English Version
PART 19

The Serial of Divine Acts of Lord Tirumala Sri Venkateswara in order to establish his "HARINAAMA KSHETRA" in Telangana alike another TIRUPATHI.

"Servant of Sri Venkateshwara"
- Govinda Dasu (Pullagurla Sai Reddy)

Direction: Lord Tirumala Sri Venkateswara decided to arrange his "HARINAAMA KSHETRA" near our "Garden well" in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the replica of Tirumala Temple upto two compound walls (Silver Doors). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran (chanting constantly) by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting to impart the training from April 2000. thro' mydreams, He disclosed the actual matter in April 2022. In addition to this, He ordered

me to get the divine feelings published which were blessed by him in order to make the devotees as partners in this programme from April 2023. The publishing of present part-19 is its part only. (September 2006 to May 2007).

Lord Sree Venkateswara used to take us into his track by using Sama, Daana, Bheda and Danda procedures. (Convincing, Charity, Rivalry in friends and Punishment) we have withdrawn the idea of running a monthly magazine thinking that if we start we can do the business. From that day onwards financial condition got deteriorated day-by-day. In one situation, I used to spend the days with no lively hood. At the end, we suspected that it is all happening just because to make us to start the monthly Magazine as directed by Lord Sree Venkateswara. Therefore, we stepped towards that side.

SRIMAN DEVA GOWDA GOT WORRIED

We previously booked the Male chat cloth service to Lord Tirumala Sree Venkateswara. We got this on 28.07.2006. On that holy bath day of Lord Balaji, our Ex-PM Sriman Deva Gowdaji attended this function along with his daughter. They occupied the seat in front of me with the involvement of TTD. I was just behind them. As a result, I could not have the darshan Lord, though sitting so closely nearer Sree Venkateswara.

Later, after holy bath programme, I introduced myself to him and invited him to my 4th time offering of 7 crore Japa offering. I also requested him to grace the occasion which will be held on 16.08.2006. He, for this, obliged my request. I, afterwards sent the invitation programme and also invited him over phone. But, unfortunately He didn't turn up.

Dream on 24.09.2006: It was my inner feeling in which both Sriman Devagowda and his Daughter, both also expressed their regrets and pain for their absence in this Tirupathi Programme.

Lord had shown me as if I was roaming different places to expand my business and for further development in the days to come. As a matter of fact, I really also visited all those places viewed in my dream.

Showing me as an Important person in my Dynasty

Lord Sree Venkateswara has selected my village, my dynasty and my family exclusively to achieve something. Every one of these will play their particular role. Thus after showing my complete family once and He his shown me as an important person in it.

Chinna Gundavally, a remote village 7 km away from Siddhipet is my native place. My father had one elder brother and both were living separately before I born. The Houses of both the brothers are side by side and there were many people in my father's elder brother's residence. Ours is a small family. But, I found in today's dream that all of us were living jointly in one home. The details of dream were as under:

Dream on 02.10.2006: (Vijayadashami): We and the family of my father's elder brother, though living separately, were alike joint family members. Both my father and his elder brother were alive. On the eve of this festival, arrangements for adoration of satyanarayana swami were on full swing. A wooden plank was decorated nicely with flowers. Meanwhile some stranger (an unknown person) came all of a sudden and questioned us who will worship the God?

Then, the grand daughter of my Father's elder brother (elder to me) replied that both Sai Reddy & Surekha will do it. Also she shouted that No one is allowed to move near the seat of God. I witnessed the wooden plank of Lord decorated with flowers and also my father very clearly.

It means I was chosen as an important person in my dynasty.

Indicated that I will construct two temples near our Garden well

Four (4) years were completed after establishment of Sree Venkateswara Maha Mantra Peetham. I conducted special worships on this Vijaya Dasami and prayed as under:

I was staying in Kakatiyanagar, Habshiguda since 2005. There is a temple of Shri Rama along with Sri Mahankaali in this colony. There is an ancient pochamma temple in this same temple. A few days before, I wished to install a statue of lion on the stage where the idol of Goddess was arranged, but I expected an approval from Mother Goddess for this. I prayed many a time but invain. Meanwhile some one arranged it. I felt bad for missing this opportunity on 30.09.2006. I got worried for many days since Goddess didn't give me permission in time. Then one day an idea appeared in my mind that "Don't worry". You will get another such chance to install some other Goddess. This was shown by God thro' below divine act:

Dream on 30.10.2006:

I dreamt that myself and my wife had constructed two small temples with our own money in our Garden well Land in our village. Even we installed two idols those in temples. Since these were newly installed many local people and other villagers etc., came and formed a big 'Que' to view these temples. I, it seems constructed a good house one year back itself. Myself and some more persons started from our portico to go to these temples; but I had a strange experience that I saw the Goddess without going to the temple very clearly. She

was Goddess Ellamma or Pochamma or some other goddess with 2' height on the whole, Lakshmi was very beautiful with very black complexion. There ended my dream. The meaning of above dream was that you will get an opportunity to construct two temples in our Garden well of our village in the days to come. Also the God in the temple is visible to me forever. I was indicated that probably I may construct two temples of Lord and Mother Goddess.

