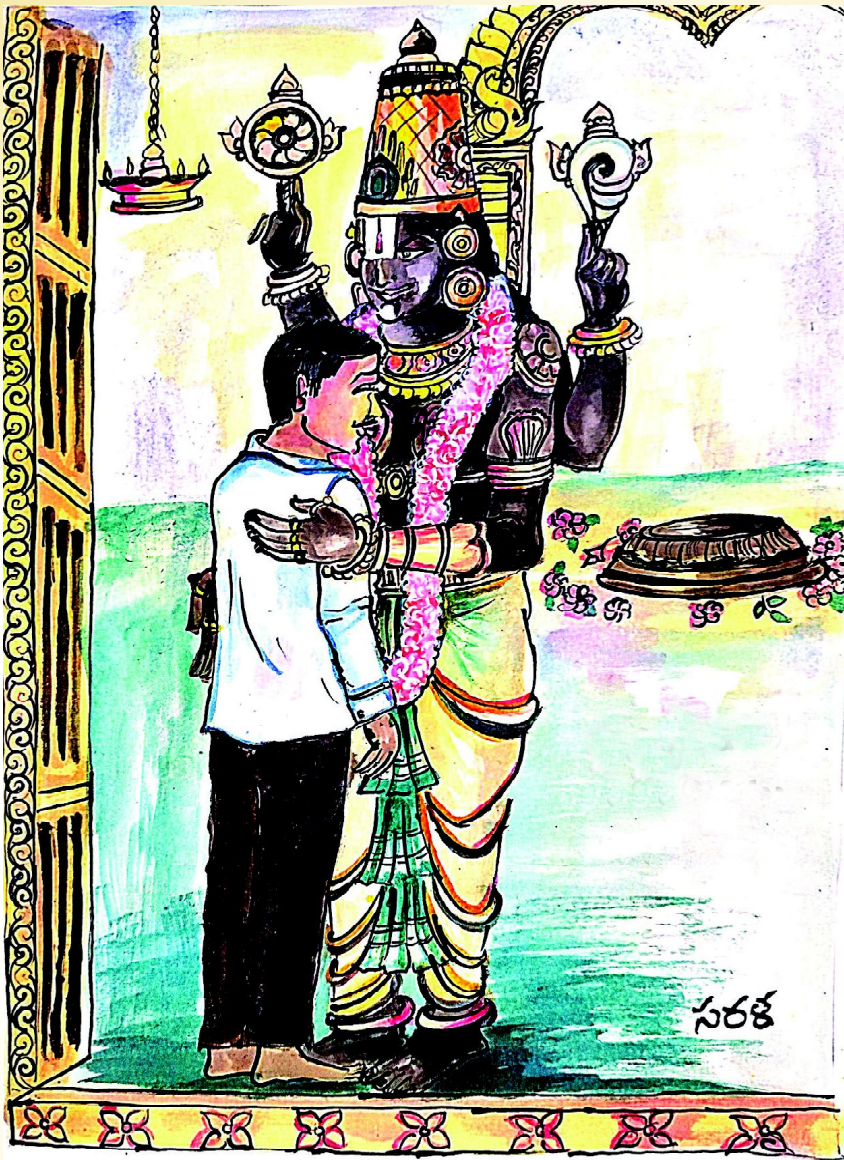

I discussed with myself only in property dispute. A Real devotee never gets disturbed or scarred for any kind of pain; But I got scarred. So I felt ashamed for telling myself as his devotee. I tried a lot to change in myself, but invain. In these property dispute, my

fascination increased many a time. As a result, even a small problem used to torture me a lot. I, by nature, I am a courageous person but the courage was not sufficient. As a result, I used to chant the name of Lord very seriously, I was trained in this way, but my indifference grown a lot on him since He wantedly robbed my property and put me into hardships.

### **Hug of Lord Sree Venkateswara**

I am very very fortunate. There may be crores of devotees of Lord Sree Venkateswara, but how many had the fortune of being hugged by Lord? I got it. That's why, I say I am fortunate. That too, I got it exactly on holy day Vykunth Eakadasi which made me more joyful. Not just a hug but to express the feeling that I am very close to him, he with smiling face came forward to two feet forward and hugged me. For instance, if any very close friend of us visits our home, then we step forward and hug him. Similarly too stepped two steps forward and hugged me. How can I describe his mercy? I am unable to describe his greatness, who is the Creator - Organizer and Destroyer of this universe - gave this to a person of very very low level like me . I couldn't give him except allotting his mercy just for another life.

