DIVINE DIRECTION OF TIRUMALA SRI VENKATESWARA

English Version
PART 20

The Serial of Divine Acts of Lord Tirumala Sri Venkateswara in order to establish his “HARINAAMA KSHETRA” in Telangana alike another TIRUPATHI.

“Servant of Sri Venkateshwara”
- Govinda Dasu (Pullagurla Sai Reddy)

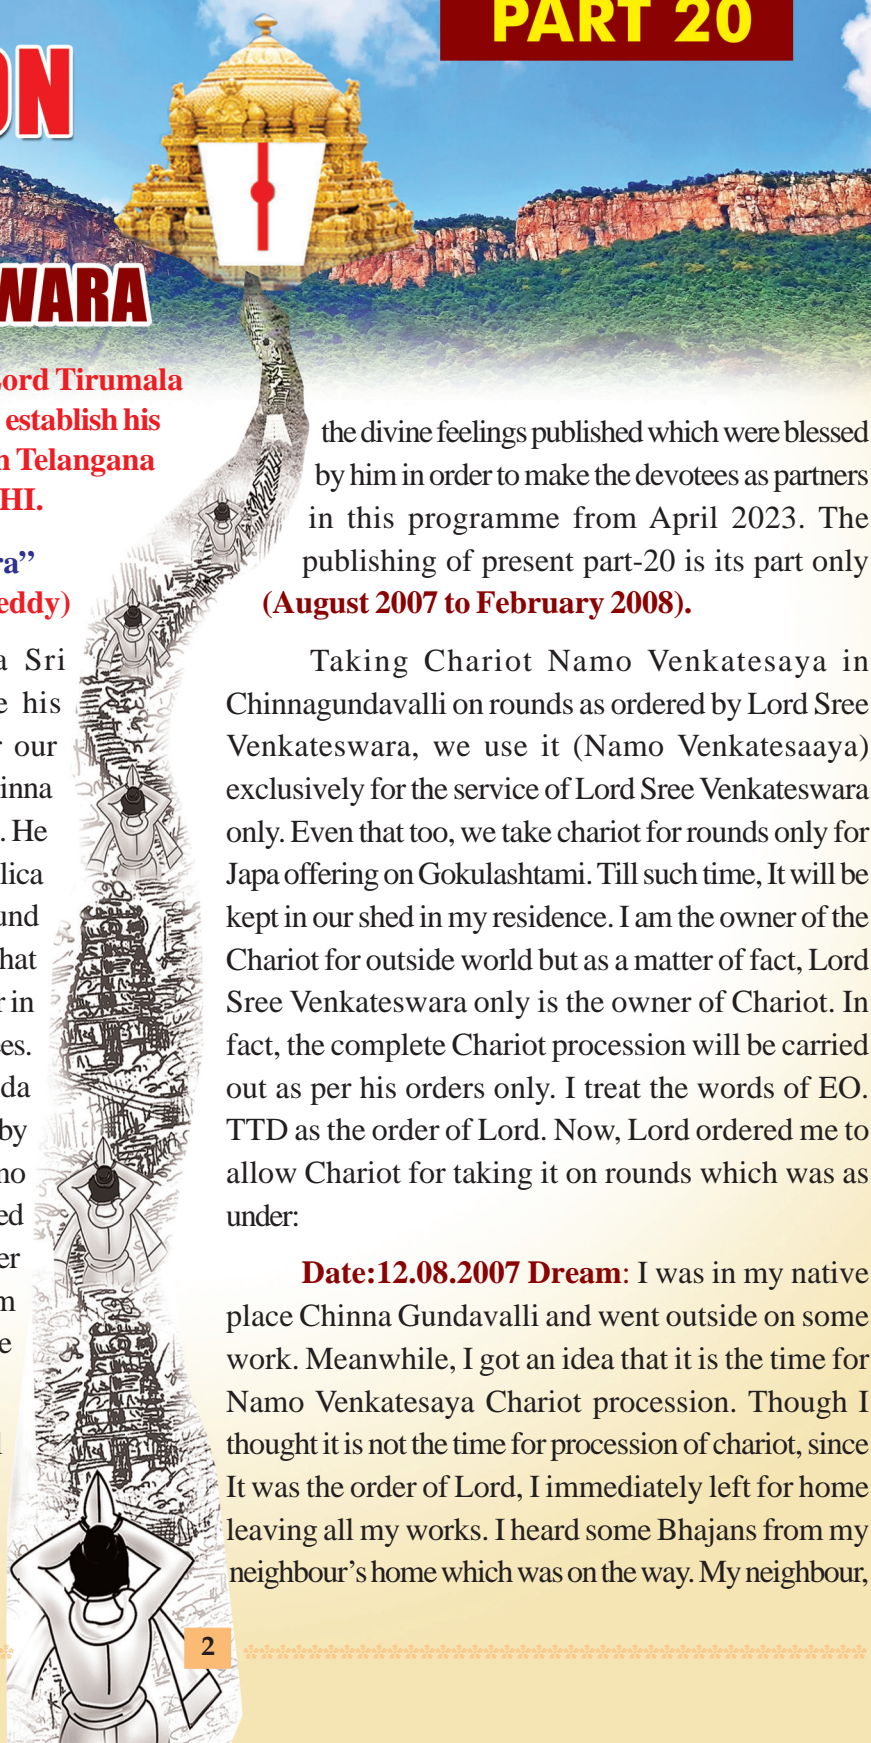

Direction: Lord Tirumala Sri Venkateswara decided to arrange his “HARINAAMA KSHETRA” near our “Garden well” in my native village Chinna Gundavelli, 7 km. away from Sidhipet. He directed me to construct at least the replica of Tirumala Temple upto two compound walls (Silver Doors). He assured me that He will stay here permanently forever in this area by himself and bless the devotees. Also He suggested to arrange Akhanda Harinam Smaran (chanting constantly) by various devotees in shift system with no break. He also informed me to get blessed by Bhagavataas (great devotees) in order to get eligibility to invite Lord from Tirumala besides rigorous practice (Sadhana).

Starting the training from April 2000, thro’ my dreams, He disclosed the actual matter in April 2022. In addition to this, He ordered me to get

the divine feelings published which were blessed by him in order to make the devotees as partners in this programme from April 2023. The publishing of present part-20 is its part only (August 2007 to February 2008).

Taking Chariot Nammo Venkatesaya in Chinnagundavalli on rounds as ordered by Lord Sree Venkateswara, we use it (Nammo Venkatesaaya) exclusively for the service of Lord Sree Venkateswara only. Even that too, we take chariot for rounds only for Japa offering on Gokulashtami. Till such time, It will be kept in our shed in my residence. I am the owner of the Chariot for outside world but as a matter of fact, Lord Sree Venkateswara only is the owner of Chariot. In fact, the complete Chariot procession will be carried out as per his orders only. I treat the words of EO. TTD as the order of Lord. Now, Lord ordered me to allow Chariot for taking it on rounds which was as under:

Date:12.08.2007 Dream: I was in my native place Chinna Gundavalli and went outside on some work. Meanwhile, I got an idea that it is the time for Nammo Venkatesaya Chariot procession. Though I thought it is not the time for procession of chariot, since It was the order of Lord, I immediately left for home leaving all my works. I heard some Bhajans from my neighbour’s home which was on the way. My neighbour,

on seeing me, said – “Now you can go. The time is up”. It means it is the time for chariot procession, But, I astonished since it was not the time for it. I went away. That’s all. It was the dream. Why I got the dream? Why the procession is now? I started thinking in wee hours next day. Later it happened as under:

Sriman K.V. Ramanachari garu was very recently got appointed as EO TTD. He was the native of Siddhipet. He had inaugurated conference of Tarigonda Vengamamba celebrations in TTD – Hall, Himayatnagar on 14.06.2007. I have attended this also. In fact, I attended the meeting to introduce myself to him. Somebody told him that I am the devotee of Lord Sree Venkateswara and I will celebrate the function of Lord grandly every year. Then I told him that I have one chariot and I take it every year from Hyderabad to Tirupathi. Meanwhile EO started forcing me to take this chariot out to Siddhipet ‘for kalyanamastu’ programme. I forcibly agreed to take it to Siddhipet for above purpose. Thus, though it was not the time to take chariot for procession, I agreed to take it on rounds since EO has ordered. EO has started chariot procession by himself from 01.07.2007 so as to enable to publicize the ‘KALYAANAMASTHU’ programme from Siddhipet. Hon’ble MLA & MP of Local area had also participated on inaugural day of chariot procession. As ordered by Lord, this chariot went on rounds in Siddhipet and Chinna Gundavalli areas for four days. Thus our Namo Venkatesaaya chariot made the Local people of Siddhipet and Chinnagundavalli to get blessed by Lord Sree

Venkateswara for the first time as directed by EO TTD.

Fall of ‘SRI VENKATESAM (NAMO VENKATESAAYA) MAGAZINE from VAIKUNTAM

As suggested by Lord, we started the issue of Namo Venkatesaaya’ Telugu monthly Magazine from April 2007. Since the Magazine didn’t get release in time, RSI officials put this magazine in Block in April 2007 itself and we were asked to apply for new name.

I, publishing this magazine with same title have applied for the ‘same’ title. Though I applied in the month of April 2007 they didn’t inform me till June. I was very particular for this title and even tried to influence them thro’ some known persons’ recommendation; But Later,

I got information unofficially that I was sanctioned a title ‘ SRI VENKATESAM’ for which I felt bad. I prayed Lord very seriously why because I wished that the name of “Lord Sree Venkateswara” should be chanted by all because of me”. I was crazy for this name (Namo Venkatesaya) because on seeing this, automatically the name of Lord Sree Venkateswara appear and get chanted. In spite of repeated trials, I couldn’t succeeded. I tried a lot. Finally at one point, I said to Lord – “I am not a real and complete devotee of you. I am not qualified also. Now It is upto you. Have mercy on me ‘ ___ ’ Then I left to my home.