Indication that temples to be Constructed near our Garden Well Will be alike Divya Desams

There is a small pond behind our Garden Well Agriculture Land in Chinna Gundavelli. Lord Sree Venkateswara using this, had shown me the following divine act :-

I have had the darshan of Lord Sree Venkateswara long back. I couldn't see him or his divine acts in recent times inspite of my repeated trials. My feeling became strong that Lord will show divine acts without caring my prayer as he desires. I witnessed a special dream today as under:

Dream on 05.01.2007:

I, along with my two friends went to a small pond, just by the side of our gardenwell field. As it was winter, we three went there covering our bodies with blankets; but the water in that pond was also was rising from it was resembling the boiling water from hot well near the temple Badarinath. This is winter and the chill was intolerable. I went to take bath. There ended my dream.

I couldn't understand the dream in the beginning; but the real meaning off it was - I imagined that the temples - to be constructed near our Garden well - (alike Badrinath) will be powerful as divine temples (Divya Deshams). Probably Lord might have taken me to Badrinath earlier for creating knowledge in order to compare these temples with Badrinath.

BLESSING SUREKHA

Our 'Namo Venkatesaya' Chariot is very attractive. Every side of it, there is an image (Idol) of Lord and the design appears as roof under which 'Namo Venkatesaya' is written every side. We will not use this for any other purpose. We will not give to anybody also but on one occasion, as requested by my friend K.K. Raju and Chairman of MNR Educational Institutions, we gave this Chariot to his Sree Venkateswara Temple to organize Brahmotsavams for Ten (10) days. They took away it stating that they will take it to 150 villages around Sanga Reddy. I prayed Lord to permit me and handed over our driver and Sri Pandu Ranga Rao and gave chariot to him. This procession was completed by 11.01.2007 at 3.20 AM and it came back to our home. My wife Surekha got up that night, opened the door and waited there till they kept the Chariot in the shed and then returned to bed room. She slept after few minutes. Then she got this dream.

Lord Sree Venkateswara blesses Surekha, my wife always in a particular method. There will be movements in a rounded up snake whenever procession will come. That snake keeps on moving as long as this procession of Chariot continues. As and when the procession of Chariot ends, it comes and sleeps in our Chariot shed after formation of rounding. Even today also it happened. But she dreamt with a little difference.

Dream on 12.01.2007:

She witnessed the Chariot in this Divine Act. She found the place, where 'Namo Venkatesaya' was written on Chariot in a big size. There she viewed a

very long black snake with 1'.6" measurement from the below part of these Lotus Leaves. The snake reached the feet of Lord Sree Venkateswara finally and covered them with its body. Seeing this Surekha got up with excitement. Later, thinking that it was just a dream she slept again with no tension. Lord has blessed her in this way.