Every divine act of Lord resembles the taste of any item increases when we are hungry. He has blessed me this hug saying that he likes me when my heart was buruing with disrespect thinking that Lord only robbing my properties and he is only the reason to my financial crunch. Thus this, feeling and happiness increased thousand times. 'O' Sri Venkateswara! The feeling that I give up everything belongs to me for your sake, has reached its peak in me. "Another important point here is, when I was in dilemma that whatever Lord is showing me in dream is believable or not, to be trusted or not to be trusted, then 'He' assured me in the month of April that every dream was true. So, I trusted that this hug is also cent percent true. This wonderful divine act and the situations earlier to it were as under:-

I got tired a lot in my property dispute one way, I can say, I got squeezed. One side I lost property and the other side I made myself away, far away to my Lord.

A feeling cropped up in my mind that the more I behave with him in Angry mood the more he is going far from me. What all I performed in this Anger, started giving me opposite result. I purchased lands here and there with the money what I received after Miyapur compromising; but I was put into loss later as those all lands were in some or other litigation. As a result, I

suffered a lot mentally. It is double torture than the torture what I experienced because of land litigation. I was put into heavy loss also.

It was Vykunth Ekadasi on 10.01.2006. I used to get blessed for every Vykunth Ekadasi and Tohli (first) Ekadasi since many years. But now I worried whether Lord may bless me or not this time since gap has come in between us. I thought, I may loose property but I should get him under any circumstances. I thought to have darshan of Lord on Vykunth Ekadasari by hook or Cook., but I cannot. I cannot go to Tirupathi since my mind is not accepting. A very big crowd of devotees that day wait for his darshan. Somehow it developed in my mind that Lord is not interested in me. A sad feeling that he did not come at my rescue was chasing me. I lost property worth of crores of Rupees. The money what all I earned disappeared. I came to a decision that the reason for this is Lord Sree Venkateswara only. Finally, I

started to get him since 3-4 days. I prayed - " 'O' Lord! No problem whether I was put into loss, but bless me with your darshan as earlier since I belong to you".

At last, Lord Sree Venkateswara paid careful ear to me. He heard my heartfelt prayer and blessed me with such a respect which was received by very very few devotees in the history. My life is actually miserable and pitiable. I felt that I born only for this. I happens to devotees very rarely. Lord has blessed me with many precious pears of experiences in my life for which I have to indebted to him or vow to him thro' out my life.

While telling me in this divine act that he likes me, he hugged me. We think that we will be more blessed if we have the darshan of Lord on Vyakunth Ekadashi. As such, how can I describe my fortune when Lord himself hugged me stating that "I like you". How many will get such I golden chance? The details are as under:

I was praying Lord since many days to bless me with his darshan and express his fondness (Love) on me. I prayed in a same way on 09.01.2006 also. As the next day i.e. on 10.01.2006, was Vyakunth Ekadasi, I begged him to appear this time also alike every year.

I just in meditation, prayed with a hope that he will appear in my dream, and slept I at 4.15 AM on 19.01.2006 got up. Of course, I used to get daily at 5.30 AM, but I think because of enthusiasm and anxiety I got up a 4.15 AM unfortunately, He didn't turn up. Thinking that he is not interested in me, I developed a sort of indifference attitude. I felt bad. It pained me also. Later, I washed my face. Meanwhile my wife came and questioned me why you got up so early. I witnessed a dream which made my life meaningful and purposeful.

The Temple of Lord Sree Venkateswara in Turumala is known as Ananda Nilayam. The threshold in front of Lord in Sanctum sanctorum is Kulasekharappadi. It is said that the desire of Sri Kulasekharaalwar, a great devotee's wish, to see Lord forever, was fulfilled in this way. He requested Lord to change him as a threshold. So it is called KULASEKHARAPPADI (Threshold of Kulasekhara Alwar) Lord Sree Venkateswara is just five to six feet away from KULASEKHARAPPADI approximately.