I had a wonderful and awesome dream. A thing, i.e some unknown object , got slipped and crossing many arches or worlds fell on the title of magazine “**Namo Venkatesaaya**”. The details were as under:

Dream on 11.07.2007: Today’s dream was awesome and unique. I witnessed another world, might be Heaven. There I noticed a golden arche, glittering a lot. Somebody clicked the Computer keyboard thro’ this arche. Then a sentence with the golden words – **NAMO VENKATESAYA**’ came to earth as someone dropped it from that world. It, while swimming 5-6 worlds golden arches, appeared on earth with Golden brightness. On this earth, when an employee of my office clicked the computer keyboard on the title **NAMO VENKATESAYA** – It fell on the title of Namo Venkatesaya monthly magazine title with brightness. My dream got disturbed. On observing this, I thought Lord is sending the title **NAMO VENKATESAYA** again to me; But it so happened that I received a letter same day from RNI that, I was allotted ‘Sri Venkatesam’ title. My heart filled up with agony since I didn’t get title **NAMO VENKATESAYA**. My mind was totally occupied with only this **NAMO VENKATESAYA** a title. I didn’t like any other title. So I was trying a

lot for few more lines. I faced untold problems in later period since I didn’t start this magazine in time.

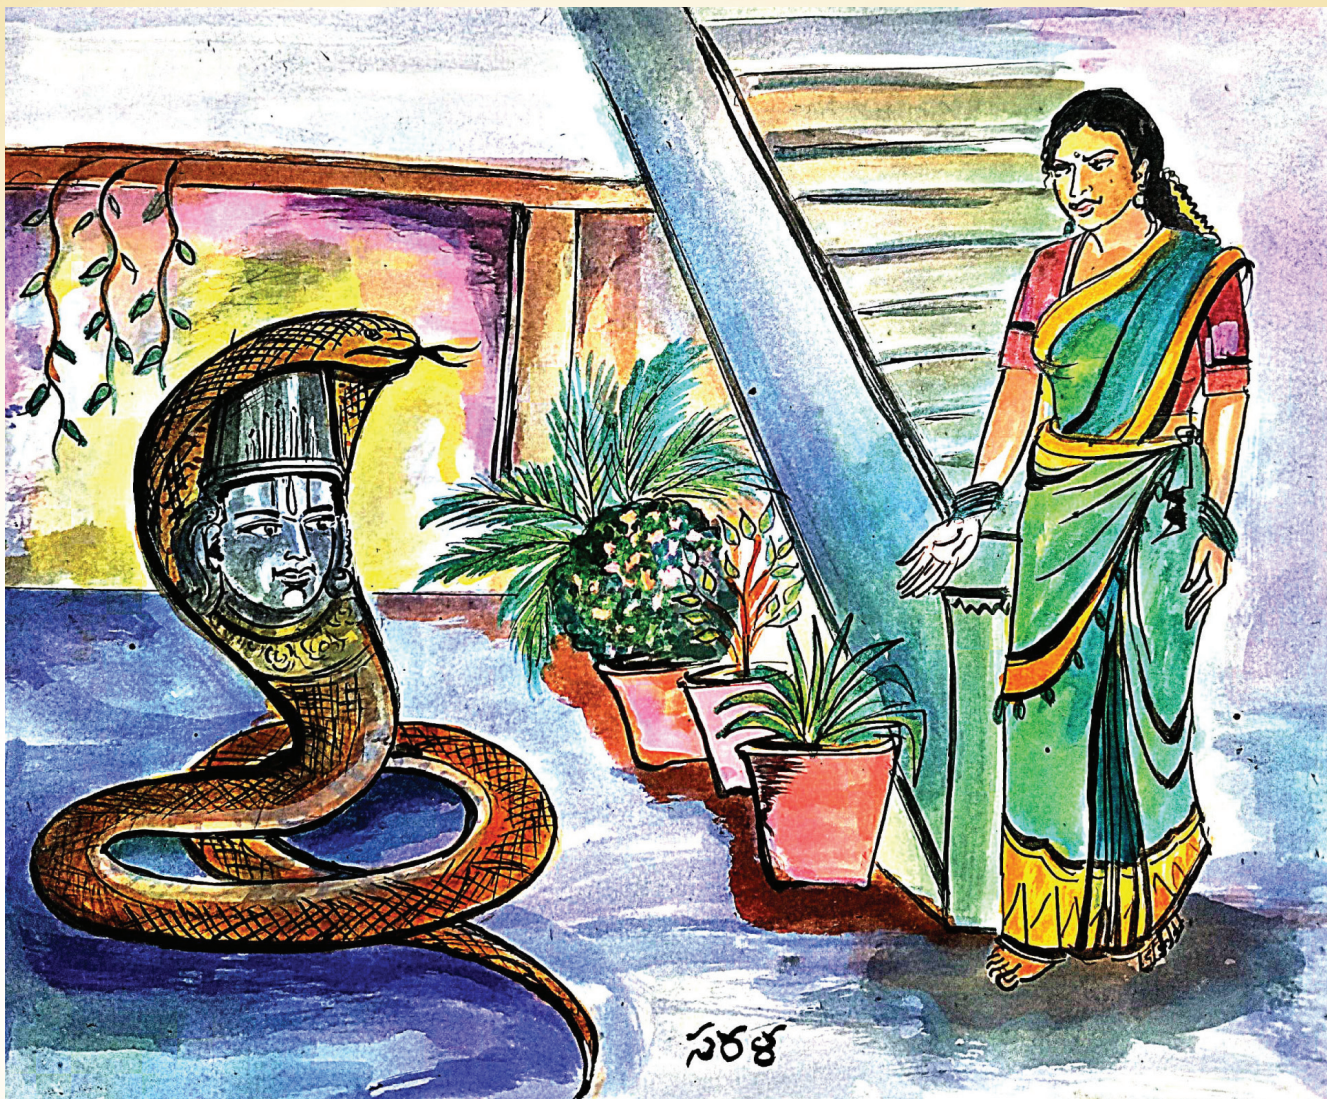

Special blessings to Surekha

My wife Surekha sold out her golden ornaments and spent that amount for golden quoting to idols of Sree Venkateswara arranged on four sides of our Namo Venkatesaaya chariot. Lord felt happy for this and blessed Surekha exclusively many a time. It was as under:

This time Japa Samarpana fell on 04.09.2007 i.e. Gokulaashtami for the fifth time. For this, we planned to start the Chariot procession on 05.08.2007. It is a custom to adore Lord specially the Japa in our residence which were made to write 7 days earlier to chariot procession programme. We decided to do these adoration from 29.07.2007 to 5-8-2007.

Generally Surekha witnesses a Cobra in her dream just before the Chariot Namo Venkatesaaya procession begins and on other days she witnesses the snake simply in resting position. The day when we start adoration in my residence, some moments appear in it. But this time, Surekha observed the Cobra opening its hood 10 days earlier only. Also she viewed Lord Sree Venkateswara directly. Lord blessed her many a time with this divine act and made her joyful.

Dream on 19.07.2007: Surekha said that she witnessed a Cobra opened its hood and lying down in a corner looking at her, rising up from ground. At that time Surekha was getting down by steps. She looked at that Cobra with no fear at all. That’s all. This was only the dream. When I heard this, I understood with my little knowledge and explained her that – Snake means bed of Lord – i.e. Adishesha and our chariot also alike Adishesha. So nothing to get scarred, she also imagined and felt glad that for taking the chariot on rounds. So she witnessed like that. But, same dream

got repeated again within two days. Then Lord Sree Venkateswara himself blessed her with his darshan in a special way which was as under:

Dream on 22.07.2007:

Lord made us to experience a strange form and strange feeling in this dream. She, it seems, had seen just side view of snake hood. It means she could see both sides at a time she was viewing its hood once and other side also very clearly another time. By the side of its hood, she viewed Lord Sree Venkateswara (upto head only) alike his form after holy both. She was witnessing both its hood and face of Lord Sree Venkateswara in different situations. After four-five times, the face of Lord was over imposing on its hood.

It means she could see Lord's face also. Then she observed that the spot on the chin of Lord was appearing alike 'U' dot on hood. Like this, she saw 3-4 times clearly as if Lord ordered her to observe it. It means she could see Lord in the form of Lord. The snake was not just as Adishesha but Lord himself. Her joy knew no bounds on seeing this.

Lord shouted loudly – THIEF, THIEF

The Chariot Namo Venkatesaya procession started from 05.08.2007. Lord had shown a miracle to me as if he is giving guidance to me as under:

We had framed some Rules for Chariot procession. Lord Sree Venkateswara will accept if we

The Priest started screaming, showing me to others as a thief

break them. He used to show us his unwillingness immediately. Such an incident took place now. We never expected any monetary benefit through this Chariot procession. We just used to tell the devotees to offer leaves, flowers or water. We didn't arrange Hundi also. But some devotees used to offer money in Conch Boxes. We used to spend such amount for some expenditure; but we used to put in Hundi of Lord Sree Venkateswara at Tirumala if any devotee offers his 'Mudupu' (promised amount by devotees). Likewise, we used to follow some Regulations framed by us only. We are doing this time also. But unfortunately our financial position became bad to worse. We pledged some Gold and we used it to serve Lord with that amount. Our driver Kaleem knows it pretty well. Once

our chariot went to Naacharam and Mallapur. On this occasion a devotee offered Rs.1100/- tied in a yellow cloth very long back.

When we were segregating kratus (Books) Money and offerings, this knot got opened and money appeared. Kaleem, our driver, suggested that let us spend this money for our expenditure since it is also expenditure of Lord. I agreed since I was in financial hardship; But Lord through one dream, opened my eyes.

Dream on 20.08.2007: The book in which this Dream was noted actually got drenched in rain water. I am narrating here what all I understood. Once I went to temple of Lord Sree Venkateswara to have his

darshan. Not even a single devotee I found in temple. Only myself and Temple Priest were there. I went inside the Temple and talked something to that Priest on some point. Meanwhile, that priest lost his temper and got annoyed too much and started screaming “Someone is robbing my money. Please come!” As a result, a crowd gathered there. He had shown me to them as a robber. I got scarred. That’s all. My dream got disturbed immediately and a feeling flashed in my mind that I will lose more if I use this money. With this, my eyes got opened and adding some more money to that promised offering (Mudupu) I offered it to Lord. I apologized Lord for this and prayed to pardon me.