Blessed with fortune Unavailable even to GODs

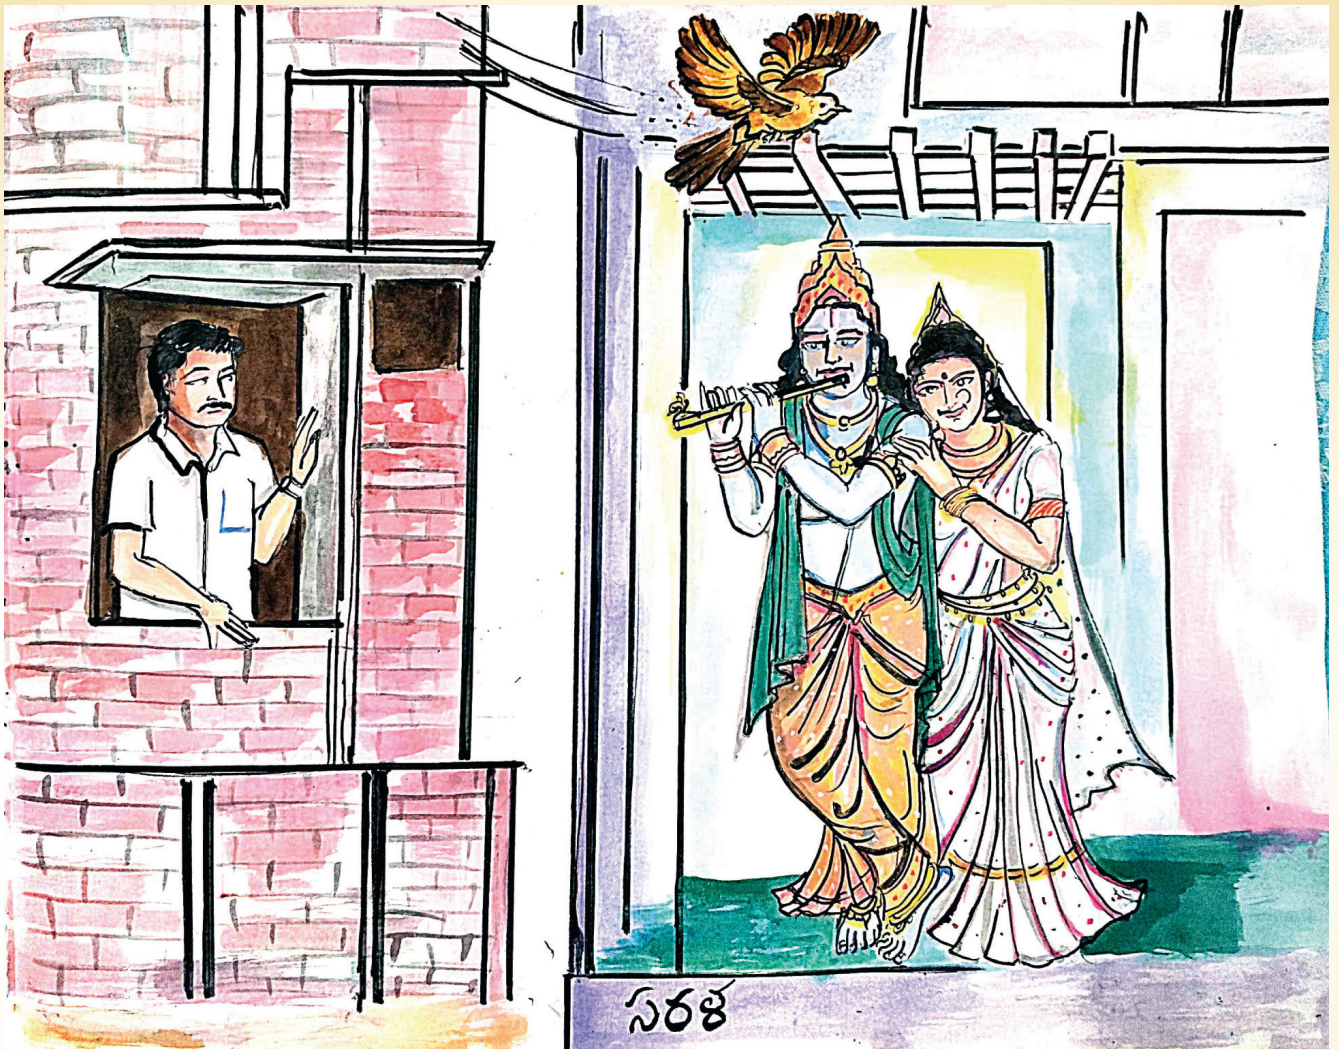

If I fail to see Lord's face or his divine acts continuously for 10 days, my heart becomes heavy and it gets pinched. Of late, I missed them. I opined that I might have committed some mistake of which the result is I was deprived of his darshan. Many a time, I begged him to pardon me but in vain.

Finally, I started special adorations of Anjaneya Swami with a request to help me to have the darshan of Lord Sree Venkateswara from 15.01.2007. As a result, I felt some kind of easiness mentally. I got relaxed to some extent. I saw the affect of Lord clearly. He blessed me with great joy on 16.01.2007 during night time. Even Gods also wouldn't have such fortune what I got. It was one more precious pearl of my life. In this, both Sri Krishna and Mother Radha both blessed me with it. They had shown me some games what God plays with his devotees. Both Radha and Krishna become one and shown me various postures. I really enjoyed a lot and my life became purposeful. It was as under:

I was in construction field and started earning my lively hood on it. I used to construct four independent houses and used to dispose them every time. Lord Sree Venkateswara utilizing these all, He had shown me the following divine act:

Dream on 17.01.2007:

There were two houses front side and two more under construction houses in the area where probably I was constructing houses. They were having ground and first floors. There were also very big balcony and beautiful pergolas on it for show its and nice

appearance. All these houses were in two rows with a gap of 5-6 feet. In second row, both slab and brick work (walls) were completed. Even in the front row of it. There were Pergolas were arranged on the big balcony. The colouring work was also completed. One day I visited them for inspection. Unexpectedly I looked at Balcony or varendra, existing in first floor or opposite houses thro' the hall window of incomplete house. There were pergolas above the Balcony. I witnessed Lord Sri Krishna in that Balcony. He was resembling Sri Krishna of serial "Sri Krishna" of Ramanand Sagar in the age approx. 11-13 years when he killed Kamsa. I noticed the same features and attractive crown and a flute in hand. I was so delighted to see Lord Krishna in front of me. Mother Radha was also standing by his side in white

robes. Of course, I was observing them both secretly. Similarly probably one Goddess, (I don't know her) in the form of a bird, flying above, with a desire of viewing Radha Krishna, flying this side to that side, moving away. I could not see Lord since there were Pergolas and slabs are in the middle. So they were trying to have the darshan bending again and again.

Lord Krishna observed this and smiled. Later he just moved another side and in next moment he got merged into the form of Radha. Then immediately Radha also invisibly appeared with a face of old person. In addition to this, she has grown beard of 6 inches on her white old face so that no one identify her. Meanwhile that beard got converted as a swelling under cheek. Later, like an insane (mentally disturbed) Lady has trying

to touch it with her tongue while lifting that sore. She was doing all such things so that no one identify her; But I was noticing this all thro' the window. Here ended my dream.

In other words, they have shown me Lord's blessings which were not shown even to Gods. I took the same in another sense also as if He was telling me - 'You see! I am blessing you with such a fortune that even Gods too were not blessed with this and in turn please put your thought into action.