**Dream on 10.01.2006: Vyakunth Ekadasi:** I was laying down on my bed in Hyderabad. I got annoyed with Lord Sree Venkateswara. My mental condition was so bad that I had no interest to see him at Tirumala. Knowing this, Lord Sree Venkateswara sent his YOGAMAAYA (Illusion) to me Who stood

by my bed side. She, as if immediately tied up my Legs and hands as if tighed with ropes. Later, she made me to get up a little and turned me alike a stick horizontally. We cannot take a stick of 5½' lengthy and broadness of 3', But as we can take it if we keep it straightly (vertically) we can take it outside easily. Afterwards, she took me outside of my home thro' door and Later she carried me in the sky upto Temple of Lord Sree Venkateswara in Tirumala. She landed there and kept me just two feet away from Kulasekharappadi in front of Lord Sree Venkateswara inside the temple. No sooner I found myself than all knots of the rope were untied. I have become free and stood before Lord. My Joy knew no bounds. I forgot the outer world. I have observed that the sanctum sanctorum was completely filled with smoke.

Lord Sree Venkateswara was invisible to me. After observing carefully and devotionally, I found Lord. I crossed Kulasekharappadi and stepped two steps a head. The smoke slowly started disappearing. Lord Sree Venkateswara was clearly visible to me. He smiled at me and felt glad. I felt that He was stepping two steps towards me. As we also invite any close person who visits our house by forwarding two steps ahead towards him, He also leaving his place and stepped towards me joyfully, whereas myself was in confusion and felt more glad. In this way, we both stood very close to each others. There were conche and Disc (Sankh and Chakra) in his two hands upper side. His lower right hand was giving Abhayam (fearlessness / Assurance) and left hand, folding palm towards him kept on his left thigh. It is called as 'KATI HASTHA'. Afterwards, I looked at his stomach. I concentrated only on his stomach and hands only. Meanwhile a wonder took place.

Lord has opened his left hand palm from his hip and opened it. It was kept towards down. I was taken aback. I failed to guess what happens there and

why it happens. The smoke was still there. Lord meanwhile lifted his left hand which was covered with golden bracelets. I daily salute to a bigger size photo of Lord daily when I leave the bed in the morning. I had the same feeling on seeing this golden bracelet covered hand in photo. Meanwhile, lifting that hand as if he pulled the opposite person and kept his hand again on hip. Finally, keeping his hand at my back and he pulled me towards his stomach. Suddenly, with one push, I was pulled towards Lord, touching his stomach. Thus, Lord hugged this unworthy devotee in. The feeling that "Lord likes me very much". Came into my mind very clearly again and again. My dream got disturbed. My pain and anger on Lord were burnt out like cotton that fell in fire. Keeping both i.e. the property I lost one side and hug of Swami on other side in the balance, I weighed. I found that the hug of Lord was only heavy. In other words, it weighed more with this the anger for losing Miyapur land completely gone. Here, putting two steps towards me satisfied me a lot. We also behave similarly when some close friends visit our home by just putting two steps forward to receive him. I felt ashamed because Lord by himself came forward to invite this useless devotee of low level. I offered my life another time to him. I don't know how to clear this "debt".

Lord Sree Venkateswara was with two feet and four hands in my dream. The upper hands carry both Conch and Disc and lower hands to uplift or bless the devotees. It is said that his right hand gives assurance that he will take care of us and left hand gives shelter to him who surrenders to him. His Lotus feet are exclusively for protecting devotees only. He who surrenders will be blessed. But I got, once the hand of assurance (Abhaya Hastham), second time two feet away and now the hand kept near the hip. The more I narrate the mercy of Lord on this poor person, the less it is. I also believe that this mercy will be received by 'Sadhakaas' (Those who practice meditation spiritually in Harinama

Kshetra) definitely in the days to come. On the whole, I experienced a change in me with this divine act. I thought that God made me like this to achieve something and losing property is a part of it. I possessed no property when I came to Hyderabad. I thought that Lord left his hug with me in the process of blessing me with this property and also taking it back. I convinced that nothing I lost with this divine act, God turned my mind towards him which was going in wrong track earlier. I again started the service of Lord as earlier willingly; But I tried to earn my lost property which was very valuable. I, with the money what I have, purchased lands and again sold them. Whereas my every step was proved futile and was causing me financial loss. On the other side, I gave the amount already fixed earlier to Mediators who compromised with regard to my Miyapur land. But they, taking my soft nature as inability, they pressurized me for more money. They tortured me also for this in many ways. Lord was shown this point also in his Divine Act.