We started from Hyderabad on 25.08.2007 and planned to visit outside areas upto 02.09.2007 in this procession. During these seven days, Surekha was with amazing glow. She viewed Lord Sree Venkateswara because she, by using her gold, made the Chariot brightful and added brightness to it. Surekha got delighted. Her Joy knew no bounds.

Offering 7 crores of Japa for the fifth (05) time

Dream on 03.09.2007: We offered 7 crores of Japa near the lotus feet of Lord at Alipiri for the fifth time on 03.09.2007 in the evening and adored. I experienced at that moment i.e. at the time of giving holy bath to Lord’s feet and offering special worship as if I washed his feet actually. I prayed to fulfill the desires of those devotees who wrote Japa.

Later, We conducted Sri Vishnu Sahasranama Parayanam, combining it with Lord’s Maha Mantra and Japa /Homa before Sree Venkateswara Divya Mahaa Mantra Pillar on Gokulashtami day i.e. on 04.09.2007. Even now also, I, while viewing his feet on heap of Japa, adored him. This Divine Act was visible only to me during every Japa offering function in Tirupathi. Sriman Ramanaa Chari Garu, after performing conclusion item of yajna (i.e. Purnaahuthi) prayed Lord to fulfill the desire of those devotees who wrote Japas and dedicated to Lord. Also He started Japa of 7 crores

for the Sixth time. Afterwards, every devotee attended this programme, offered a few Japa books to Lord in Sthupa (divine pillar) we, later left for Tirumala. The Japa offering ceremony completed when we returned to Hyderabad after darshan of Lord next day. We immediately started distribution of 7 crores of Japa books for the fifth(05) 6th time in Hyderabad.

Assured to obey him

There will be Wicked or Cruel forces also along with Divine power. They try seriously to divert our minds from God. We will win when we withstand and continue our constant efforts. Probably, influenced by such ill and bad forces, I went far from my Lord and met heavy loss. A similar Divine Act took place now:

I analyzed myself As Under: we have to act according to the dreams shown by Lord. On the contrary, if we try to act against to it, then, besides insult, we cannot achieve anything in our attempts; but we get mental peace, even we fail if we act as per the dream whether we get profit or loss. I realized this based on my own experience since 5 to 6 years.

I got ‘Sri Venkatesam’ title for my monthly magazine instead NAMO VENKATESAAYA; But I was very particular for the title “Namo Venkatesaya”, I want that only and even I spent a lot of time and money for it. Finally, I successfully failed to get it. I, very seriously prayed Lord Sree Venkateswara day and night for 5 months but in vain. My desire to run the monthly magazine of Lord reached its boiling point. I cannot run it even with the title of Sri Venkatesham now. One fine morning, I realized my mistakes, confessed and apologized him for it. I prayed him to bless me to run the magazine not as I wish but as per His Will and Pleasure.

Dream on 10.10.2007: I was in the herd of a cattle in dream of today’s night. A fencing was arranged with bamboo sticks and there were hundreds of cows especially. Meanwhile one which, came from outside by walk and tried to enter the bawn. In order to stop

her, I took the rope and beat the stone chanting vankatesha Mantra (OM NAMO VENKATESAAYA). My idea in chanting Lord's name was she (the witch) should not come inside spoil our minds and prevent us from service of Lord and even from Lord.

TELLING THAT MUD WILL FALL

I faced a number of problems on account of my misbehavior and mindless decisions. I met heavy loss financially. From now onwards, I decided that I will inform every transaction to Lord. One day, I asked him about one issue for which I have already spent some amount.

Dream on 12.10.2007: It was a big family who invited our chariot to their residence. When Chariot halted near their residence, many a devotee visited and had darshan of Lord. When the chariot was on road, I went to first floor and talked to them. They were all discussing something. Probably, I just wondered on the road that leads to Tirupathi and visited to their home. I was unclean with dust on head. Later, I went to bath room and had head bath with shampoo. Meanwhile some issue started. As a result, they had cancelled this Journey. At last, they even didn't give me water. Water pipe got disconnected. In that situation, after applying shampoo, I ought to return our home. That's all. It was my total dream. The meaning of this was, don't go inside; if you go inside, "Mud will fall on your head".

I had already spent some amount our constructions work by that time. Seeing and observing this, I invested more because of greediness. Finally, I got completely drowned.

Advice to construct a home by the side of Lord's temple

Generally it is said that one shouldn't construct a house by the side of temple of Sree Venkateswara; But "He" indicated that there is nothing wrong in our

case as we are different from others. This was the dream of Surekha.

Dream on 19.10.2007: This also was the dream of my wife Surekha. We were in a home which was neither in Hyderabad nor in our village. It was in a new place. There was a temple of Lord Sree Venkateswara by the side of our home. As such, some have pointed out. "What is this? How a temple exists by the side of a home?" Meanwhile, some invisible voice from Sky said – Nothing wrong. It is correct. This is quite ok in this case. We are different, they are different. Surekha found the temple of Lord by the side of our home. That's all.

I couldn't understand the meaning of this dream; But the correct meaning of this is: "Lord has told me to stay in a house in "Harinaamkshetra". Then as both of our home and his temple exist (side by side). He might have told like this. As she was more doubtful and suspicious in such matters, Lord might have suggested her in this way.