STEPS TOWARDS MONTHLY MAGAZINE

Self-Introspection:

My Financial position was deteriorating day-by-day since two years. Though the prices of Lands in Hyderabad had a boom, I was not able to do the business and started thinking that for what fault God is punishing me not saving from financial crunch, though I thought that everything what I am having belongs to him only. As such, why I have to feel sorrow when I lost my property? It means I am not relieved from my ego. The selfishness is still in me. I thought Lord is trying to change me since I suffered loss in 20 purchases & sales since two years. In addition to financial loss, I went through mental agony and faced insults also I didn't obey only one order of Lord Sree Venkateswara i.e. "running the Monthly Magazine Nammo Venkatesaaya" as it was beyond my capacity and ability. Moreover my wife also was against to it. So I dropped it. I felt bad for this. One fine day, I decided to run the Magazine under any circumstances. Previously I contacted to Sri Ajay Kallam and Sri Sri Rama Chandra Ramanuja Jeeyar in this regard. They suggested me to obey the Lord Sree Venkateswara only. So finally I, as a final weapon, decided to start it from ensuing Ugadi i.e. from 19.03.2007. Two of my Journalist friends assured to help me. I procured a computer and other necessary instruments. Also I gave publicity in T.V. scrolling; but I didn't inform to my wife about this. I prayed Lord to inform her and get her convinced. If by 11.02.2007,