**Dream on 22.01.2006 :** Someone was chasing me to drag money from me. They, finally kidnapped me forcibly. I was all alone. I was being chased. Then I very loudly but rhythmically shouted - 'OM NAMO VENKATESAAYA' twice to enable all to listen it. Seeing this, telling that it is nice - they went away. That's all. This much was the dream. Finally, as I didn't like such a life with problems and worries, I went far from those for a peaceful life after paying the amount as much as desired by them. I was put into loss in this way also.

I never left even a small opportunity to see the Lord. It was Bhishma Ekaadasi on 08.02.2006. On that day and also on previous Bhishma Ekaadasi Lord also blessed me. So just one day before it. I prayed from my bottom of my heart, very pitifully to bless me even for this Bhishma Ekaadasi also.

### **Dream on 08.02.2006: Bhisma Ekaadasi:**

I and my friend, both of us went to one known person. His family was celebrating Satyanarayana Vratam in their first floor Apartment. We went to him to take prasadam. But, before taking it, I was telling them in the dream that we shouldn't take prasadam in this way, it is to be taken like this. That's all. Only this much was my dream. I was able to see the adorations of Lord. Of course, I got prasadam too finally.

### **TELLING THAT GOVINDA IS MINE**

Lord Sree Venkateswara blessed me with another most precious pearl on my first birth day celebration in 2002. Lord Sree Venkateswara said that "**Sai Reddy** is mine". On the contrary today he made me to say that 'GOVINDA IS MINE'. That too in most holy temple of Badrinath thro' a priest. What else, a devotee, can get great fortune other than this? It was as under:

In fact, this Divine Act was written on a paper which was quite invisible because it got wet. It was very big written on 4 pages. I am describing it here as much as I understood it:

**Dream on 07.03.2006:** Lord Sree Venkateswara took me to Badari Dham to bless me with darshan of Sri Badrinath in this dream. I entered the temple with lot of enthusiasm to have darshan of Lord. Meanwhile I saw a beautiful temple of Hanuman left side. Just standing before it, I started worshipping Sri Hanuman with a lot of devotion. There was a North Indian priest in Traditional dress with a nice pious mark (Bottu) on his forehead. I stood there only for a long time staring at Hanuman For this, He got vexed and said - "Go that side your Govinda is there". He sent me to Govind. That's all. It was only my dream. Though the dream was small, it carried a deep meaning. I got excited and forgot myself. My Joy knew no bounds. I understood only that much that day. But the real meaning of it was as under:-

'You shouldn't surrender and take shelter of any other God. You shouldn't waste time. Only Govind is yours. Take his asylum (Refuge) only since he is most powerful. So surrender to him only". I thought this is only its actual meaning. It will be known in future why God designed this divine act. I had the darshan of Lord Badrinath after two months after this dream. To my astonishment, the temple was exactly as I witnessed in my dream.

### **Request to concentrate only on service of Lord**

My financial condition deteriorated from bad to worse daybyday. In spite of Good intelligence, thinking power and hard working nature, I failed in my attempts to go further in my life. The life was going on with Failures, Insults and Losses. As a result, I got tired a lot. I then reviewed myself. So far, I used to spent day time in business and evening in the service of Lord.

Reason, I don't know, but the more interest I show in service of Lord, the more distribution of Japa books used to happen smoothly or else with no progress in it. I reached to the stage where neither in

my life at that time financial stability was there nor mental peace. Finally I decided to do business only to meet necessities with contentment. I recollected the previous suggestion of Lord **"not to do business"**. Is it so happening because I didn't start monthly magazine? This idea came to mind for the first time. Accordingly, Lord had shown me a Divine Act as under:-

### **Dream on 13.03.2006:**

I saw in my 'today's dream that we, after collecting Japa books from various corners of both States, are bundling them all and sending to Tirupathi. That's all the dream was. I couldn't catch the meaning of it at that time. It's real meaning was - "utilize your full time in service of Lord only and live to his utmost satisfaction". In other words, only "your aim should be to satisfy Lord Sree Venkateswara. That's all. No other avagation please".