Utilizing the service of our children for the service of Lord

Lord has utilized not only the services of me and my wife, but also all of our family members in order to get qualified. Lord had shown an incident in which them my son also used to struggle for God as under:

Dream on 23.10.2007: In this dream, myself, my wife and our eldest son Chi. Vedant left for Tirumala to have the darshan of Lord. At that time, a procession of Lord was going on. We three went towards Sri Varaha Swami Guest house from the front side of Swami Pushkarini to have darshan of Lord Sree Venkateswara. After crossing Maada Veedhi, we noticed that there was a kachan Road by the side of which there was a Jasmine flower shop. There were many Jasmine. available for sale garlands. A big stone was there by the side of it. My son wished to sit on it. He said that we will definitely see the God. Accordingly we sat on it and were waiting for the arrival of Lord (procession). That's

all. The dream got concluded. As per this, we understood that Lord Sree Venkateswara will use my sons also in some or other way for his service.

Plantation for Harinama Kshetra

So far, there were many changes took place in me because of Lord. I changed as a person with only one moto **i.e. providing blessings of Lord to all.** “Probably noticing my aim only, Lord Sree Venkateswara planted a seed in my mind i.e. arrangement of Harinamakshetra for the first time. Whatever Lord would like to achieve, firstly He would plant the same in my mind slowly. ‘Later, after some time, creates some divine acts and then he makes to appear zeal in me to achieve. At last, seed was planted in my mind for Harinamakshetra. That Divine Act was as under:

Dream on 27.10.2007: It was just a feeling appeared in my mind. For the first time, a wish pertaining to Lord i.e. construction of a replica of Tirumala Temple, appeared in my mind. It means to construct it somewhere in Hyderabad only I thought that people will chant the name of my Lord on account of me even after my death. I prayed him to fulfill my desire; But alike all other points, I forgot this also within few days.

Divine Acts of Lord and his Consort about SRI VENKATESAM

I applied to RNI again to get back the title ‘NAMO VENKATESAYA’, but I got title Sri Venkatesam instead of Namu Venkatesaya. I rejected it and asked them categorically again to give me the title of Namu Venkatesaya but invain. Finally, treating this as the order of Sree Venkateswara, I accepted Sri Venkatesam only. Now the police got vexed with me and wrote a letter to RNI. Lord has shown this as under:

Dream on 29.10.2007: An inner feeling appeared in this dream. “Lord Sree Venkateswara was sending me a letter in which there were some points about him. Though he dropped it, but it was on the

way”. It may reach me tomorrow or day after tomorrow. This is the matter. As expected, I had received a letter from Joint Commissioner of Police Department on 29.10.2007 i.e. on Monday. They wrote a letter to RNI with a copy marked to me. ‘It seems, you gave the title ‘Sri Venkatesam’ to Shri P. Sai Reddy instead of Namu Venkatesaaya. He repeatedly asked you to give him Namu Venkatesaya; but now He is accepting Sri Venkatesaya. What we should do now? No response from you till date. So, kindly direct us what is to be done”.

I, though decided to run the Magazine with the name Sri Venkatesaya only, as blessed by Lord after knowing my mistake. I faced number problems because of rejection of the earlier one. I repeatedly begged that I obey you but provide the service of magazine to me. In one situation, I told him that once you assured me that you will bless me with the fortune of your service till I get satisfied; but so far I didn’t get satisfaction – so please provide me this service”. Likewise, Lord had shown me every incident experienced by my mind in the form of dream.

I was blessed by Goddess only in few occasions; but, today I got blessed by her in a “special procedure” as under:

The dream on 02.11.2007: I witnessed a small temple of Mother Goddess by the side of a sacred pond. In that temple, Goddess was very attractive in black complexion. The idol was decorated very nicely with cloths and beautiful flowers. I witnessed Mother Goddess. Later, I stepped down into water to have a holy dip. Meanwhile, a local political leader came there with his followers. They know me. One of them said to others about me also — “See, Sai Reddy adored Goddess already”. That’s all. It was my dream. Probably, I prayed mother Goddess also along with Lord to bless me so as to enable me to run the monthly magazine. I imagined that this divine act was shown to me as an evidence that Goddess has blessed me.

Also Lord blessed me as under:

Dream on 18.12.2007: I viewed a known colony in this dream. There I found a few houses of Sri Vaishnavaa Brahmins. A house, named as 'THIRUNILAYAM' was seen many a time in which Srivaishnavates were living. I do not understand the inner meaning of this dream. Probably Lord Sri Venkatesama is blessing my anxiety to get the service of "**Sri Venkatesaya**" monthly magazine.

We were publishing, the monthly magazine 'Namo Venkatesaaya' since 9 months without RNI number. As a result, we ought to spend more money towards postal charges (i.e. @ Rs.9/- per one copy of magazine) I got disappointed in one situation. I decided not to publish the magazine from next month onwards if I want get the RNI number. I informed the same to Lord and prayed. Finally, I got a letter from RNI that they have approved it. I, on 20.12.2007 gave a new declaration in police department for Sri Venkatesam. Now we can publish the magazine with the name Sri Venkatesam January 2008 onwards. We were blessed with two wonderful dreams i.e. one to myself and the other one to my wife. They are as under:

Dream of Surekha : Date 27.12.2007

Surekha was performing special adorations to Lord Sri Venkatesaya since few days upto 11 days by getting up at 5.00 AM daily in wee hours with a wish to get rid of troubles. She got up in the early morning even today also, had bath, completed her adoration, came out of pooja Room and casually looked at right side. To her surprise, she viewed Lord Sri Venkateswara in the same form and posture as one witnesses him in Tirumala after holy bath. Just within one minute only, He vanished. Then her Joy knew no bounds.