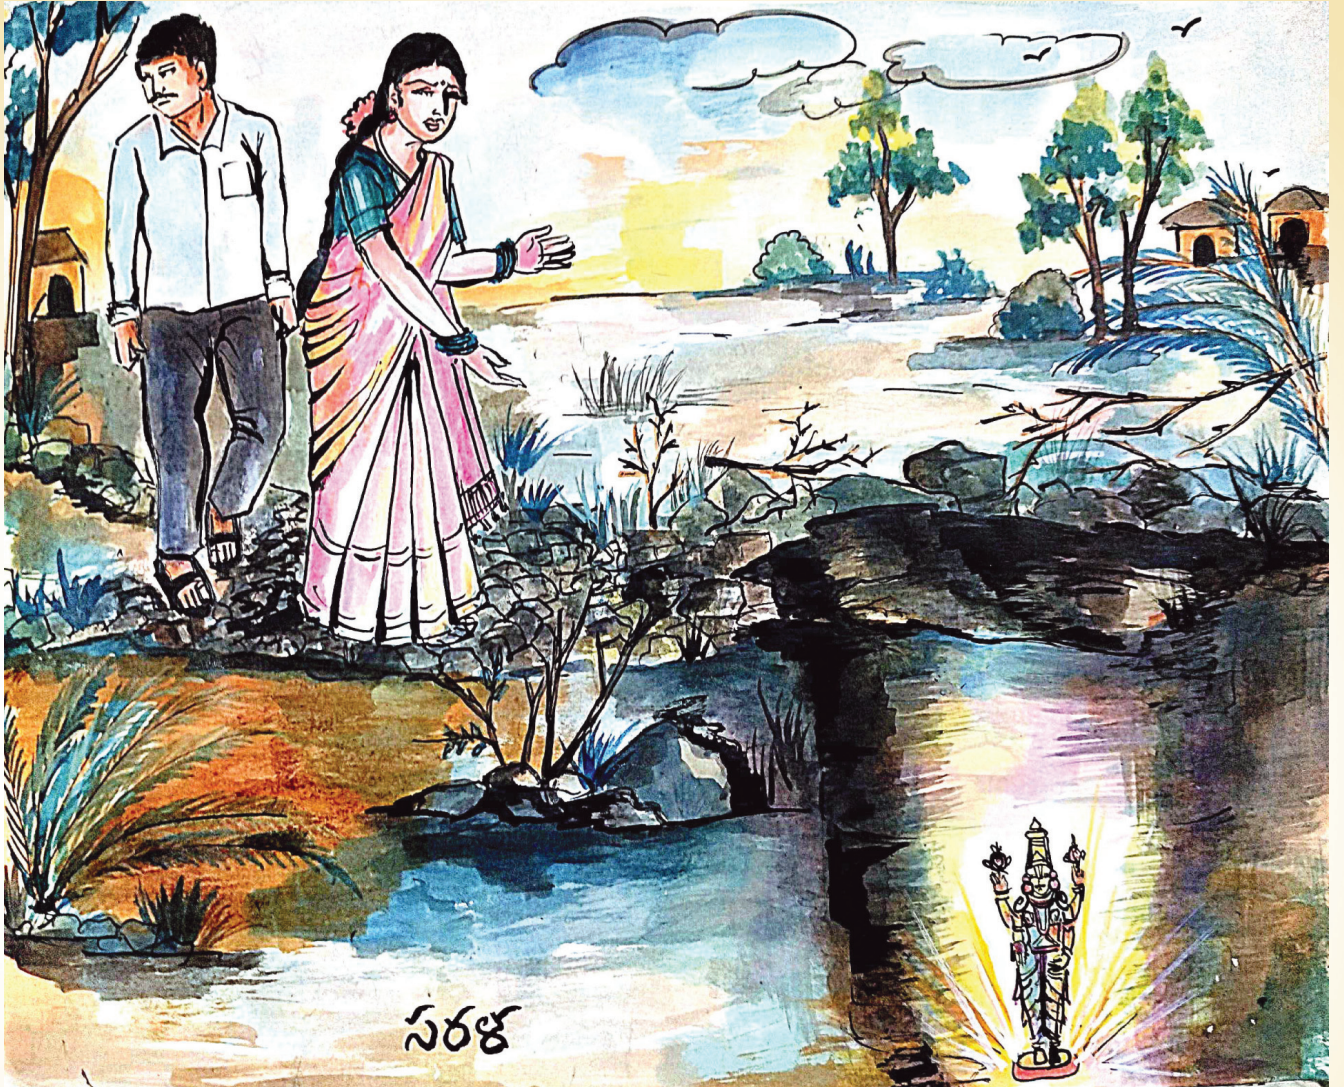

Lord wont inform her, then I decided that I will only inform her. Accordingly on 10.02.2007 I myself informed my wife about this. On listening to this, she said "Ok! As it was the order of Lord, we have to implement it. "She accepted this. She also said that I decided to spend 2 Lakhs for service of Lord at the time of Land disputes and now use that amount for this magazine". She opined that this is the last attempt and Later it will be left out to the mercy of Lord. She went to bed thinking that next day means on 11.02.2007, what will be our fate, what a pitiable condition is ours and what to do and how to live. Surekha, had a beautiful dream on the same day during night as I wished. It was as under:

INDICATED THAT WE GET LORD SREE VENKATESWARA

We were perplexed at that time and totally in confusion state as we had no money to do business. Lord had utilized this situation.

Dream on 12.02.2007:

Myself and my better half Surekha, were going by walk on a Kutchra Road in a village on some urgent work. Meanwhile, it so happened that she couldn't see the way for some time. The entire route was filled with Pebbels and Thorns. Then she asked - "how we can proceed further on this way? Sai Reddy"? I, then, without caring her, totally involved in a conversation with an invisible person where as she was going further slowly with struggling. Meanwhile she heard some noice asking her to go ahead. She continued her walking. She observed that the more she was going further, the more the darkness was decreasing and the depth was increasing. Then suddenly the well got converted into small bucket well with more depth. Even her sight too was going ahead. The more her sight was proceeding further, the well was very clearly visible. But ofcourse, that sound was demanding her to proceed. The well was totally dried. There was no water at all. Then to my surprise, an idol of Lord Sree Venkateswara in black

colour was clearly viewed by her. That's all. She got scared and the next day morning she informed me about this. Truly speaking, I enjoyed a lot on listening to this because I understood that Swami likes us and we are getting back his love. I explained this to her that "we get him again if we obey and go ahead without getting scarred for the situation around us. I also told her we will be blessed if we of continue our services with total faith to him. He has shown similar mercy over me also when he asked to start the Magazine "Namo Venkatesaaya". "Showing me his temple on a hill, He asked me to proceed further and reach Lord without caring the ditches and patholes in front me". I thought he has repeated same now with Surekha. It is one more

divine act alike a precious pearl in our life. Finally, we decided to start the Magazine of Lord Sree Venkateswara.

THE FIRST EDITORIAL

Date: 16.02.2007, Friday: An auspicious day, both Siva Rathri and Sravana Star are jointly appeared. I prayed Lord to bless me with required strength to start and run the Magazine. On the other hand, I started meeting known persons in the field of Journalism and receive suggestions. In this process, I met Dr. Kamisetty Srinivasulu, Ex-Director, TTD, Annamaacharya Project and requested him to help me. He asked me to write and show the Editorial to him. It should reflect my aims.

On that day, after praying Lord and parents at 7.00 PM in my office, I wrote Editor's Remark" as under for my first edition:

ORDER OF LORD! AND MY DUTY !!

"Krutetu Naarasimha scha Tretaayam Raghunanandanaha !

Dwaapare Vasudevascha Kalow Venkata Nayakaha" !!

Lord himself announced in Bhagadgita that He will appear on earth in every Yuga in different form and saves us from wicked people and protect Dharma. Accordingly, He descended as Narasimha in Krutayuga, as Sri Rama in Tretayuga and as Sri Krishna in Dwaparayuga, punished the wicked persons and made human beings to trust Dharma and God. Of late, as per Puraanaas and Ithihasas, the Almighty God is in the form of Lord Sree Venkateswara. The Tirumala hill is very sacred where Lord Sree Venkateswara is existing. It is said, that no other place in entire universe is as prominent and famous as Tirumala. Moreover though the forms of Almighty are many but the form of Sree Venkateswara is of its own kind, attractive and blesses all with Salvation. Our life style is hidden in that form only. He likes those who salutes and surrenders to him. This Magazine 'Namo Venkatesaaya' is launched in order to get rid of problems all and fulfill the desires of people and get them blessed by Lord Sree Venkateswara.

'smaranaath sarva paapagham

stavanaath ishtavarshinam'

One can get relieved from all types of Sins and his or her all desires will be fulfilled if he or she just chants the name of Lord.

Therefore, the word, 'Namo Venkatesaaya' was selected for this Magazine as it is very valuable. We also planned to name our Magazine with that word so as to enable all people to chant his name. Of late, when people are more perplexed and worried for want

of time for chanting 'HIS' name, this name Namo Venkatesaaya' written on cover page make them to chant it unknowingly in order to salute and pray Lord in their minds. We believe that this Magazine will be useful to increase the dedication feeling towards Lord and add more to devotion since our motto is only to serve the Lord.