As I saw many Ups and Downs in life, I once reviewed my past. I thought about the feelings created by Lord, my mental change and also about the service to Lord. I even thought about my financial condition. So far I had a strong feeling that Lord Sree Venkateswara is mine and he will accept whatever I say. Now, there is a change in it. A strong feeling that, 'Lord belongs just not only to me' also cropped up. If I obey him, I get mental peace though not having money with me. Also I get fortune of viewing more divine Acts if not, if I think I do as I wish, then I addition to loss of money, we loose mental peace also. I opined that to change my route, Lord is doing like this. Finally, I decided to live with his service only by trusting him. The Lord Sree Venkateswara also convinced me with affection as under:

### **Cajoling by keeping me on shoulders**

I got squeezed mentally since many days and suffered a lot. As I incurred heavy loss in many

transactions since a long time, I had a strong feeling that I am all alone and helpless. I was so sad. Thereby, I financially faced heavy loose. Once it so happened that Lord Sree Venkateswara after observing my pitiable condition, assured me that he is my closest well wisher and no need to worry. He also lifted me up kept me on his sholders it is a wonderful divine act and most precious pearl in my life. It is as under:-

### **Dream on 06.05.2006:**

I witnessed a strong, stout person with good physique wearing Dhothi. His dress was resembling the dress of Farmers in village. Also there was a pious mark (Thirunamam) on his forehead. A scarf was wrapped around his head. He was half naked. He, it seems was very close to me and like father. He converted me into a small kind of 7-8 years boy and lifted me up and put on his shoulders. I was enjoying by holding his head joyfully. Later, while hopping and jumping said it is **"ours and that is also ours"**. He was circumbulating and showing many lands. In one moment, they appeared as our lands at chinnagundavalli and Ircode village. He assured me that He has many lands and their value will be increased in the days to come. Then I asked him, "Is this all good?" He said - 'Yes'. They appeared as very big plots and also there were a few houses in a little distance here and there. I said "these lands will be useful to construct houses here in future". Meanwhile, I saw one person of our village. I said that he stays by the side of our land in my village. Listening to my words, he lifted me up and tried to satisfy me as if he is very close to me. One way, He appeared as our relation. I was very happy with a feeling that I got a good company who is strong and close to me. He entertained me a lot alike every one do with kids. That's all. My Dream got disturbed. I experienced as if this entire dream I witnessed, had happened really in moonlight. The impression of this dream was on my mind for many days.

This dream carried a sort of assurance that “Nothing to worry, though you lost in every litigation, in every case and lost lands. We have enough lands and above all, I, your well wisher, am with you”

I understood that it is a great message.

### **Begging for Asylum (Refuge)**

I was mentally upset because of property losses and by ill treatments. Finally, I prayed Lord Sree Venkateswara 'O' Lord! Sree Venkateswara! You will even forgive him who commit Brahma Hatyaa. As such,

I paid in advance with some greediness with a hope to buy lands in different places. But now I am unable to purchase them as I have no money. I am not getting back my money which I gave to others. Rather I am getting problems with them. “O Lord! I may be at fault. Now I surrender myself to you. Never I repeat such mistakes. Please pardon me”. I dreamt as I wished.

### **Dream on 10.05.2006:**

I saw a Vaishnav Pandit with pious mark on his forehead. He was adoring Lord for my sake. After

praying for well being of me, He even offered Haarathi also. After this incident, I saw another scene. I saw a cradle in a very old house which was to be used in olden days for making kids to sleep. It was made of stone totally. It was in black colour with attractive design. It was very convenient to kids to sleep and there were supports for keeping legs with nice designs. It appeared as if such cradles were being used by only Kings and Emperors. It was just two feet above the level of ground. That's all. It was my dream. The meaning of this dream is I am praying Lord Sree Venkateswara with repentance and I don't know the meaning of this cradle. I will be thankful if anyone explains the inner meaning of it.

### **No service you get if you demand for me**

My wife Surekha was performing special adorations for Lord from 10.05.2006 as we were facing financial problems. Surprisingly, she too was blessed by Lord with a wonderful dream as under:

#### **Dream on 10.05.2006:**

It is Surekha's dream. Lord Sree Venkateswara appeared in her dream in the some form as he looks after holy bath on Friday. But she could see him upto lions only. He was with ornaments and in black complexion. That's all the dream was. We didn't follow meaning of its. Someone told that since you didn't see his feet, it means, you won't get service (of Lord) if you expect some financial help from him.