Thus Surekha was blessed by Lord. Now my dream was as under:

Dream on 25.12.2007: I witnessed one devotee of Lord Shiva or a person related to Shiva Tradition lying on death bed. Someone ordered no one should approach him. It pinched me a lot on seeing his condition. I thought of giving him some food. Meanwhile a female devotee alike film actors Smt. Sharada an eminent film artist, conferred Uravasi Award thrice for her matchless acting in different languages, came there chanting Mantra 'Shivoham', Shivoham'. Her words were falling on the Magazine, being published by me. Also I found a photo of Lord Sri Venkateswara collected by me for the first page of 2008 January issue.

Lord Sri Venkateswara probably indicated me that my anxiety for magazine is fulfilled and it will be continued for ever by his mercy. I also opined that 'He' told me directly to think and then publish since every article published in Magazine, comes from him only.

Asked me to become a Saint and live among Bhaagavataas

I had another dream after two days. In this, I saw hundred of baboons (presbitis entellus) came to me and looked at me particularly. It was as under:

Dream on 26.12.2007: I saw a beautiful, pleasant and peaceful place with numerous trees from which cool breeze I experienced. I also found a holy pond there where two small houses. There were only two rooms in them. I entered the house, went into second room after crossing the first one. I found nobody there. That room was in circle shape. A lady, who was neighbor of this house informed me that the owner of the house left for Rameshwaram. At that time that lady was sprinkling water, mixed with cowdung in front of house. The water of pond was clearly visible from there. I just went there and touched the water.

In the middle of Baboons

Lord had directed me to live in the company of great devotees (Bhagavataas)

Now the room got converted into a hut. Meanwhile I came out and decided to go back. At that time, hundreds of Baboons (Presbitis entellus) were found on the road. They were sitting one after another for every three four steps sitting there whose faces were in very black complexion. So far Lord has provided me with following services:

Lord Sri Venkateswara:

1) Made me to erect his Mahamantra Sthupa (Divine Pillar) in the year 2002.

- 2) Made me to establish Sri Venkateswara Mahamantra Peetham in the year 2002 and provided me with the fortune of offering 7 crores of Japa books every year.
- 3) Made me to prepare Namu Venkatesaya Chariot and provided me with strength by all means to take the Namu Venkatesaya chariot on rounds every year from Hyderabad to Tirupathi, And
- 4) Made me to start Sri Venkatesam Monthly Magazine in the year 2007.

Every service is going on efficiently with an aim to satisfy God and every God minded devotee to the extent possible.

I got the service of Lord this time throughout year. From now onwards, Lord Sree Venkateswara provided me 050 yards land. The Baboons were sitting on road. I got scarred and very carefully slowly passed thro' them to other side. They did not trouble me though they observed me. That's all. It was my dream. The meaning of this dream was as under:

I took it in the sense that I have to live among Bhaagavataas. (great devotees) and change myself as a Saint after monthly magazine is released.

Inauguration of Monthly magazine 'Sri Venkatesam': After publishing Namu Venkatesaaya' a Telugu spiritual monthly for 9 months, we released Sree Venkatesam monthly magazine's first issue. The magazine will be released with same name every month now onwards. We released this issue in a very simple style after taking the blessing of Lord Sree Venkateswara and Mother Goddess. Tried to change his direction given to me previously which he asked me to practice. (saadhana) Now, the feeling of qualifying myself thro' "service" was appearing in my mind again and again.

Lord Sree Venkateswara previously admitted me in the Bachelor Degree of spirituality in engineering college of Osmania University. I have gone thro' it successfully probably after so many years of training imparted by him. Now the Lord admitted me in spiritual Master Degree in the same Engineering College. He directed me to fix up a target i.e. first rank. A self analysis what I wrote that day was as under:

"Today is Bhishma Ekdasi. I remembered Swami. I am worried since I didn't experience his divine presence or Acts since few days. It will be a problem if I quarrel with God on this issue. I, on my own experience, learned that nothing we can achieve by pressing him or quarrelling with him but we can achieve anything and everything with only Devotion, Humility and Service. This I learnt based on my experience. I

wished to surrender myself totally. Accepting whatever situation He creates as "Prasad", I wished to serve him. Also I decided to disclose such things only to my wife. I submitted feelings to Lord Sree Venkateswara in the temple situated in HMT Nagar Nacharam. I begged him his darshan today and bless this servant i.e. me.

Lord had shown me a number of divine acts choosing me with an aim to qualifying me; but I couldn't follow his divine acts of Lord since I do belong to low category. Therefore, choosing my education, he used to show me time to time to inform me that in which level I am. The Lord makes us to love it more which he wishes to remove it from our mind. After intermediate is completed, I engaged myself in cultivation work for two years in my native place. Then I observed our pitiable financial position and felt bad a lot. Though I am a Engineer, I had interest to do business from childhood itself. Finally I studied Civil Engineering Degree and passed with good rank.