We were in the service of Lord since 5 years. The first Mahaa Sthupam of Sree Venkateswara Divya Mahaa Mantra was constructed in Sree Venkateswara Dairy form at Tirupathi in the year 2002. Also we have been making 70 thousands of devotees minimum every year to write 'HIS' Maha Mantra 7 crore times thro' Sree Venkateswara Maha Mantra Peetham. Apart from this, we are conducting 'Namo Venkatesaaya' chariot procession from Hyderabad to Tirupathi, making more and more people to chant the name of Lord to the extent possible and offering 7 crores of Japa (books) to the Lotus feet of Lord on every Gokulashtami day. It is our aspiration to remain as a real servant of Lord and become main cause for chanting name of Lord.

We, while apologizing Lord for the delay in releasing this magazine Namo Venkatesaaya, are submitting this before you. To us, it is an order from Lord. We wish whole heartedly that everyone should be blessed by Lord.

Servant of Sri Sree Venkateswara

Pullagurla Sai Reddy (Govind Dass)

I have shown this to Sri Kamisetty Srinivasulu next day morning. He got delighted and gave me some tips with regard to Magazine.

Blessing of Bhagavataas and Prevention of time passing.

Dream on date: 21.02.2007:

I entered a house in this dream. There, I found many Swamijis, age group of 25 to 40 years who were in saffron robes. All were with vibhuthi on foreheads. Though they invited me but they behaved as usual.

Meanwhile one Swami approached me and said that something smell is coming out of me. He said that He is getting smell because I am taking something out. He gave me, that's all. It was the dream what I witnessed.

From that day onwards, Lord Sree Venkateswara started observing me differently. I too started travelling towards my aim only. It was as under:

Dream on 22.02.2007:

It was just a feeling in my mind. Lord categorically told me not to involve in any other matter and concentrate only on my duty. "The persons about whom you are thinking, they are not thinking about you. Forget them and worry about your duty only. Talk to others when it is needed and better not to waste your precious time.

SENDING GURU AND MY FATHER DELIGHTED

I planned to start our monthly Magazine Namo Venkatesaaya from Ugaadi (i.e. 19.03.2007) onwards. Accordingly, I collected some Articles - etc. from many eminent writers; but I don't know how to compile and edit them. Some persons requested me to visit their homes in this regard; But to me, it is impossible to go pillar to post for this purpose. I tired a lot now itself. So, I opined that I need the services of one Asst. Editor and he has to come to my office and Assist me. Accordingly, I gave paper announcement in a News Paper but invain. Finally, I surrendered to Lord Sree Venkateswara with a request to send a capable person alike Guru.

Lord had shown me a beautiful helping incident in this divine act. In other words, he has shown my father also to me as if he is realizing the proverb a Two Birds at one shot". It was as under:

Date: 02.03.2007:

In this divine act, I visited a hill alike Yadagiri Gutta to have darshan of Almighty God and stayed in a Choultry. Sriman Chukka Ramayya Garu (Alias IIT

Ramaiah) was my Guru when I was studying in Siddhipet. In this dream, it seems, he came to this hill much before me and stayed in a Choultry. I viewed other all I choultries existing around my choultry. Meanwhile, I saw that Sri Ramayya Garu came in front of that Choultry and arguing with some persons seriously. To meet him, I went to him but I couldn't find him there. By that time itself He left. Then I enquired about him in his Choultry. Here a miracle took place. I, observed my late father in a easy chair in the place of Sriman Ramaiah happily. I viewed him very clearly.

I thought that Lord may bless me with a Guru at that time; But I couldn't understand why my father was there. The inner meaning of this dream was accept your Father only as your guru and obey him. I understood that my father, after seeing me starting monthly magazine of Lord, was delighted.

Preparation of First Issue

Sri Maremanda Sita Ramaih, visited my office by himself at 4.30 PM on 02.03.2007 as per divine act of Lord. He had experience of running Magazines previously. After knowing about us, He has gone thro' all Articles and selected some articles saying that they are upto mark. He also argued with me exactly the way Sriman Chukka Ramaiah argued. I thought that he will be with me as an Associate to run the Magazine and also as a Guru. As such, the preparation task of first issue was completed with his help. I learned how to choose the Articles for one month and how to arrange them in order. Later, I completed DTP, proof reading works etc. also. Afterwards, Photos of Lord, as liked by me arranged in colour on the cover page. Thus the first issue was kept ready. Sita Ramayyagaru helped me for only two issues. Afterwards, with the power of Lord Sree Venkateswara I myself compiled. This magazine was released for which Sri Maremanda Sita Ramayya was honorary editor and Dr. Vaaranasi Venkateswara Sastrigaru was the sub-editor. The Magazine got released. He has shown thro' this divine

act that, this magazine is readily available to provide blessings to those devotees who are very far.

Dream on 09.03.2007:

I viewed temple (Ananda Nilayam), outward (Gali) Gopuram of Lord existing on Tirumala Hill in this dream. In these few minutes only, lightening rays spread out all sides from the Gali Gopuram. The rays from the Gali Gopuram were spread all sides. That's all. This was the dream.