### **JAPA**

Shri Pandu Ranga Rao, one of the staff members of my office, arranged special Adorations with the help of some Brahmins as I have less Guru Balam (Power of Guru-Jupiter) and in order to make us free from financial problems. He started blessing me with the result of these Japas. In fact, they suggested me only to perform Japa by myself but as I do not chant the

name of any God other than Lord Sree Venkateswara, they are performing on behalf of me, In spite of my suggestion that we have to pray only Lord Sree Venkateswara. They didn't take it seriously. With the permission of my wife, They performed, I, tried to explain them, that all such things i.e. financial loss and inability to do business are just a part of Divine Acts of Lord but they paid a deaf ear and continued their all such spiritual activities. It was their belief that financial condition will be improved if we serve to Lord. On the whole, my situation was pitiable and sad.

### **Love with Lord**

To me Lord is everything even in worst conditions also. I can bear and tolerate if someone abuses me but I cannot keep quiet if anyone comments or degrades my Lord. In such situation, I will go to extreme and even ready to manhandle him. I came across such a situation in my life. Once it so happened that I was about to manhandle Late P.V. R.K. Prasad the then E.O. TTD, but fortunately by the mercy of Lord Sree Venkateswara I escaped from a crime which is as under:

I met Late P.V. R.K Prasad, Ex-EO when I was in financial crunch. I explained him about my problems and about the direction of Lord to run the monthly spiritual magazine. Also I gave him some copies of my Divine Acts' Book. After one week he replied me as under:

"Don't link your business with the service of Lord Sree Venkateswara. Don't demand anything. He knows what to give you and when to give you. If you are sure that 'He' is with you then don't get scared for your financial problems and other issues. Keep on going ahead in his service. Also He suggested me to start the monthly magazine Namo Venkatesaaya - with 3-4 pages only with small investment. Don't bother about other problems". I, of course was glad for this suggestion

on the whole, but got annoyed to publish the Magazine with only 3-4 pages. I couldn't control my anger. Had there any stone, I would have picked it up and would have hit on his head. I even tried to search a stone which will be kept as support to Room doors to keep it open. As didn't get it, I thanked Lord for not giving me chance to do so. Why because even in this situation also I had endless love on him. I cannot tolerate if anyone degrades or ill treats him. I thought it is nothing but degrading him to start the magazine 'Namo Venkatasaya' just with 3-4 pages but not in ordinary size. This made me to loose the temper. As a matter of fact, there was nothing wrong in the suggestion of Late Sri Prasad Garu I was financially unsound and on the other hand not in a position to commence the Magazine. So, He advised me to start

a small one, But my feeling of service on Lord made me to get annoyed on him.

### **Showing the Prevention of Growth**

I prayed Lord Sree Venkateswara again and again to protect me as I became worried and facing loss and problems with others. One side He used to bless me as if he is listening to my prayer but on the other side, I found no change in the situation. When he observes some changes in me in the midst of problems, he used behave liberally and affectionately. Till then, it was of no use even I pray deeply and seriously. He had shown my total situation which was prevailing since few days through one divine act. But, its real meaning was I was planning to grow financially but Lord is

indicating me to stay below only without allowing me to grow. This wonderful divine act is as under:

### **Dream on 01.07.2006:**

I viewed a big hillock in this dream where some known persons were there. I was climbing that hillock in order to go and meet them; But somebody was blasting that hillock from upper portion. As a result the rocks were rolling and falling down. They were coming in my way. I was unable to climb on account of this. Those rocks and big stones are falling on road and human beings. While seeing them and escaping from them, I was trying to climb the hillock. I observed that the idea of blasters was blast and smash it. That's all. There ended my dream. This was the procedure shown by Lord I was climbing means I was trying to grow financially and it also means that Lord was making me to stay below only.

### **Offering 7 crores of Japaa 4th time**

On the eve of ensuing Gokulashtami, (dt:16.08.2006) we commenced chariot procession "NAMO VENKATESAAYA' from our residence in Habshiguda on 27.7.2006 for offering 7 crores of Japa offering 4th time. This programme was started in the direct supervision and blessings of Sri Sri Sri Madabhinavoddanda Vidya Nrusimha Bharathi Swami ji, the Pushpagiri Sankaracharya Maha Samsthan Peethadhipathi. It was dedicated by Sri Ajay Kallam, IAS the then EO, TTD.