Later, I struggled a lot for my livelihood. I had a Guru by name Prof. Badruddin with whose encouragement I learned Building Construction and worked as a Junior Research fellow in a Research project. Later, I got seat "in 3 years structural Engineer Course" on part time basis. In this, I passed 3 semesters with good marks. Meanwhile I also joined in construction business. My mind used to get involved in business since I was getting out of it. I got a feeling that why and what is the use of these degrees except for adding to my name as suffixes. What for these all? So, I was not very serious to go to college. I was even absent during exams also. One day before examinations only, I used to think about them. As a result, instead of passing the exam, in August 1990, I passed the exam in August 1992. Though the training of Lord was in spiritual education only, I thought Lord has chosen the education of my previous one and also my financial status. Afterwards He used to show me my level, linking my qualification and this Master Degree. I dreamt a dream today which was a under:

Dream of 18.02.2008: I, it seems passed, my Bachelor Degree. I applied for Master Degree in my Engineering College; But unfortunately I couldn't get seat in first list. I was waiting for waiting list. In that, it was mentioned that seat will be given to those candidates whose numbers were in between so and so number to so and so number. My number was 56967. Infact, upto two more candidates before my name seats were allotted. To confirm my number, I phoned up to my residence and got delighted. Thus my dream got concluded.

It means, I have completed my Spiritual Bachelor Degree so far under His training. Now, I have to attend Master Degree. I got a seat in waiting list. Lord had guided me to study this Master Degree very well and pass thro' it successfully. He also warned me that you may fail in exam if you don't study well.

Advised me to take up only Good and give up bad

Lord has given me another direction now. Showing me the below Divine Act, He said "hold the good give up the bad:

Dream on 22.02.2008: I once visited a holy place along with my family. There I witnessed a few ruins of Elephants, Tigers etc. Also I found Anti hills, ruined idols of snakes and Gods. These anthills were generally exist under Pepul and Banyan trees. I visited Lord Sree Venkateswara temple from there where I found some unholy thing i.e. was a bone with flesh. A person standing there by was playing with it. He got scarred. Looking at me, and stopped to play. Meanwhile I went to Bus stand to board a bus. I found a bus totally filled in with passengers. Among them, a Muslim, talking

to another one asked him to distribute pieces of flesh to all". That's all.

In an another incident, I found two old friends there, whom I met long long back in this same bus stand. There were very staunch devotees of Lord Sree Venkateswara who asked me about my present job, "what are you doing now-a-days? Are you doing any service to Lord?" I, replied – "Yes, I am

making the devotees of Lord Sree Venkateswara to write his name 7 crore times every year and then I am offering them to Lord. They talked to me very affectionately. They appeared as retired persons from Government service. At that time, my wife Surekha was taking her lunch in a hotel. We all had light refreshments. It was also place of Lord My dream got disturbed. Through this, God indicated me that "Be careful! Both Good and bad exist together in this world".

I was blessed by God who provided me many services. He makes firstly every service get flashed in my mind. Later, He then makes to know more divine acts. Lord used to come forward when I go back or hesitate. He used to go back when I come forward. After a few divine acts in this way, even the situations around me also used to get change making me to concentrate on that work. As a result, I used to pray him wholeheartedly to bless me with that particular service. "Lord! You assured me that you will bless me with a chance to serve you in this life till I get satisfied; But I am not at all satisfied till now. Now, I used to pray so seriously to bless me with this service. Only then, you used to bless me with the service. Also you used to tell me – "See! I blessed you with this service on your demand only. Now it is your responsibility to

manage it with great efficiency and ability. All the four blessings i.e. 1) Construction of Sthupa (sacred pillar) 2) Service of Japa offering 3) Chariot of Namō Venkatesaaya 4) Monthly Magazine of Sree Venkateswara blessed by him in this same procedure; He entrusted the managing responsibility of all to me only.

The feeling of making generations together to chant the name of Lord thro' constructing the replica of Tirumala Temple, in the vicinity of Hyderabad also appeared for the first time. The aim of Lord is to make more Divine Acts and achieving them in the days to come. He directed me that "my duty is only to achieve that goal". We will know about them in the ensuing Chapters.

My Condition: As directed by Lord Sree Venkateswara, the Chariot Namō Venkatesaaya went

on rounds in Chinnagundavelli area for the first time. Lord blessed the title. Sree Venkatesama as title of Magazine. He blessed Surekha to me as a special boon. He planted a seed "Harinam Kshetra". He directed me to become a saint and live among Bhagavataas. He admitted me in spiritual Master Degree and said to complete it successfully through hard work and practice.

Blessings of Bhagavatas:

We are publishing these Divine Acts as decided and directed by Lord just only for taking your blessings and to make you also as our Partners at least in the form of blessings. Therefore, I appeal every devotee whoever goes through these Divine Acts, to pray Lord by forgetting the differences of Age, Caste, Colour, Sex, Creed and bless me so that make my sincere efforts will become fruitful and successful.