It means - The mercy of Lord Sree Venkateswara is going to spread in entire world. This dream added much more strength to my morale. I was so glad to note that the blessings of Lord are transmitting through my magazine 'Namo Venkatesaaya' in entire world.

Asking me to look after my family

I met a number of people in connection with this magazine. I tried a lot to make this magazine a successful one with great zeal. In this process, I forgot to look after my Mother who was staying with my Sister. Lord, told me in this dream to go to my mother as she is worried about me. It was as under:

Dream on 19.03.2007:

My mother, sitting on pial of our house waiting for me in this dream. She was not well. The house was unclean, filled with garbage since it was not broomed. She feels that she is all alone. I, of course was roaming in village thinking about God only. I looked at a big building and thought that it is quite appropriate for adoration by more number of devotees. That's all. This was only my dream. I immediately rushed to my mother. She was with my sister and her house was in Ramanthapur. She was really suffering from fever. She was waiting for me. She was gloomy, and was suffering loneliness'. I took her to Doctor, consoled her and returned back. I took care till she recovered completely.

Blessing Surekha with divine Darshan and Changing her attitude

Lord Sree Venkateswara used to provide us his service when myself and my wife come forward whole heartedly to serve him. Oflate, our financial condition become bad to worse which troubled her a lot more than me. She worried about our future and studies of children. She performed special adorations for 11 days to Lord. She didn't like my idea to run the magazine. Whether it is our foolishness or miracle of Lord, I don't know, the influence of his divine acts partially were influenced us. We used to become normal after few days. Surekha also thought in the same way keeping aside present conditions and own profits. If we start a Magazine, suppose if we get lose in this also, then how? How for Lord will save us? Running Magazine is not a Joke. We have to spare more time and spend more money also. We may fail to do business even. I am young only till now. "Can't you to run magazine after 10 years? If you join in Saints now itself then how?" I used to return home daily in late hours since 15 days for the benefit of magazine. It troubled her a lot. When I used to stay at home only for few hours and unable concentrate on our own business etc., she became totally against to my magazine issue. As a result, she stopped talking to me at home. She got annoyed. This affected my mental peace. I lamented. After 1-3 days i.e on 17.03.2007 I asked her why you behave like this? Then suddenly she started crying. "Is it a must to you to run magazine in this situation?" What will happen to the future of our kids? She was not in a position to listen whatever I say at that moment. It appears as if I am supporting myself. I don't know about her anger that whether somebody advised her or was it her own idea. Then I was forced to pray Lord. I understood that the feeling in her mind on 12.02.2007 was for this only. I said very softly that "we are doing as directed by him only. We didn't obey him since two and half years. As a result, we lost in 20 transactions. We got insulted also. We don't obey others we simply follow as Swami directs. Moreover I said that we are fortunate. We would be indebted to him; but she didn't accept

rather she said that I am telling these all just to convince her. Then I told her - "If so, then the dream what you got on 12.02.2007. was it my initiative? What happened in that? Darkness, complete darkness, very darkness. Later light in which Swami was visible. I asked her to know the meaning. Every dream he has shown has becoming real. I assured her "Don't worry. God will take care of us. Also I said - "you have already agreed earlier and now in the last minute, don't create hurdles. With this, I got disturbed and I postponed it to 25.03.2007. Finally one fine morning Surekha accepted for this.

Later, the special adoration of Surekha was concluded on 19.03.2007 i.e. Monday. I am habituated to give sacred bath and worship Lord on Monday. Her adoration also was completed on Monday. So she planned to give sacred bath and conclude the adoration; but she didn't do as she doesn't know how to do it. She prayed that had she known, she would have, performed it. Later, while attending domestic works, when she looked at Puja Room casually. Wow! What a surprise! Among two doors, one door was opened. She looked at the real image of Lord Sree Venkateswara as he appears in Dhوتي only at the time of wholly bath. Her joy knew no bounds when she viewed Lord's beautiful form in black complexion. That's all,. Her dream got disturbed. In fact, it was not dream at all. Lord blessed her with a divine act in between 6-6.30 AM which was visible only to her. With this, Surekha developed complete respect and interest on Magazine.

Inaugural Function of "Namo Venkatesaaya" Monthly Magazine

Date:25.03.2007: Today is Sunday, Saphthami. It was the inaugural day of Telugu Monthly Magazine 'Namo Venkatesaaya' which was ordered by my Lord Tirumala Sri Venkateswara. I, today morning, after adoration of Lord, I kept one copy of monthly magazine near his

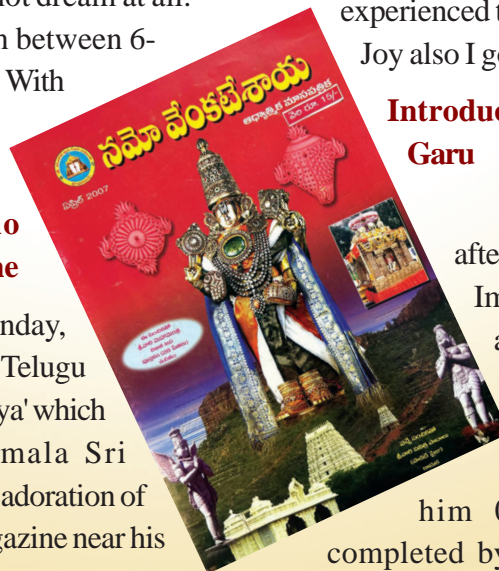

feet. I prayed that God may bless the readers also.