After completing the procession in Hyderabad we reached Tirupathi on 14.08.2006 via Visakhapatnam, Annavaram, Bhimavaram, Pidugu Ralla, Ongole and Nellore. We really enjoyed a lot during this chariot procession. I experienced a sort of radical change in me that I will not change my mind till I reach Tirupathi.

We visited Tiruchanuru and had darshan of Goddess Padmavathi on 15.08.2006. Also we dedicated 'Japas' to Lotus feet of Lord and adored. Later, on 16.08.2006 we went to TTD Dairy form on Gokulashtami and conducted Sree Venkateswara Mahamantra Yajnam. Also special adorations were conducted for Japa Sriman APVS Sharma, EO, the then EO, Visited Purnaahuthi Programme and dedicated Japa to Lord Sree Venkateswara and started 7 crores of Japa 5th time. The dedication of Japa was conducted to our utmost satisfaction. I, as usual, had darshan of original idol at the time of adoration and his Lotus feet at the time of Japa dedication at Alipiri. Later, we went to Tirumala Hill, had darshan and returned back to Hyderabad.

We witness some or other divine act of Lord during every chariot procession. This also he blessed us with two divine acts. One of them belonged to my wife Surekha and another one to a devotee by name Ramesh. They were as under:

### **Reminded Honey offer**

Surekha because of one divine act, shown by Lord earlier - used to stay happily at home when I wonder outside during chariot procession. She used to adore only in my absence as I adore him. I left for Vizag etc., in connection with chariot procession on 07.08.2006. At that time she offered flowers, Tulasi followed by Aarathi (benediction); But she forgot offering honey as I offer. She dreamt a dream after 2-3 days as under:

**Dream:** It was the dream of Surekha. We, all family members, visited a forest area to have Vanabhojanam (Taking lunch in the lap of Nature, especially under Amla and other Trees). There were open lands, many trees, birds etc., in large number. There we found a tree with honey comb (beehive) It was in very big size but without honeybees. The honey

was leaking by itself from it. It was falling on ground and flowing. Everybody including Surekha got astonished. They were observing the honey how it was flowing automatically. That's all. The dream got concluded. She at once got recollected that she had forgotten to offer honey to God. From that day onwards, she started offering Honey. Like this, Lord Sree Venkateswara used to rectify our mistakes which we used to commit unknowingly.

### **Dreams of Devotees**

I wanted to make others also to serve Lord alike me. I used to encourage every devotee to distribute Japa booklets every year among devotees and later to collect and handover them to us. With such kind of encouragement, Many devotees used to decide and

co-operate us. Lord made them also to get many divine experiences. Both Sriman Tukaaram and Sriman Ramesh were supporting me from the day when I started Japa dedication programe. Both were real devotees and used to serve Lord in their own style. We can understand that Lord has deployed them both as my Assistants thro' the below Divine Acts:-

One Mr. Ramesh was with us right from the day we started Peetham. He used to accompany us every time to Tirupathi along with Chariot; But I did not find enthusiasm and happiness in the year 2005 at Tirupathi. Later also, He didn't visit to this Peetham many times. I understood that due to some or other reason she kept himself aloof from our programme. He had a dream in the month of July 2006.

He later told me that - "He witnessed me in his dream and I was asking him, it seems, 'Are you not coming to Tirupathi this time?' In his reply he said to me - "Yes sir, I am coming", it was his dream. Of course, this time the Chariot Namam Venkatesaaya' started from my residence on 27.02.2006. Our procession will go smoothly if there are 7 persons in it. But this time there were four only. This time as we have to visit interior places of Visakha, we deployed one outsider so that our number will be seven. We decided to visit Visakhapatnam on 06.08.2006. But unfortunately, the person whom we deployed specially, informed us on departure to Visakhapatnam that he is dropping himself since he doesn't like this Chariot procession. Then we had a problem in Chariot procession. There must be seven including me. I didn't consult Ramesh this time since we arranged a new person. So he didn't get prepared. Finally, I called Ramesh over phone on 06.08.2006 Morning. I couldn't contact him as the phone was switched off. Finally I contacted him at 7.00 AM. Then, I asked him. 'What Ramesh! Are you not accompanying us this time to Tirupathi?' I talked to him exactly as I talked to him in his dream. He replied "Yes Sir! I am coming". He immediately started and accompanied us. Like this our chariot procession went on well with his Divine Act. These were divine acts occurred during our chariot procession another devotee Sriman Tukaram had another kind of experience as under:

**Sriman Tukaaram:** Sriman Tukaram, aged about 58 years, a lower level employee used to take some thousands of small booklets every year and distribute among devotees in the temples situated in Moulali, AS Rao Nagar etc., and later He used collect and handover them to us. Though he decided to serve a lot, but all of a sudden wished to put off his service. Then Lord did a miracle. As a result, He experienced a wonderful feeling and continued his service. It was as under:

**Dream in July 2006:** Sriman Tukaram was digging a ditch somewhere but to his surprise, he observed that Japa booklets were overflowing instead of water from that ditch. The more he was removing books the more the booklets were flowing. He was taking all one by one, giving to me but the flow was continuing. It was endless. That's all. It was his dream. It means, Lord Sree Venkateswara is making better use of his services in this programme. I thought that he (Lord) directed him to assist me. Like this, Lord used to help our programme thro' his Devotee.

In addition to these all, Lord used to appear in dream of many people and encourage his Japa. Some devotees used to forget to write in the books. Then, Lord used to appear in their dreams and remind them and make them to write. Many devotees used to tell me such divine experiences. On the whole, though I only appear outside, but entire work was done by Lord Sree Venkateswara only. In other words, He was only everything behind this programme.

### **Making me to spend**

Lord Sree Venkateswara not only aimed at my downfall financially, but also used to create various situations for this. As result, my position became bad to worse. One of such experiences was as under:

Lord blessed me with a 'Plot' in Kakateyanagar in Habshiguda. A feeling appeared in my mind that the Home shouldn't be small as Lord only gifted me. I got constructed 3 floured building, though our family is small. I have named it as "Sree Venkateswara Prasadam". To be in frank, I didn't get a feeling till I complete it that this house is big one. Our Architect shown a number of beautiful plans in connection with construction plan, but I didn't like them. Finally, the house was constructed as per a plan chalked out by me; But I didn't like this also after occupying it. The house was not convenient. Besides, I met with many failures. In are situation, I

thought of disposing it; but I felt bad because not only it is situated in center but also it is presented by Lord to me. Finally, I had an idea to alter the house as under:

**Dream on 08.09.2006:**

Myself and my family members thought to renovate any old house and occupy it. It was at the end of a Street (alike our home) and there was a gate entry when we turn one side. We find a “L” shaped hall when we got inside thro' this entrance gate. This house is very nice and I liked it also. I liked it by all means. That's all.

After this dream, I renovated my house and arranged hall in 'L' shape. It both down floor and 1st floor were renovated in different days, separately. I spent additional money for this. Thus the desire of Lord i.e. robbing my money was fulfilled in this way.

**MY CONDITION:**

I was blessed with the hug of Tirumala Sree Venkateswara. In addition to this, my joy knew no bounds when I heard that Govinda is mine. He entertained me by lifting and keeping me on his shoulders alike kid. Lord has accepted my prayer i.e. to forgive me as I committed some mistakes.

**BLESSINGS OF BHAGAVATAS:**

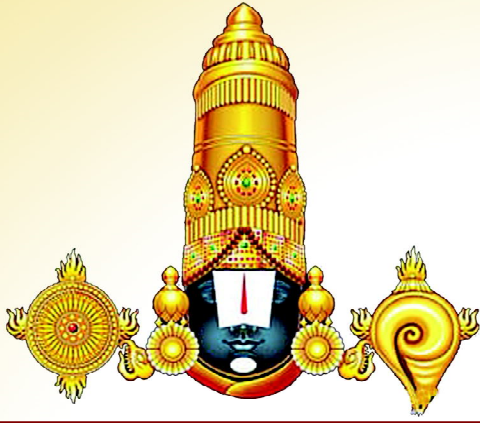

We are publishing these Divine Acts as decided and directed by Lord just only for taking your blessings and to make you also as our Partners at least in the form of blessings. Therefore, I appeal every devotee whoever goes through these Divine Acts, to pray Lord by forgetting the differences of Age, Caste, Colour, Sex, Creed and bless me so that make my sincere efforts will become fruitful and successful.