We offered the magazine near lotus feet of Lord situated in Himayathnagar, TTD temple and adored. Later in the presence of TTD Ex-EO., Sriman. Ajay Kallamgaru, Ex-TTD Joint EO Sriman Mukteswara Rao, Sriman Vaaranasi Venkateswara Sastry, Vedagiri Rambabu garu, Ex-DGP Sriman Prabhakar Rao garu, office staff, Family Members and other devotees, we inaugurated this magazine. Sriman Ajay Kallam paid Rs.500 and announced that he will join as a members. Everybody expected that the very purpose of running this magazine should be served. I, then honored the guests and honorable persons. Afterwards Prasadam got distributed and meeting was concluded. Thus, we started the Magazine very grandly.

This Magazine got spread out like cyclone in market in the first week of April. It has received grand welcome, but RSE officers informed me on 10.04.2007 over phone that your title got cancelled "since you have not started the magazine 'Namo Venkatesaaya' in time". We were asked to apply again. I got scarred. I applied again by chanting the name of Lord. We have to give 3 option names at the time of applying. i.e. 1) Namo Venkatesaaya 2) Sri Venkatesam and 3) Sri Srinivasam. These three were given to them. My body got shaken at the time of writing the name Sri Venkatesam. I experienced thrilling. A sort of in explicable Joy also I got at that time.

Introducing Sriman Ramanachary Garu

A long gap took place for me after seeing Lord or his divine acts. Imagined that He might have got annoyed that's why he is not blessing me with his darshan. I started 15 circumbulations for 11 days daily in order to satisfy him 06.05.2007 9 days were completed by 14.05.2007. Today I have

dream. Sriman K.V. Ramanachary garu got appointed as E.O., TTD. He is the native of Siddhipet. His father Late K.V. Raghavacharyulu was my Guru and his younger brother was my classmate. Lord Sree Venkateswara made me to meet him as under:

Dream of date: 14.05.2007:

I attended a small function in this dream. Sriman KV Ramanachary garu EO, TTD has attended the function. Meanwhile some one introduced me to him.

Then Sriman Ramanachary said - "I am trying to meet you since long time. 'He spoke in Telangana style. I with due respect, shook his hand and stood up. That's all". This was the dream whoever comes into contact with me Lord is utilizing his services less or more. I thought the services of this Gentleman (Sriman Ramanachary garu) will also be utilized by him.

Doing Practice (Saadhana)

My special adoration to Lord will be completed

by 16.05.2007 but I couldn't go to temple on 16.05.2007 for some or other reason. I prayed at residence only. I requested him to bless me with his darshan or by giving some message. Swami (Lord) as expected, blessed me with beautiful message.

So far, Lord blessed me with 1) construction of Sree Venkateswara Divine Maha Mantra Pillar (Sthupa) 2) Offering 7 crores of Japas every year after establishing Sri Venkateswara Maha Mantra Peetham and 3) Preparing Nammo Venkatesaaya chariot and taking chariot procession for Hyderabad to Tirupathi. Now, He blessed me with service of Lord thro' starting monthly magazine. Also He tried to get change in my journey from now onwards. Though I, was doing service with a lot of commitment and dedications never I had a desire to have his darshan Lord suggested me that **“not just service”** but also **“Practice”** (Sadhana) is also required. This feeling was going on in my mind since few days. But, I have no idea what is “practice” (saadhana), and how to do it. The following Divine Act was only the answer for these questions :

Dream of 17.05.2007: I found a hermitage of a saadhak, built with bamboo sticks and leaves of palm trees. It was well decorated by Chunna Jaju. Behind it, I observed that one known friend, laid down on the ground, covering his total body except face. He was praying, He became very lean since he was doing like this since many days. Face became so small. No legs and hands were visible. There was some arrangements to give food to him, that too he accepts it only when any one gives him out of affection. He cannot take it by himself. When I asked him, "what is this? He replied it

is 'Saadhana' He's name was **“Shabari”** my classmate during my collage days. That's all. This was the dream. It is having meaning a lot. I failed to understand the inner dreaming in the beginning. Ofcourse, I didn't bather also. The actual meaning was as under:

"Give up your all other matters. Concentrate totally only on Sadhana. Don't go any other leaving home and office. Be away to all earthly affairs. Attend the services more efficiently provided by me. Forget even taking food etc., chant always my name and spend your life in service". Here Lord Sree Venkateswara said for the first time to achieve him by practicing strict sadhana. Also He directed me that all the services provided to me were only to get him only.

My Condition: Lord Sree Venkateswara has chosen me as a significant person in my dynasty. He indicated me that I will construct a divyadesha (Divine Temple) temple near our Garden well. He blessed me with a boon which is very hard even to Gods to get it. Thro' Blessing my wife Surekha, he changed her mind. The 'Monthly Magazine Nammo Venkatesaaya' got released. He suggested me go on practicing to achieve him.
